## HoMedics B0DPLQBPWK

# MyBaby 3-in-1 Calming Baby Cushion User Manual

Brand: HoMedics | Model: B0DPLQBPWK

### PRODUCT OVERVIEW

The MyBaby 3-in-1 Calming Baby Cushion by HoMedics is designed to provide soothing comfort for newborns and infants. This innovative cushion gently cocoons your baby, offering a safe and snuggling sensation that helps calm and comfort unsettled little ones, giving parents a much-needed break.

It integrates sound and vibration features to mimic the comforting environment of a mother's womb, promoting relaxation and ease for your baby. The cushion is also designed with safety and convenience in mind, featuring breathable materials, portability, and easy maintenance.

## SAFETY INFORMATION

Your baby's safety is our top priority. Please read and adhere to all safety guidelines before using the MyBaby 3-in-1 Calming Baby Cushion.

- **Age and Weight Recommendation:** This cushion is recommended for ages 0-9 months and a maximum weight of 25 pounds.
- **Supervision:** Always supervise your baby while they are in the cushion. Do not use this product as a sleep device or for unsupervised sleep.
- **Placement:** Always place the cushion on a flat, stable, and safe surface, away from edges or potential hazards.
- **Breathable Design:** The cushion features a firm foam tube with air-passage cavities and breathable mesh fabric on inner walls to ensure proper airflow and safety.

- **No Additional Padding:** Do not add extra blankets, pillows, or padding inside the cushion, as this can create a suffocation hazard.
- **Battery Safety:** Use only the provided rechargeable battery pack. Ensure it is charged safely and correctly.

## SETUP GUIDE

Follow these steps to set up your MyBaby 3-in-1 Calming Baby Cushion:

1. **Unpack:** Carefully remove all components from the packaging. Ensure you have the cushion, the removable battery pack, and any charging cables.
2. **Charge Battery:** The battery pack is rechargeable and removable. Before first use, fully charge the battery pack. Connect the charging cable to the battery pack and a suitable power source. The indicator light on the battery pack will show charging status.
3. **Insert Battery:** Once charged, insert the battery pack into its designated compartment on the cushion. Ensure it is securely connected.
4. **Position Cushion:** Place the cushion on a flat, stable, and safe surface. Ensure there are no obstructions around the cushion.

5. **Adjust Buckle (Optional):** If your baby requires more length, the bottom buckle can be opened to extend the cushion.

## OPERATING INSTRUCTIONS

The MyBaby 3-in-1 Calming Baby Cushion is designed for intuitive operation:

1. **Power On/Off:** Locate the power button on the control panel. Press to turn the unit on or off. An indicator light will confirm the power status.
2. **Select Sound:** The cushion offers four soothing sound options: Heartbeat, Shushing, Womb, and White

Noise. Use the dedicated sound selection button to cycle through these options.

3. **Adjust Volume:** Use the volume up (+) and volume down (-) buttons to set the desired sound level.
4. **Activate Vibration:** Press the vibration button to turn the gentle vibration feature on or off. Vibration can be used independently or in conjunction with sounds.
5. **Auto-Off Timer:** The cushion features a 15-minute auto-off timer. The unit will automatically power down after 15 minutes of continuous operation to conserve battery life and ensure optimal usage duration.

## MAINTENANCE AND CARE

Proper maintenance ensures the longevity and hygiene of your MyBaby 3-in-1 Calming Baby Cushion:

- **Cleaning the Cover:** The breathable mesh cover is easily removable and machine washable. Remove the cover from the cushion before washing. Wash on a gentle cycle with cold water. Do not bleach. Tumble dry on

low heat or air dry.

- **Cleaning the Cushion Base:** Wipe the cushion base and control unit with a damp cloth and mild soap. Do not submerge the base or electronic components in water. Ensure all parts are completely dry before reassembling or using.
- **Battery Care:** Store the rechargeable battery pack in a cool, dry place when not in use. Avoid extreme temperatures.
- **Storage:** When not in use for extended periods, store the cushion in a clean, dry place, away from direct sunlight and extreme temperatures.

## TROUBLESHOOTING

If you encounter any issues with your MyBaby 3-in-1 Calming Baby Cushion, please refer to the following common solutions:

- **Unit Not Turning On:**
  - Ensure the rechargeable battery pack is fully charged.
  - Verify the battery pack is correctly inserted into its compartment.
  - Press and hold the power button for a few seconds to ensure activation.
- **No Sound or Vibration:**
  - Check if the unit is powered on.
  - Ensure the volume is not set to minimum.

- Press the sound and vibration buttons to ensure they are activated.
- The unit has a 15-minute auto-off timer; it may have turned off automatically.

- **Battery Not Charging:**

- Verify the charging cable is securely connected to both the battery pack and the power source.
- Try a different power outlet or USB port.
- Ensure the charging cable is not damaged.

- **Cushion Appears Flat or Deformed:**

- Ensure the foam tube is properly seated within the mesh cover.
- If recently washed, ensure the cover is completely dry and properly reassembled.

If the issue persists after trying these steps, please contact customer support.

## **WARRANTY AND SUPPORT**

For warranty information, product support, or to inquire about replacement parts, please refer to the warranty card included with your purchase or visit the official HoMedics website. You may also contact the retailer where the product was purchased for assistance.

Please have your product model number (B0DPLQBPWK) and proof of purchase ready when contacting support.
