ALAULM XS-3 Swivel Chairs

ALAULM XS-3 Aluminum Outdoor Swivel Armchairs with Coffee Table User Manual

Model: XS-3 Swivel Chairs
Brand: ALAULM

Product Overview

The ALAULM XS-3 Swivel Chair set includes three pieces: two aluminum outdoor swivel rocking armchairs and one coffee table. Designed for outdoor use, these chairs feature a durable aluminum frame, high backrests, and thick sponge cushions for comfort. The chairs offer both 360-degree swivel and rocking functions.

- **Durable Aluminum Frame:** Constructed from rust-resistant aluminum for long-lasting outdoor use in various weather conditions.
- **Comfortable Cushions:** Features 5.1-inch high-grade foam cushions that are resilient and resist deformation. The backrest is 34.1 inches high. Covers are removable and washable.
- **Ergonomic Design:** Curved backrests and wide armrests provide enhanced support.
- **360-Degree Swivel & Rocking:** Chairs combine both swivel and rocking capabilities for adjustable comfort and relaxation.

Safety Information

Please read and understand all safety warnings before assembly and use.

- **Weight Limit:** Do not use if the combined weight of the user and any additional weight exceeds 250 lbs (113 kg) per chair.
- **Swivel Function:** Exercise caution when using the 360-degree swivel function to prevent tip-overs and potential injuries.
- **Armrest Temperature:** Armrests may become hot in direct sunlight. Consider using armrest covers for comfort.
- **Assembly:** Ensure all components are correctly assembled and tightened before use. Regularly check for loose parts.

Setup and Assembly

This section provides general guidelines for assembling your ALAULM XS-3 Swivel Chair set. While specific instructions may vary, the following steps outline the typical assembly process. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully unpack all parts from the boxes. Verify that all components listed in your product's packing list are present. Refer to the image below for typical dimensions and components.

Image: Detailed dimensions of the rocking swivel sofa (chair) and the square coffee table, showing height, width, and depth measurements.

2. **Assemble Chair Base:** Begin by assembling the base of the swivel chairs. Ensure all bolts are securely fastened but do not overtighten until the entire frame is assembled. The sturdy aluminum base is designed for stability.

Image: A close-up view highlighting the sturdy aluminum base and comfortable curved armrests of the swivel chair, along with velcro fastenings for cushions.

3. **Attach Chair Back and Armrests:** Connect the backrest and armrests to the assembled base. Pay attention to the orientation of the curved armrests for ergonomic comfort.
4. **Assemble Coffee Table:** Assemble the coffee table frame. The table features a reinforced structure for stability.

Image: A detailed view of the coffee table, showing its tempered glass top and reinforced leg structure.

5. **Place Tempered Glass Top:** Carefully place the tempered glass top onto the coffee table frame. Ensure it is seated securely.
6. **Install Cushions:** Place the seat and back cushions onto the chairs. The cushions are designed with velcro fastenings to secure them to the chair frame, preventing slippage.

7. **Final Tightening:** Once all components are loosely assembled, go back and securely tighten all bolts. Do not overtighten to avoid damaging the frame.

If you encounter any missing accessories or damage during assembly, please contact customer support.

Operating Instructions

The ALAULM Swivel Armchairs are designed for comfort and versatility, offering both rocking and 360-degree swivel functions.

Using the Swivel Function:

Simply sit in the chair and gently push off the ground with your feet to rotate the chair. The chair is designed to swivel 360 degrees smoothly. Ensure there is adequate space around the chair to prevent collisions with other furniture or objects.

Using the Rocking Function:

To engage the rocking motion, lean back gently. The chair's base allows for a smooth back-and-forth rocking movement. Adjust your posture to find the most comfortable rocking angle.

Maintenance

Proper maintenance will extend the life and appearance of your ALAULM outdoor furniture.

- **Frame Cleaning:** Clean the aluminum frame with a soft cloth, mild soap, and water. Rinse thoroughly and dry completely to prevent water spots. Avoid abrasive cleaners or harsh chemicals.
- **Cushion Care:** The cushion covers are removable via a zipper for easy cleaning. Machine wash covers on a gentle cycle with cold water and mild detergent, or hand wash. Air dry only; do not tumble dry. Ensure cushions are completely dry before re-installing or storing to prevent mold and mildew.

- **Glass Tabletop:** Clean the tempered glass tabletop with a glass cleaner and a soft cloth.
- **Seasonal Storage:** During harsh weather conditions or off-season, it is recommended to store cushions indoors and cover the furniture to protect it from elements.
- **Hardware Check:** Periodically check all bolts and connections to ensure they remain tight. Retighten as necessary.

Troubleshooting

This section addresses common issues you might encounter with your ALAULM Swivel Chair set.

Problem	Possible Cause	Solution
Chair feels unstable or wobbly.	Loose bolts or uneven surface.	Ensure all assembly bolts are securely tightened. Place the chair on a flat, level surface.
Swivel or rocking motion is not smooth.	Debris in the mechanism or lack of lubrication.	Inspect the swivel and rocking mechanisms for any obstructions. Clean if necessary. Apply a silicone-based lubricant to moving parts if needed (avoid oil-based lubricants).
Cushions slide off the chair.	Velcro not properly attached or worn out.	Ensure the velcro straps on the cushions are firmly attached to the chair frame. If velcro is worn, consider replacing it or adding non-slip pads.
Armrests become hot in the sun.	Direct sun exposure on aluminum.	Consider purchasing or making armrest covers. Position the furniture in shaded areas during peak sun hours.

Specifications
