KAI-ROAD KLDLVD80W4D-ML

KAI-ROAD White Makeup Vanity Desk with Mirror and Lights

Model: KLDLVD80W4D-ML

PRODUCT OVERVIEW

The KAI-ROAD White Makeup Vanity Desk is designed to provide a dedicated and organized beauty station, even in compact spaces. This versatile vanity set includes a desk with integrated storage, an LED-lighted mirror, and a comfortable stool. It is crafted from durable MDF board and a robust metal frame, ensuring stability and longevity. The built-in power outlets and USB ports offer modern convenience for all your grooming needs.

IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly, installation, or use of this product. Failure to follow these instructions may result in injury or damage.

- Always unplug the vanity desk before assembly or disassembly.
- Be cautious of sharp edges and pinch points during assembly.
- Do not exceed the weight limit of 250 lbs on the stool.
- Keep electrical components dry and away from heat sources.
- Always supervise children when using the vanity desk.

SETUP AND ASSEMBLY

The KAI-ROAD Vanity Desk is designed for straightforward assembly. All necessary tools and step-by-step instructions are included in the packaging. Please follow the provided assembly manual carefully to ensure proper setup and stability of the unit.

Product Dimensions

Heavy Duty Metal Design

Environment all protection

4 Fabric Drawers

Figure 2: Product Dimensions. This diagram illustrates the key measurements of the vanity desk, including its height, width, and depth, which are important for planning placement and assembly.

Ensure all components are present before beginning assembly. It is recommended to assemble the vanity desk on a soft, clean surface to prevent scratches.

OPERATING INSTRUCTIONS

LED Mirror Lighting

The integrated LED mirror offers three distinct lighting modes: natural, warm, and cold light. To cycle through these modes, gently tap the touch sensor on the mirror surface. To adjust the brightness within each mode, press and hold the touch sensor until the desired brightness level is achieved. This feature allows for optimal lighting conditions for various makeup applications and environments.

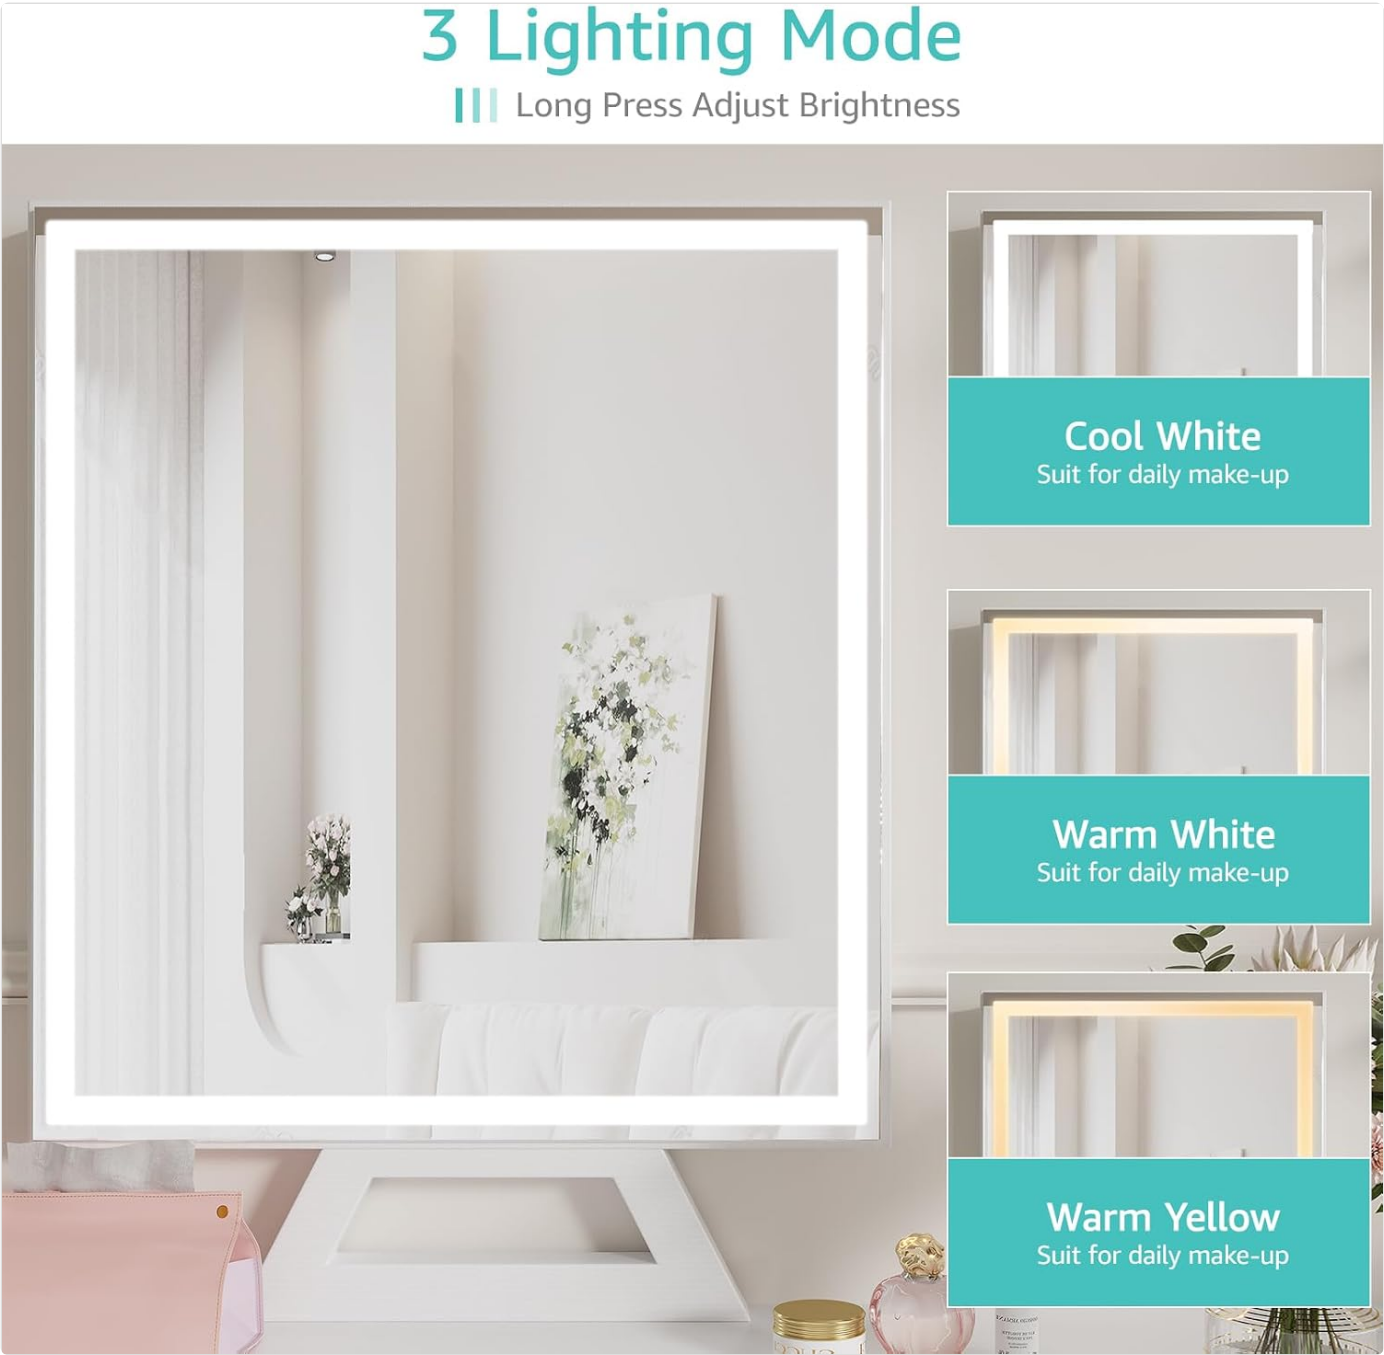

Figure 3: LED Mirror Lighting Modes. This image demonstrates the three available light settings (Cool White, Warm White, Warm Yellow) of the LED mirror, highlighting how to select the appropriate light for different makeup needs.

Built-in Power Outlet and USB Ports

The vanity desk is equipped with two standard plug sockets and two USB ports for convenient power access. These are ideal for charging electronic devices such as phones and tablets, or for powering hair styling tools like straighteners and curling irons directly at your vanity. Ensure devices are compatible with the 125V/12A AC outlets and 5V/2A USB ports.

Storage Solutions

The vanity desk features multiple storage options to help keep your beauty essentials organized. This includes two large fabric drawers, two smaller tabletop drawers, and a spacious side pocket. Additionally, two hooks are provided for hanging accessories like hair ties or jewelry. Utilize these compartments to maintain a tidy and accessible workspace.

Removable Storage Function

Have Larger Desktop Space

MAINTENANCE

To ensure the longevity and appearance of your KAI-ROAD Vanity Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as these may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood and metal components.
- **Electrical Components:** Keep the power outlets and USB ports dry. Do not expose them to liquids.
- **Stool Care:** The faux leather seat can be wiped clean with a damp cloth.

TROUBLESHOOTING

This section provides solutions to common issues you might encounter with your vanity desk.

Problem	Possible Cause	Solution
LED Mirror Lights Not Working	Power cable disconnected; Mirror not powered on; Faulty power outlet.	Ensure the mirror's power cable is securely plugged into a working outlet. Press the touch sensor on the mirror to turn it on. Test the outlet with another device.
Power Outlets/USB Ports Not Functioning	Vanity desk not plugged in; Overload on the power strip; Device not compatible.	Verify the main power cord of the vanity desk is plugged into a live wall outlet. Check if too many high-power devices are connected. Ensure your device's power requirements match the vanity's output.
Desk or Stool Wobbles	Loose screws or uneven assembly.	Check all screws and bolts and tighten them securely. Ensure the desk and stool are placed on a flat, even surface.
