## WHAT'S IN THE BOX

Upon opening your HOIFA W53 Wireless Earbuds package, you should find the following items:

- HOIFA W53 Wireless Earbuds (Left and Right)
- Portable Charging Case

- USB-C Charging Cable
- User Manual (this document)
- Eartips (various sizes for optimal fit)

## SETUP GUIDE

---

### 1. Charging the Earbuds and Case

Before first use, ensure both the earbuds and the charging case are fully charged. The charging case features a dual digital battery display to show the charge level of both the case and individual earbuds.

1. Connect the provided USB-C charging cable to the Type-C charging port on the charging case.
2. Connect the other end of the cable to a compatible USB power adapter (not included).
3. The LED display on the case will show the charging progress. A full charge takes approximately 1 hour.

# 50Hrs Long Battery Life

Enjoy music without frequent charging. With the charging box, the battery life is up to 50 hours.

## 2. Pairing with Your Device

The HOIFA W53 earbuds utilize advanced Bluetooth 5.4 technology for instant pairing and stable transmission up to 15 meters.

1. Ensure Bluetooth is enabled on your smartphone, tablet, or computer.
2. Open the lid of the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device, search for Bluetooth devices and select "HOIFA W53" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.
5. For subsequent uses, simply open the charging case lid, and the earbuds will automatically reconnect to the last paired device.

## Upgraded 2024 Bluetooth 5.4 Technology

Compared to Bluetooth 5.3, the connection stability is increased by 60%, and power consumption is reduced by 30%.

## OPERATING INSTRUCTIONS

### Touch Controls

The HOIFA W53 earbuds feature highly sensitive smart touch controls for easy management of your audio and calls.

Action	Function
Single Tap (Left/Right Earbud)	Play/Pause Music, Answer/End Call
Double Tap (Right Earbud)	Next Track
Double Tap (Left Earbud)	Previous Track

Action	Function
Triple Tap (Right Earbud)	Volume Up
Triple Tap (Left Earbud)	Volume Down
Long Press (2 seconds)	Activate Voice Assistant
Long Press (3 seconds) during call	Reject Call

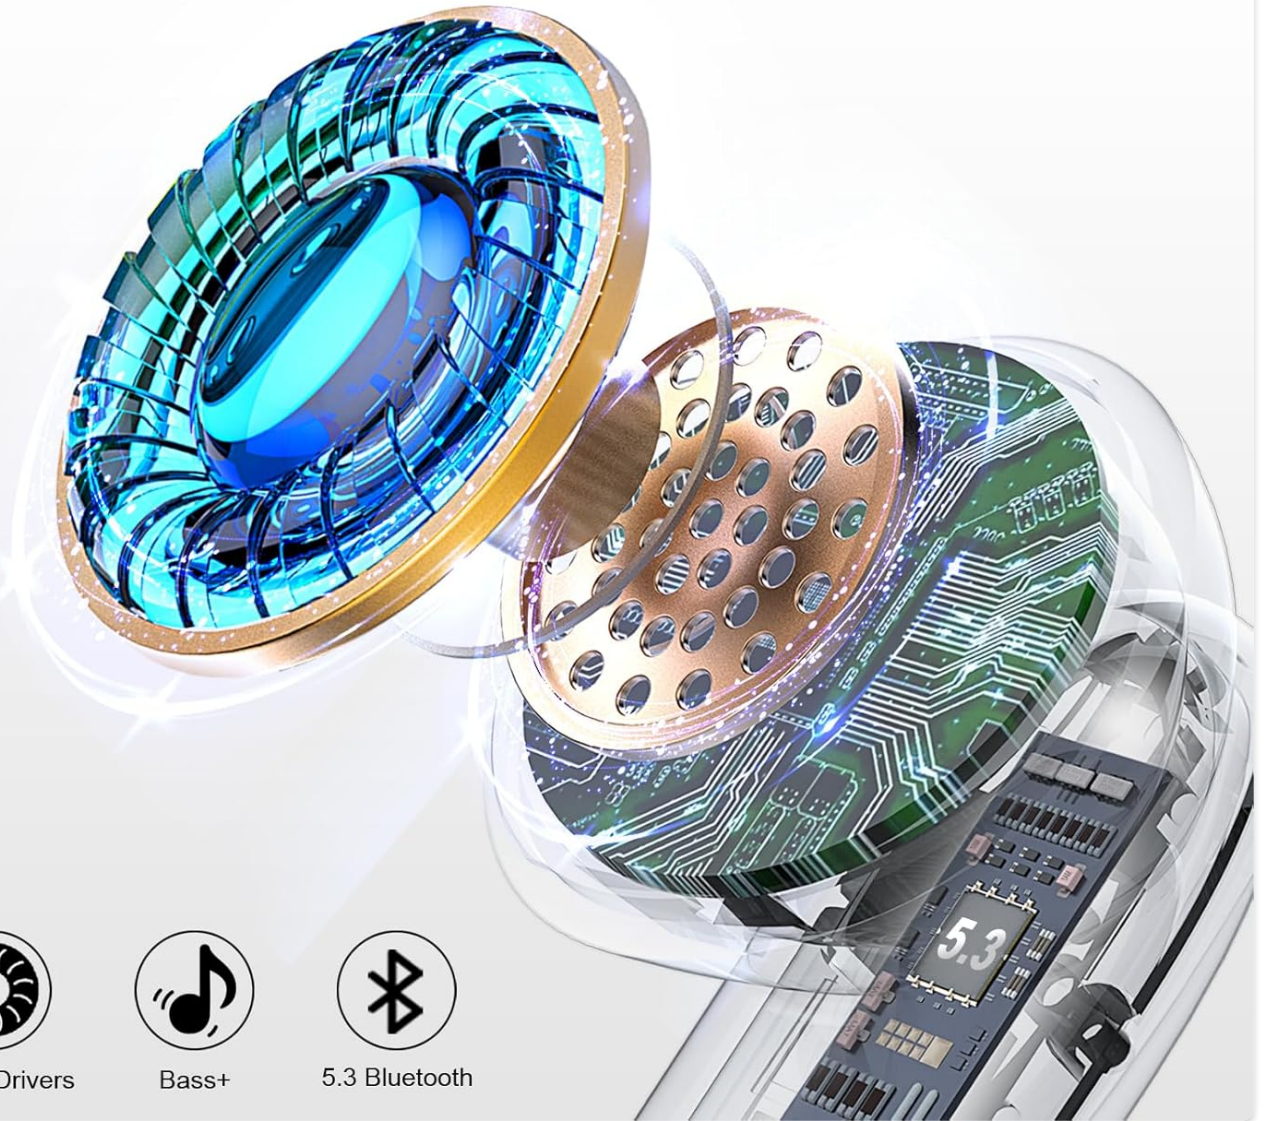

## Audio Features

The HOIFA W53 earbuds are engineered for an immersive listening experience:

- **Hi-Fi Deep Bass Stereo:** Equipped with 13mm speakers, these earbuds deliver powerful bass, clear mids, and bright treble for rich, detailed sound.
- **ENC Noise Cancelling Microphones:** Advanced Environmental Noise Cancellation (ENC) technology reduces ambient noise by up to 90% during calls, ensuring crystal-clear conversations even in noisy environments like subways.

# Hi-Fi Stereo Sound

The 13mm speakers use nano-scale materials to bring natural sound effects and immersive music experience

## MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your HOIFA W53 Wireless Earbuds.

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry, lint-free cloth. For stubborn dirt, slightly dampen the cloth with water. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The earbuds are IPX7 waterproof, meaning they can withstand sweat and rain. However, they are not designed for swimming or prolonged submersion. Ensure the charging port is dry before charging.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Battery Care:** To preserve battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even if not in constant use.

# IP7 Dust and Water Resistance

The W53 wireless earbuds has passed the IPX7 waterproof test, making it resistant to sweat and rain.

## TROUBLESHOOTING

If you encounter any issues with your HOIFA W53 Wireless Earbuds, please refer to the following common solutions:

- **Earbuds not pairing/connecting:**

- Ensure Bluetooth is enabled on your device.
- Make sure the earbuds are charged and taken out of the charging case.
- Forget "HOIFA W53" from your device's Bluetooth settings and try pairing again.
- Restart your device and the earbuds (by placing them back in the case and closing the lid, then reopening).

- **No sound or low volume:**

- Check the volume levels on both your device and the earbuds.
- Ensure the earbuds are properly seated in your ears.

- Clean any debris from the earbud mesh.
- Confirm the earbuds are connected to the correct device.

- **Charging issues:**

- Verify the USB-C cable is securely connected to both the case and the power source.
- Try a different USB-C cable or power adapter.
- Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.

- **Poor call quality:**

- Ensure the microphones are not obstructed.
- Move to a quieter environment if ENC is not sufficient.
- Check your device's network signal.

If the issue persists, please contact customer support for further assistance.
