

JEKCA JA-M01GTC01

JEKCA Grey Tabby Cat Automata Series Building Blocks Instruction Manual

Model: JA-M01GTC01
Brand: JEKCA

INTRODUCTION

Welcome to the world of JEKCA! This instruction manual provides comprehensive guidance for assembling your JEKCA Grey Tabby Cat Automata Series building block model. JEKCA models feature a unique interlocking brick-through system designed for sturdy construction without the need for glue. Follow these instructions carefully to ensure a successful and enjoyable building experience.

This model is part of the Automata Series, featuring a mechanical element that brings your creation to life.

SAFETY INFORMATION

- **Small Parts:** This product contains small parts and is not suitable for children under 14 years of age due to choking hazards.
- **Recommended Age:** Recommended for individuals 14 years and older.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger builders.
- **Handling:** Handle components with care to avoid damage or injury.

WHAT'S IN THE BOX

Your JEKCA Grey Tabby Cat Automata Series kit includes the following components:

- Instruction Manual
- Building Bricks (various shapes and sizes)
- Pins (for interlocking bricks)
- Pin Driver (tool for inserting pins)
- Quick Guide

ASSEMBLY INSTRUCTIONS

Follow the detailed, step-by-step instructions provided in the included manual. The JEKCA system uses a patented interlocking technology to create sturdy sculptures. Each step will guide you through connecting the bricks using pins.

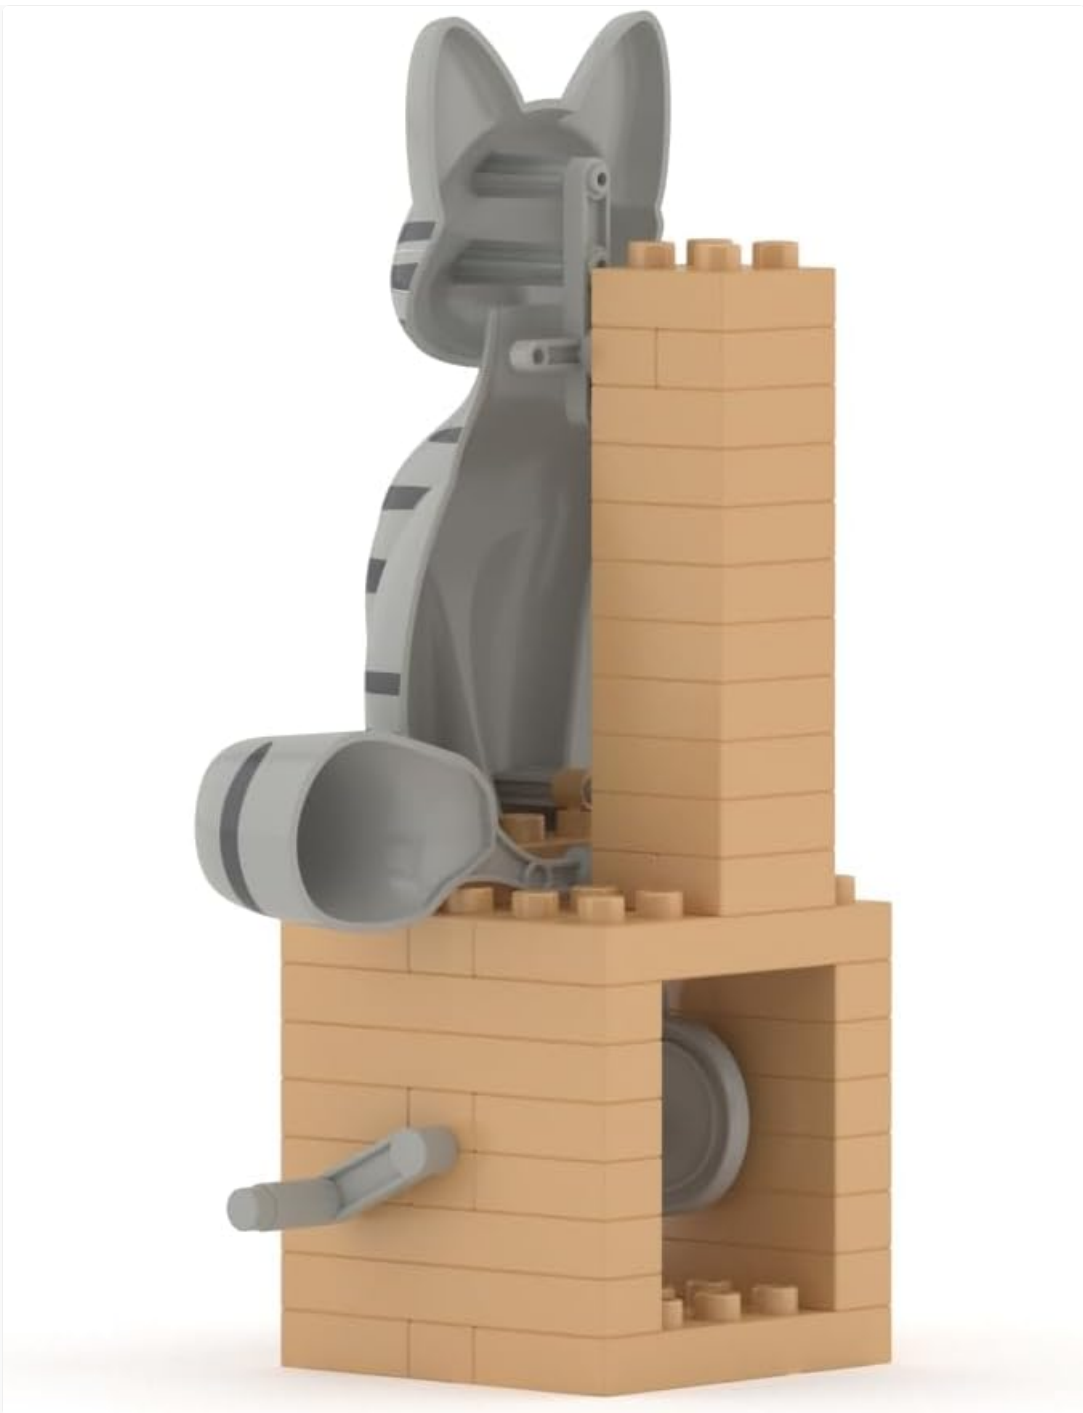

Figure 2: Side view of the assembled JEKCA Grey Tabby Cat Automata Series model, showing the crank mechanism.

Figure 3: Internal view of the JEKCA Grey Tabby Cat Automata Series, highlighting the mechanical components.

General JEKCA Building Method

JEKCA utilizes an interlocking system. To connect bricks:

1. Align the bricks you wish to connect.
2. Insert a pin into the designated holes.
3. Use the provided pin driver to gently push the pin through the bricks until they are securely fastened.

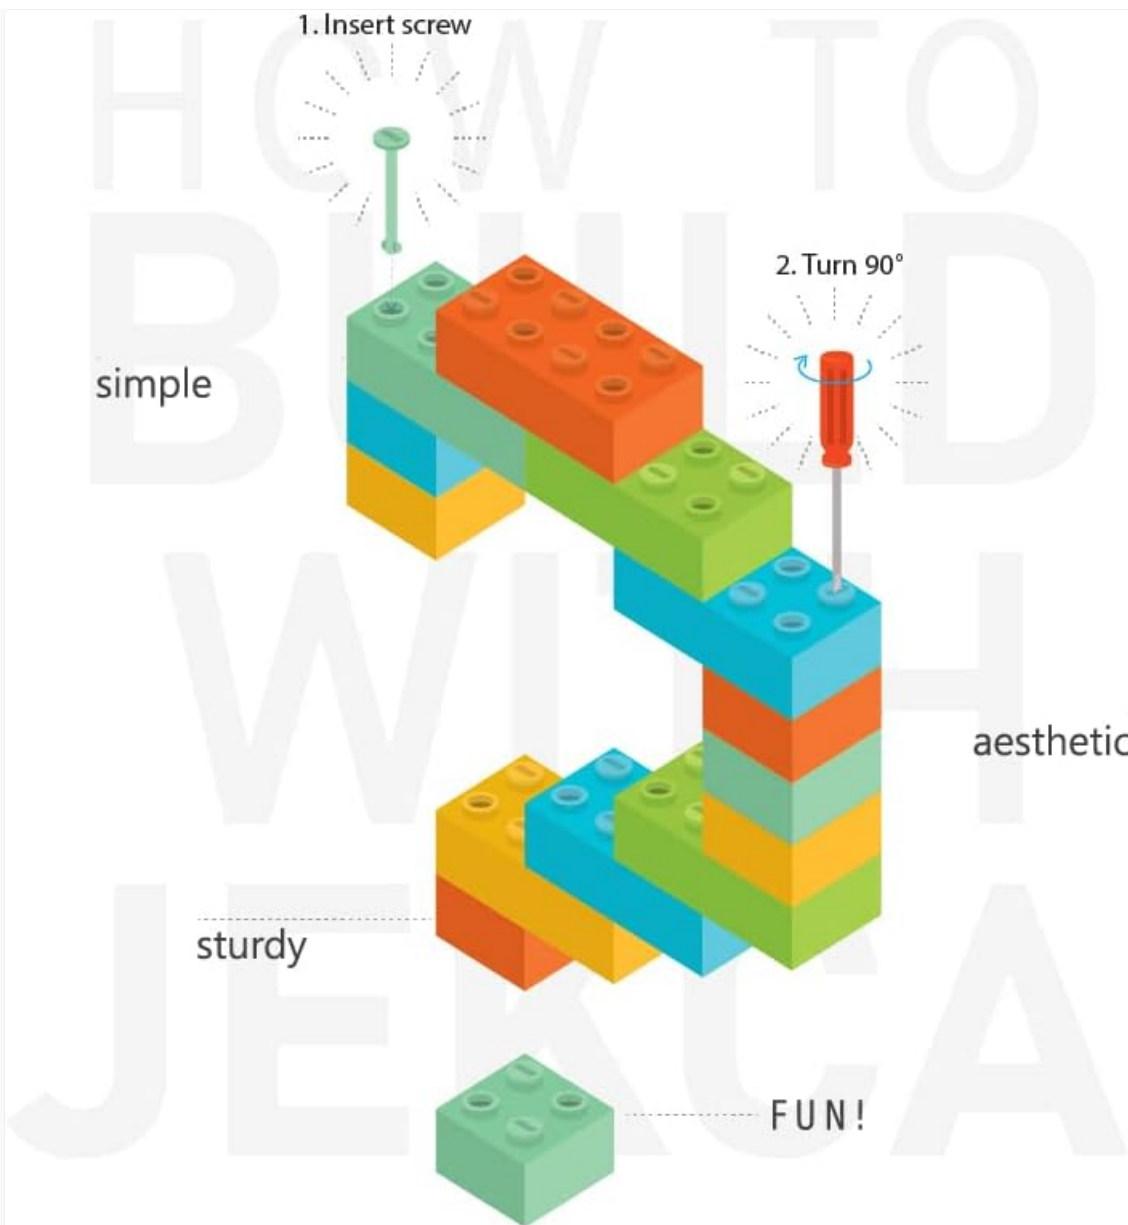

Figure 4: Illustration of the JEKCA interlocking brick-through system, showing how to insert a pin and turn it to secure bricks.

Ensure all connections are firm to maintain the structural integrity of your model.

OPERATING INSTRUCTIONS

The JEKCA Grey Tabby Cat is an Automata Series model, meaning it incorporates a simple mechanical movement. Once fully assembled:

1. Locate the small crank on the side of the base structure (as shown in Figure 2).
2. Gently turn the crank clockwise or counter-clockwise.
3. Observe the movement of the cat's tail, which is designed to wag when the crank is operated.

Avoid forcing the crank if you encounter resistance. Ensure all parts are correctly assembled and move freely.

MAINTENANCE

To keep your JEKCA model in optimal condition:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, use a slightly damp cloth and dry immediately. Avoid harsh chemicals or abrasive cleaners.

- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Always handle the model by its base to prevent accidental disassembly or damage to delicate parts.

TROUBLESHOOTING

Missing or Damaged Pieces

If you find any missing or damaged pieces upon opening the box, please contact JEKCA customer support with your purchase details and a description of the issue. Refer to the 'Support' section for contact information.

Difficulty Connecting Bricks

Ensure the pins are correctly aligned with the holes in the bricks. Apply even pressure with the pin driver. If a pin is bent or damaged, replace it with a new one if available, or contact support.

Automata Mechanism Not Moving

Check that all internal gears and connecting rods are correctly assembled and not obstructed. Ensure the crank is properly attached and can turn freely. If the issue persists, carefully review the assembly steps for the automata mechanism in your manual.

SPECIFICATIONS

- **Product Dimensions:** 2.48 x 3.74 x 7.6 inches
- **Item Weight:** 10.6 ounces
- **Item Model Number:** JA-M01GTC01
- **Manufacturer Recommended Age:** 14 years and up
- **Number of Pieces:** >60 pieces
- **Material:** Plastic
