Yaheetech Swivel Dining Chairs User Manual

Model: YA-00143011

1. INTRODUCTION

Thank you for choosing the Yaheetech Swivel Dining Chairs. These chairs are designed to provide comfort and functionality, featuring a 360-degree swivel mechanism for ease of use in various settings. This manual provides essential information for the safe assembly, operation, and maintenance of your new chairs. Please read it thoroughly before use and retain it for future reference.

2. SAFETY INFORMATION

To ensure safe operation and prevent injury or damage, please adhere to the following safety guidelines:

- **Do not stand on the chair.** The chair is designed for seating purposes only.
- The maximum weight capacity for each chair is **136 kg (299 lbs)**. Do not exceed this limit.
- Ensure all screws and bolts are securely tightened before use and periodically check for looseness.
- Keep small parts away from children during assembly to prevent choking hazards.
- Avoid placing the chair near open flames or excessive heat sources.
- Do not use abrasive cleaners or harsh chemicals on the chair's surfaces.

3. PRODUCT FEATURES

The Yaheetech Swivel Dining Chairs are designed with user comfort and durability in mind:

- **360° Swivel Seat:** The integrated swivel mechanism allows for effortless rotation, providing easy access to your surroundings without needing to reposition the chair.
- **Comfortable Seating:** Features a 7.5 cm (2.95 inches) thick padded seat and soft chenille upholstery for optimal comfort. The mid-height backrest and armrests offer support for the back and lumbar region.
- **Stable Construction:** Built with a sturdy plywood frame and cross-shaped metal legs, ensuring robust support and long-term durability for daily use.
- **Floor Protection:** Equipped with screw-in protective feet that enhance stability and prevent scratches on your floor surfaces when the chair is moved.
- **Elegant Design:** Inspired by the gentle lines of a flower, the chair features a flared backrest and softly curved armrests, adding a touch of natural elegance to any room.

4. SETUP AND ASSEMBLY

The Yaheetech Swivel Dining Chairs require minimal assembly. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the assembly instructions (usually included in the box) are present and undamaged.
2. **Attach Legs:** Securely attach the cross-shaped metal legs to the chair base. Ensure the swivel mechanism is correctly oriented.
3. **Install Protective Feet:** Screw the adjustable protective foot pads into the bottom of each leg. These pads help stabilize the chair and protect your flooring.
4. **Final Check:** Once assembled, gently rock the chair to ensure stability. Tighten any loose connections.

5. OPERATING INSTRUCTIONS

Using your Yaheetech Swivel Dining Chair is straightforward:

- **Seating:** Sit centrally on the chair, ensuring your weight is evenly distributed.
- **Swivel Function:** To rotate, simply shift your weight slightly and gently push off the floor with your feet in the desired direction. The 360-degree swivel mechanism will allow the chair to turn smoothly.
- **Positioning:** The chair can be used in dining rooms, living rooms, studies, or as an accent chair. Its compact design allows for versatile placement.

6. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your chairs:

- **Cleaning Upholstery:** For general cleaning, gently vacuum the chenille fabric to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery, testing on an inconspicuous area first.
- **Cleaning Legs:** Wipe metal legs with a soft, damp cloth. Avoid abrasive cleaners that could damage the finish.
- **Regular Checks:** Periodically inspect all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position chairs away from

direct sun exposure where possible.

7. TROUBLESHOOTING

If you encounter any issues with your Yaheetech Swivel Dining Chairs, refer to the following common solutions:

Problem	Possible Cause	Solution
Chair feels wobbly or unstable.	Loose screws or uneven floor.	Check and tighten all assembly screws. Adjust the protective foot pads to level the chair on uneven surfaces.
Swivel mechanism is stiff or noisy.	Dust accumulation or lack of lubrication.	Clean any visible debris from the swivel mechanism. Apply a small amount of silicone-based lubricant if necessary (avoid oil-based lubricants).
Fabric appears dirty or stained.	Accumulated dirt or spills.	Refer to the "Care and Maintenance" section for cleaning instructions.
