

## Remington SFG2039

# Remington ONE Shave & Groom Multi-Tool Electric Razor User Manual

Model: SFG2039

Brand: Remington

## INTRODUCTION

---

The Remington ONE Shave & Groom Multi-Tool is an all-in-one grooming device designed for versatile styling needs. It features four powerful, full-size attachments for shaving, trimming, and detailing. This manual provides essential information for safe operation, effective use, and proper maintenance of your device.

## SAFETY INFORMATION

---

**Read all instructions before using this appliance. When using an electrical appliance, basic precautions are required to always be followed; see your user manual for more details.**

Always ensure the appliance is switched off before attaching or detaching any accessories. Keep the device away from water sources unless specifically designed for wet use. Do not attempt to repair the device yourself.

## PRODUCT OVERVIEW

---

The Remington ONE Multi-Tool is engineered for comprehensive grooming, offering a range of attachments to cover various styling requirements for your beard, face, and body.

# ATTACHMENTS:

Wide T-Blade Attachment

1mm Body Shaver Comb

Adjustable Comb (1mm-5mm)

3mm Body Shaver Comb

Body Shaver Attachment

5mm Body Shaver Comb

Dual-Sided Nose & Ear Comb

Nose & Ear Attachment

Image: A detailed diagram labeling each attachment: Wide T-Blade Attachment, 1mm Body Shaver Comb, Adjustable Comb (1mm-5mm), 3mm Body Shaver Comb, Body Shaver Attachment, 5mm Body Shaver Comb, Dual-Sided Nose & Ear Comb, and Nose & Ear Attachment.

## Key Features:

- **Full-Size Foil Shaver:** Designed for a clean shave, offering efficient hair removal.
- **38mm T-Blade Trimmer:** 20% wider than standard Remington groomers, providing enhanced coverage for precision trimming and detailing.
- **Full-Size Body Hair Trimmer:** Specifically designed for comfortable body grooming with triple-action blades and dual-sided combs.
- **Vertical Nose, Ear, and Eyebrow Trimmer:** Features a micro blade for safely removing stray hairs.
- **100% Waterproof:** Suitable for wet or dry use and easy to clean under running water.
- **Lithium Battery:** Provides up to 60 minutes of cordless runtime with a quick charge function.

## SETUP

1. **Initial Charge:** Before first use, charge the device for 2 hours. The 3-stage LED battery indicators will show charging progress.

2. **Attaching Heads:** To attach a grooming head, align the head with the main body and press firmly until it clicks into place. To remove, gently pull the head away from the body.
3. **Selecting Combs:** For trimmers, select the appropriate comb attachment based on your desired hair length. Ensure combs are securely fitted.

## OPERATING INSTRUCTIONS

---

### Using the Foil Shaver:

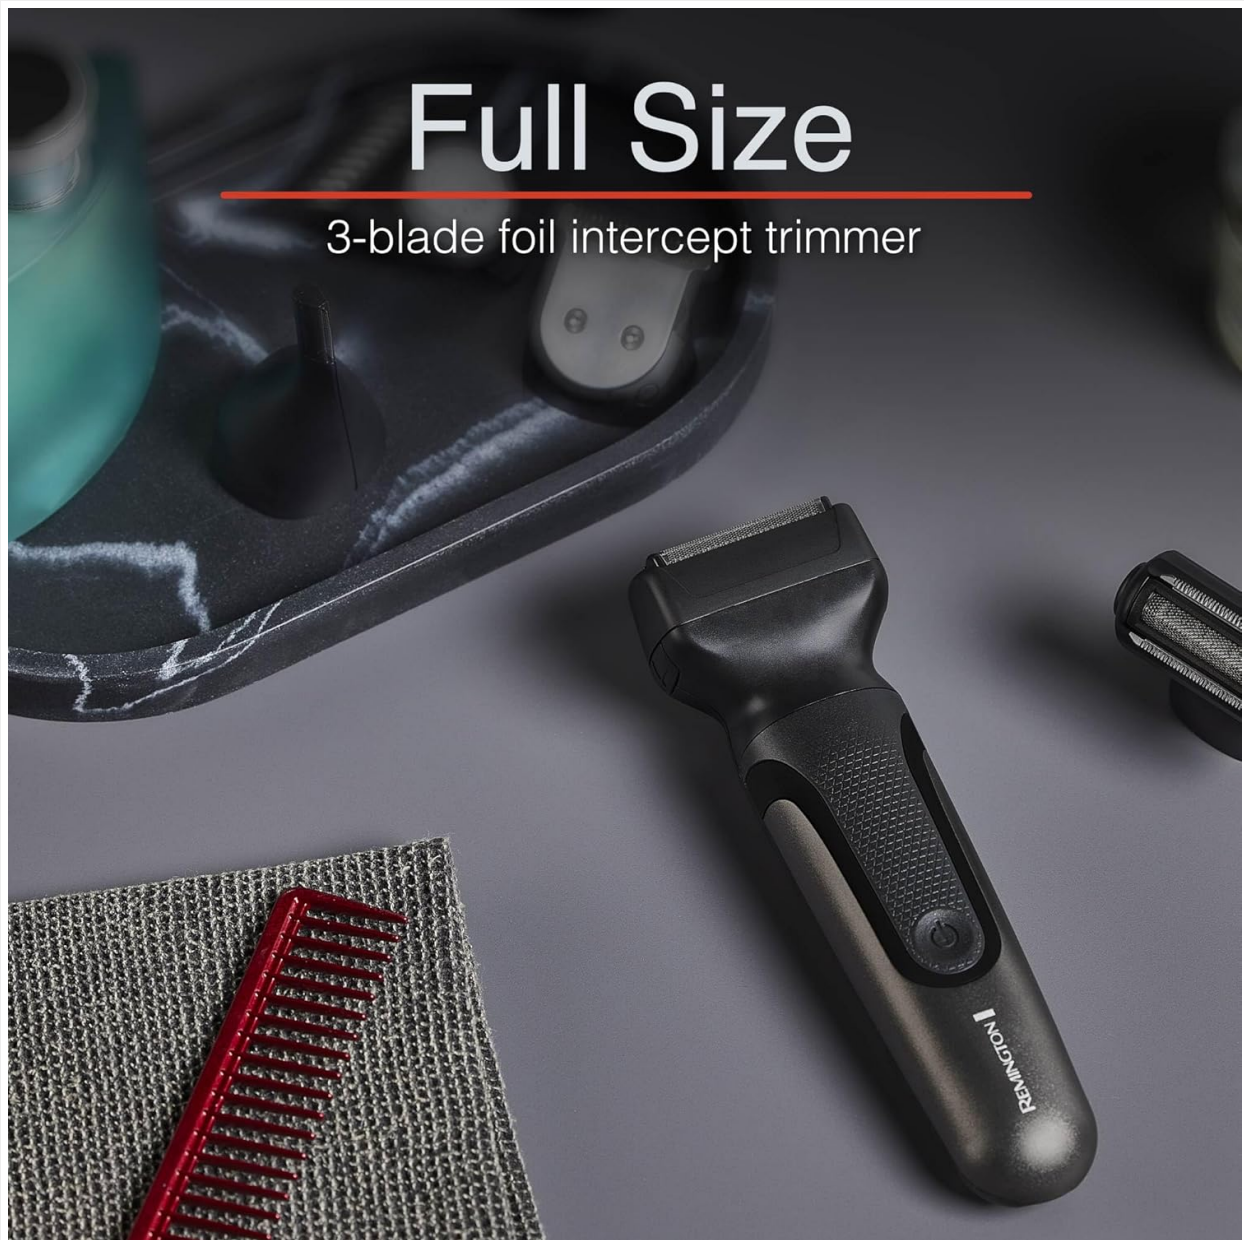

Image: A man using the foil shaver attachment on his cheek, demonstrating its use for facial hair removal.

Attach the full-size foil shaver head. For best results, ensure your skin is clean and dry. Shave against the direction of hair growth, using light pressure. The device can be used dry or with shave gel for a wet shave.

### Using the T-Blade Trimmer:

# T-Shaped Trimmer Head

wider for 20% more coverage

20% wider vs. standard Remington groomer based on blade size x cutting rate (PG3000)

Image: A close-up view of the 38mm T-Blade trimmer head, highlighting its wider design for efficient trimming.

Attach the T-Blade trimmer head. For beard or hair trimming, select an adjustable comb (1mm-5mm) or use the blade directly for precise lines. Trim slowly in multiple directions, ensuring to clean hair from the blade frequently for optimal performance.

## Using the Body Hair Trimmer:

# Body Hair Trimmer

3 dual-sided combs for body hair

Image: A man using the body hair trimmer attachment on his chest, illustrating its application for body grooming.

Attach the body hair trimmer head. Use one of the three fixed combs (1mm, 3mm, 5mm) for comfortable trimming. Stretch the skin and trim slowly with light pressure, moving against the direction of hair growth.

**Using the Nose, Ear, and Eyebrow Trimmer:**

# Vertical Trimmer

---

nose, ear & eyebrow

Image: A close-up view of the vertical trimmer head, designed for safely trimming nose, ear, and eyebrow hairs.

Attach the vertical trimmer head. Gently insert the trimmer into the nostril or ear canal, or carefully guide it over eyebrows to remove unwanted hair. Use the dual-sided comb for eyebrow shaping if desired.

## CHARGING

---

# Lithium Battery

---

up to 60 minutes cordless run time

Image: Hands connecting the USB-C charging cable to the Remington ONE Multi-Tool, with the three LED battery indicator lights illuminated.

The Remington ONE Multi-Tool is equipped with a lithium battery. A full charge takes approximately 2 hours and provides up to 60 minutes of cordless runtime. A 5-minute quick charge can provide enough power for a single use. Connect the USB-C cable to the device and a compatible power source. The LED indicators will show the charging status.

## **CLEANING AND MAINTENANCE**

---

# 100% Waterproof

use wet or dry, and easy to rinse clean

Image: The Remington ONE Multi-Tool being rinsed under running water, demonstrating its 100% waterproof feature for easy cleaning.

The device is 100% waterproof, allowing for easy cleaning. After each use, remove the attachment head and rinse it under warm running water. You can also rinse the main body. Ensure all parts are completely dry before reattaching or storing. Regularly clean hair from blades and combs to maintain optimal performance. Do not use harsh chemicals or abrasive cleaners.

## TROUBLESHOOTING

---

- **Device not turning on:** Ensure the device is fully charged. If the battery is low, connect it to the charger.
- **Poor trimming/shaving performance:** Clean the attachment heads thoroughly to remove any trapped hair or debris. Ensure the blades are not dull or damaged.
- **Attachments not fitting securely:** Verify that the attachment is correctly aligned with the main body and pressed firmly until it clicks.
- **Irritation during use:** Ensure you are using the correct attachment and technique for your hair type and skin sensitivity. Trim dry, product-free hair in the direction of growth, and use light pressure.

## SPECIFICATIONS

---

- **Model Number:** SFG2039
- **Power Source:** Battery Powered (Lithium-ion)
- **Runtime:** Up to 60 minutes cordless
