HoMedics FB-510H

HoMedics Smart Space Elite Footbath

User Manual

INTRODUCTION

Thank you for purchasing the HoMedics Smart Space Elite Footbath. This innovative footbath is designed to provide a relaxing and invigorating foot massage experience with its collapsible design, heat boost function, and bubble massage. Its compact form factor allows for easy storage, making it a perfect addition to any home spa routine. Please read this manual thoroughly before use to ensure safe and proper operation.

IMPORTANT SAFETY INFORMATION

When using electrical products, especially when children are present, basic safety precautions should always be followed, including the following:

- Always unplug the appliance from the electrical outlet immediately after using and before cleaning.
- Do not reach for an appliance that has fallen into water. Unplug it immediately.
- Do not use while bathing or in a shower.
- Do not place or store appliance where it can fall or be pulled into a tub or sink.
- Do not place in or drop into water or other liquid.
- Close supervision is necessary when this appliance is used by, on, or near children, invalids, or disabled persons.
- Use this appliance only for its intended use as described in this manual. Do not use attachments not recommended by HoMedics.
- Never operate this appliance if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return it to a HoMedics Service Center for examination and repair.
- Keep cord away from heated surfaces.
- Never block the air openings of the appliance or place it on a soft surface, such as a bed or couch, where the air openings may be blocked. Keep air openings free of lint, hair, and the like.
- Never use while sleeping or drowsy.
- Never drop or insert any object into any opening.

- Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
- Do not stand on or in the footbath. Use only while seated.
- This appliance is designed for household use only.

PACKAGE CONTENTS

- 1 x HoMedics Smart Space Elite Footbath with Heat Boost
- 3 x Pedicure Attachments (Massager, Brush, Pumice)

SETUP

1. **Unpack:** Carefully remove the footbath from its packaging.
2. **Expand:** Place the footbath on a flat, stable surface. Gently pull up the sides to expand the footbath to its full size. Ensure the patented safety-lock system is engaged to prevent accidental collapsing during use.
3. **Fill with Water:** Fill the footbath with warm or cold water up to the indicated fill line. Do not overfill. The footbath is safe to use with bath salts.
4. **Connect Power:** Plug the power cord into a 120V AC household outlet.

EASY-STORAGE DESIGN

Image: Demonstrates the collapsible design of the foot spa, showing how it can be easily stored in a compact space.

OPERATING INSTRUCTIONS

1. **Power On:** Press the power button to turn on the footbath.
2. **Activate Bubbles:** The invigorating bubble massage will activate automatically upon power-on, providing a soothing sensation.
3. **Heat Boost:** The Heat Boost function will begin to warm the water to a comfortable temperature. This feature heats the water in minutes and helps maintain the temperature throughout your soak.
4. **Use Pedicure Attachments:** The footbath includes three pedicure attachments: a massager, a brush, and a pumice stone. These can be stored in the built-in compartment. To use, simply attach the desired tool to the central post in the footbath and gently rub your feet against it.
5. **Ergonomic Footbed:** Rest your feet on the ergonomic footbed, which features massaging bristles for added comfort and stimulation.
6. **Add Bath Salts:** For an enhanced experience, you may add your favorite bath salts to the water.

7. **Power Off:** When finished, press the power button again to turn off the footbath and unplug it from the outlet.

3 attachments

MAINTENANCE AND CLEANING

1. **Drain Water:** After each use, unplug the footbath and carefully pour out the water.
2. **Clean Surfaces:** Wipe down the internal and external surfaces with a soft, damp cloth. Do not use abrasive cleaners or harsh chemicals.
3. **Rinse Attachments:** Rinse the pedicure attachments under running water and allow them to air dry.
4. **Storage:** Once completely dry, collapse the footbath for compact storage. Store in a cool, dry place. Do not wrap the power cord around the appliance.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Footbath does not turn on.	Not plugged in; Power outlet not working; Unit damaged.	Ensure power cord is securely plugged into a working outlet. Try a different outlet. If still not working, contact customer support.
Bubbles are weak or absent.	Water level too high; Air vents blocked.	Ensure water level is not above the maximum fill line. Check for any obstructions in the air vents at the bottom of the footbath.
Water is not heating up.	Heat Boost not activated; Malfunction.	Ensure the footbath has been on for a few minutes as heating takes time. If the issue persists, contact customer support.
Footbath collapses during use.	Safety-lock system not engaged.	Ensure the footbath is fully expanded and the patented safety-lock system is securely engaged before filling with water and using.
