TOPTRO X9

TOPTRO X9 4K Projector User Manual

Model: X9

1. INTRODUCTION

Thank you for choosing the TOPTRO X9 4K Projector. This manual provides essential information for setting up, operating, and maintaining your device. Please read it thoroughly before use to ensure optimal performance and longevity of your projector.

The TOPTRO X9 is an advanced 4K-supported projector featuring 1500 ANSI lumens brightness, official Netflix certification, AI-powered auto-focus and keystone correction, Dolby Audio with 36W exposed speakers, WiFi6, and Bluetooth 5.2 connectivity. It is designed to deliver a superior home cinema experience.

2. PACKAGE CONTENTS

Ensure all items are present in the package:

- TOPTRO X9 Projector
- Remote Control
- Power Cord
- HDMI Cable
- User Manual
- Lens Cover
- Cleaning Kit
- Quick Start Guide

3. SETUP

3.1 Initial Power On and Network Connection

1. Connect the power cord to the projector and a power outlet.

2. Press the power button on the projector or remote control to turn on the device.

3. On the projector's main interface, navigate to **Settings**.

4. Select **Network** and enable **Internet Connection**.

5. Choose your Wi-Fi network from the list and enter the password to connect.

3.2 Physical Installation

The TOPTRO X9 offers flexible installation options:

- **Tabletop Placement:** Place the projector on a stable, flat surface.
- **Tripod Mounting:** The projector has M5 screw holes on the bottom for tripod attachment.
- **Ceiling/Wall Mounting:** For ceiling or wall mounting, remove the dust film from the top of the projector to access the M5 screw holes for a compatible mount (mount sold separately).

Ensure the projection path is clear of obstacles for optimal image quality.

4. OPERATING INSTRUCTIONS

4.1 AI Auto-Adjustment Features

The TOPTRO X9 features an enhanced AI system for automatic image adjustments:

- **AI Auto Focus:** The projector automatically adjusts the image clarity for a sharp picture.
- **AI Auto Keystone Correction:** The image is automatically squared, correcting for angled projections.
- **Obstacle Avoidance:** The projector detects and adjusts the image to avoid objects in the projection path.
- **Auto Screen Alignment:** The image automatically aligns with the edges of your projection screen.

These features ensure an optimal rectangular and clear projection without manual adjustments, even when the projector is moved.

4.2 Streaming and Applications

The TOPTRO X9 comes with officially certified streaming applications pre-installed:

- Access certified apps like Netflix, Disney+, YouTube, and Prime Video directly from the main interface.
- The intelligent system is regularly updated for smooth and stable performance.
- Customize your entertainment experience via the App Store, browser, or "My Apps" section.

4.3 Screen Mirroring (Screencast)

The projector supports screen mirroring from mobile devices and laptops.

1. Ensure your mobile device/laptop and the projector are connected to the same Wi-Fi network.
2. On the projector's main interface, navigate to **My Applications**.
3. Select **ScreenShare** for iOS devices or **Screencast** for Android devices and Windows laptops.
4. On your mobile device (iOS/Android) or laptop (Windows), activate the screen mirroring function (e.g., "Screen Mirroring" on iOS, "Screencast" or "Cast" on Android, "Connect to a wireless display" on Windows).
5. Select "X9" from the list of available devices to initiate mirroring.

Note: Due to copyright restrictions, some streaming services (e.g., Hulu, Disney+) may not allow wireless mirroring or screencasting.

4.4 Zoom Function

The TOPTRO X9 features a 50-100% zoom function, allowing you to adjust the image size without moving the projector. This is accessible through the projector's settings menu.

5. KEY FEATURES

- **High Brightness & 4K Support:** Experience exceptional clarity with 1500 ANSI lumens and 4K resolution support. The RGB tri-laser technology and 10-bit image processing deliver vibrant colors and high contrast, even in well-lit environments.

- **Immersive Dolby Audio:** The projector integrates 2*18W exposed speakers with Dolby Audio technology. This design effectively reduces cabinet resonance, providing a natural and open sound field with rich nuances and dynamic range for an enveloping 3D stereo experience.

- **Official Netflix & Integrated Apps:** Enjoy direct access to certified streaming apps like Netflix, Disney+, YouTube, and Prime Video without external devices. The regularly updated smart system ensures fluidity and stability.

- **Advanced AI Auto-Adjustment:** Benefit from AI auto-focus, auto keystone correction, obstacle avoidance, and auto screen alignment for a perfectly clear and rectangular image instantly, regardless of projector placement.

- **Seamless Connectivity:** Equipped with WiFi6 for lag-free wireless video streaming from your smartphone and bi-directional Bluetooth 5.2. Connect external speakers/headphones or use the projector as a standalone Bluetooth speaker.

- **Wide Compatibility:** Features HDMI ARC/CEC, USB, and 3.5mm audio ports for easy connection to iOS/Android devices, laptops, Pads, PS5, Switch, and other media players.

7. MAINTENANCE

To ensure the longevity and optimal performance of your TOPTRO X9 projector, follow these maintenance

guidelines:

- **Lens Cleaning:** Use the provided cleaning kit or a soft, lint-free cloth to gently clean the projector lens. Avoid abrasive materials or harsh chemicals.
- **Dust Removal:** Regularly clean the projector's exterior to prevent dust accumulation. Ensure ventilation openings are clear to prevent overheating.
- **Storage:** When not in use for extended periods, store the projector in a cool, dry place, protected from dust and direct sunlight. Use the lens cover to protect the lens.

8. TROUBLESHOOTING

For common issues or technical difficulties, please refer to the troubleshooting section in the full user manual included with your product. If you require further assistance, please contact TOPTRO customer support.

9. WARRANTY AND SUPPORT

TOPTRO offers a **3-year manufacturer's warranty** for the X9 projector, along with **lifetime professional technical support**.

If you have any questions or encounter issues with your TOPTRO X9 projector, please consult the customer service information provided in the user manual. Our professional team is dedicated to providing prompt and effective solutions to ensure your satisfaction.
