

EUQQ YYK-Q10

EUQQ Wireless Earbuds User Manual

Model: YYK-Q10

Brand: EUQQ

1. INTRODUCTION

Welcome to the user manual for your EUQQ Wireless Earbuds. These earbuds are designed to provide a high-quality audio experience with advanced features for various activities. Please read this manual carefully to ensure proper use and maintenance of your device.

2. WHAT'S IN THE BOX

- 2 x Bluetooth 5.4 Earbuds
- 1 x Charging Case
- 1 x Charging Cable (Type-C)
- 3 x S/M/L Ear Caps
- 1 x User Manual

Enjoy Your Sound Music Anytime, Anywhere

3. SETUP

3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided USB-C cable to the charging port on the case and a power source. The LED display on the case will show the battery percentage. A full charge takes approximately 1 hour for the earbuds.

 **1 Hr** Fast Charge

Over 90 Hrs Standby Time

Always keep track of the remaining battery level of the earphones and be prepared at all times

3.2 Pairing with Your Device

The earbuds feature one-step pairing for convenience.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
3. Select "YYK-Q10" from the list of available devices to connect.
4. Once connected, the earbuds will automatically reconnect to your device when taken out of the case for future use.

4. OPERATING THE EARBUDS

4.1 Touch Controls

The earbuds feature intuitive touch controls for easy management of your audio and calls.

- **Click MFB button:** Play/Pause music.
- **Double-click left/right MFB buttons:** Next/Previous track.

- **Click MFB button:** Answer/End call.
- **Long press MFB button:** Reject call.
- **Press and hold right MFB button for 2 seconds:** Activate voice assistant (Siri).
- **Press and hold left MFB button for 2 seconds:** Switch to ANC mode.

4.2 Noise Control Modes

The earbuds offer three distinct modes to adapt to different listening environments:

- **Active Noise Cancellation (ANC):** Effectively blocks external noise, creating a quiet space for immersive listening.
- **Normal Mode:** Standard audio playback without active noise cancellation or transparency.
- **Transparency Mode:** Allows you to hear your surrounding environment clearly, enhancing safety and situational awareness.

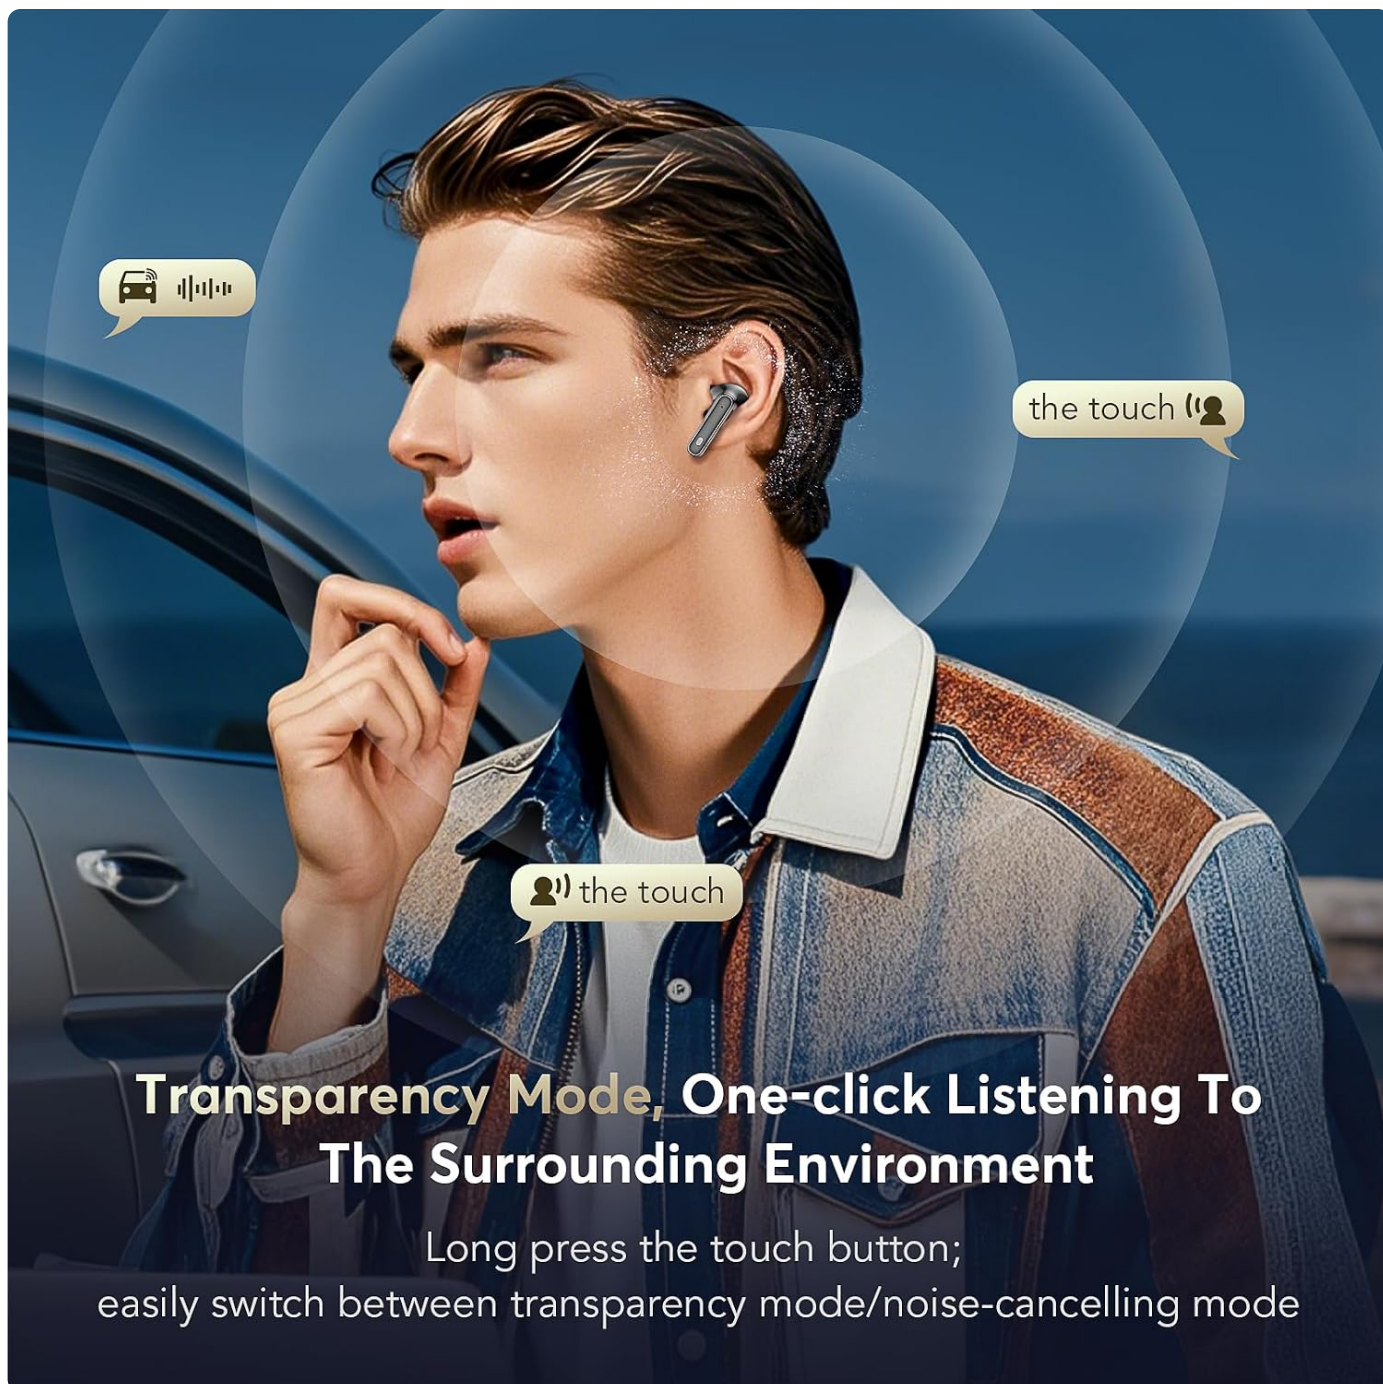

Image: A visual depiction of the Transparency Mode, showing sound waves passing through the earbuds, indicating that users can hear their surrounding environment while wearing them.

ANC+ENC Noise Cancellation

Dual noise reduction technology effectively blocks 99.55% of external noise, creating a quiet space for enjoying music and making calls as clear as face-to-face conversations.

Image: An illustration demonstrating the dual ANC and CVC noise-cancelling technology, highlighting a 48dB deep noise reduction and the three available modes: Active Noise Cancellation, Normal mode, and Transparency mode.

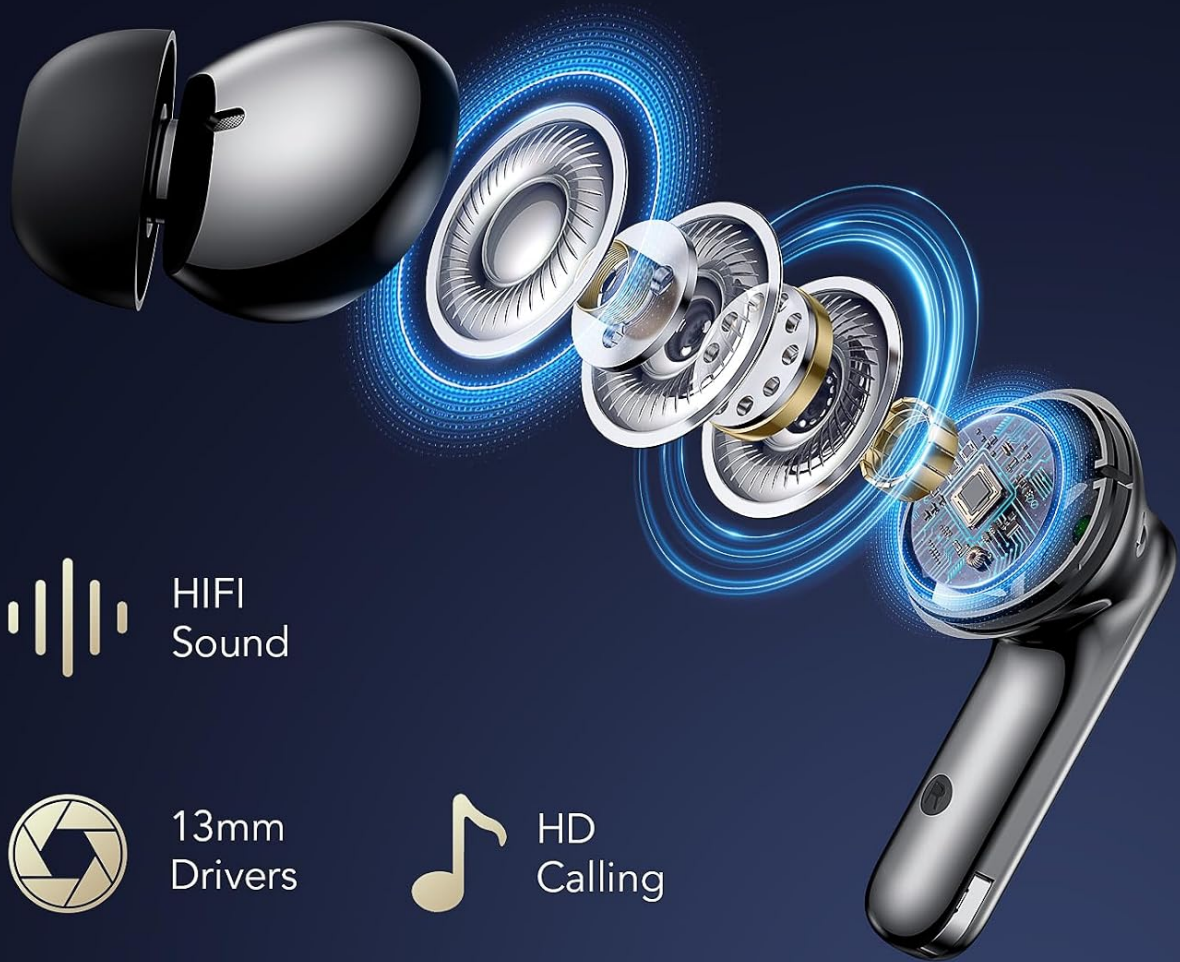

5. KEY FEATURES

5.1 Hi-Fi Sound Quality with Deep Bass

Experience extraordinary audio with dual 13.0mm low-distortion composite dynamic drivers and an integrated high-resolution decoder. Built-in 360° stereo bass technology further intensifies the bass, delivering rich and balanced sound at any volume.

Lossless HiFi Sound Quality

13mm Drivers & Volume-optimized active EQ keep audio clear and balanced at any volume

Material	Plastic
Item Weight	0.12 Kilograms (4.2 ounces)
UPC	713129397226

7. MAINTENANCE

To ensure the longevity and optimal performance of your EUQQ Wireless Earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Ear Tips:** Remove and clean the ear tips periodically. Ensure they are completely dry before reattaching.
- **Charging Ports:** Keep the charging ports free of dust and debris. Use a dry cotton swab if necessary.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place.
- **Water Exposure:** While IPX7 waterproof, avoid prolonged submersion in water. Dry thoroughly if exposed to sweat or splashes.

8. TROUBLESHOOTING

If you encounter any issues with your earbuds, please refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are in the charging case, then open the lid to activate pairing mode. Check your device's Bluetooth settings to ensure it's discoverable and select "YYK-Q10".
- **No sound from one earbud:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then open it again. This often resets the connection.
- **Charging issues:** Ensure the charging cable is securely connected to both the case and the power source. Check for any debris in the charging port.
- **Poor sound quality:** Ensure the earbuds are clean and the ear tips provide a good seal in your ear. Check your device's audio settings.

- **Intermittent connection:** Ensure your device is within the 15-meter Bluetooth range and there are no significant obstructions.

If the problem persists, please contact customer support for further assistance.

9. WARRANTY AND SUPPORT

Your EUQQ Wireless Earbuds come with a 365-day warranty from the date of purchase. We are committed to providing excellent customer service.

- **24 Hours After-sales Service:** For any issues or inquiries, please click on your order and contact EUQQ. We aim to provide satisfactory solutions as soon as possible.
- **Warranty Claims:** If a problem is not solved, we will provide you with a full refund or a new replacement.

Do You Need Help?

24 Hours After-sales Service

No matter what problems you encounter, please click the order and contact EUQQ, we will provide you with satisfactory solutions ASAP!

365 Days Warranty Is Provided

If the problem is not solved, we will provide you with a full refund or a new replacement! We apologize for the inconvenience caused to your order and would greatly appreciate it if you could give us a second chance.
