

YITAHOME MAYIHqt5R

YITAHOME Makeup Vanity Table Set User Manual

Model: MAYIHqt5R

INTRODUCTION

Thank you for choosing the YITAHOME Makeup Vanity Table Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity set. Please read it thoroughly before beginning assembly or use, and retain it for future reference.

SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in injury or damage to the product.

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not place heavy objects on the surface of the vanity or inside the drawers beyond their intended capacity.
- Keep electrical components (mirror lights, power outlets) away from water or excessive moisture.
- Avoid direct sunlight exposure to prevent material degradation and color fading.
- Keep small parts and packaging materials away from children to prevent choking hazards.

COMPONENTS LIST

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Vanity Table Frame (Engineered Wood)
- Large LED Mirror with Integrated Lighting
- Cushioned Stool (Plastic Seat Material)
- 4 Storage Drawers
- Power Outlets (Integrated)
- Assembly Hardware (Screws, dowels, etc.)

SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended to have two people for assembly to ensure stability and ease of

handling. Please follow the steps below carefully.

Image: Fully assembled YITAHOME Makeup Vanity Table Set, showcasing the LED mirror, integrated power outlets, four drawers, and the cushioned stool.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided parts list.
2. **Assemble Vanity Frame:** Begin by assembling the main vanity table frame according to the diagrams. Secure all panels and supports using the provided screws and dowels. Ensure all connections are firm.
3. **Install Drawers:** Assemble the four drawers. Insert the drawer slides into the vanity frame, then carefully slide the assembled drawers into their respective compartments. Ensure they glide smoothly.
4. **Attach LED Mirror:** Securely attach the LED mirror to the top of the vanity table. Connect any necessary wiring for the LED lights and power outlets as indicated in the specific wiring diagram (if applicable).
5. **Assemble Stool:** Assemble the cushioned stool by attaching the legs to the seat base. Ensure all fasteners are tight.

6. **Final Check:** Once assembly is complete, gently move the vanity to its desired location. Verify that all connections are secure and the unit is stable. Plug in the power cord for the mirror and outlets.

OPERATING INSTRUCTIONS

LED Mirror Lighting

The large LED mirror features integrated lighting with three color modes for optimal illumination during makeup application.

- **Power On/Off:** Locate the touch sensor on the mirror surface. Tap once to turn the lights on or off.
- **Change Color Mode:** With the lights on, tap the touch sensor repeatedly to cycle through the three available color lighting modes (e.g., cool white, natural daylight, warm yellow).
- **Adjust Brightness:** To adjust brightness, press and hold the touch sensor. The brightness will gradually increase or decrease. Release when the desired brightness level is reached.

Integrated Power Outlets

The vanity includes built-in power outlets for convenient access to charge devices or power styling tools.

- Ensure the vanity's main power cord is securely plugged into a functional wall outlet.
- Insert your device's plug into the integrated power outlets.
- *Note:* Do not overload the outlets. Refer to the product specifications for maximum wattage capacity.

Drawer Usage

The four drawers provide ample storage for cosmetics, accessories, and other personal items.

- Gently pull the golden handles to open the drawers.
- Push firmly to close the drawers completely.
- Avoid forcing drawers if they feel stuck; check for obstructions.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your YITAHOME Makeup Vanity Table Set.

- **Cleaning:** Clean surfaces with a soft, damp cloth and mild soap. Avoid harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the engineered wood.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which can cause fading or warping of materials.
- **Weight Distribution:** Do not place excessively heavy objects on the vanity surface or in drawers. Distribute weight evenly.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror, especially near the LED components.

TROUBLESHOOTING

If you encounter issues with your vanity set, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
LED Mirror Lights Not Working	Not plugged in or loose connection. Power outlet issue. Touch sensor malfunction.	Ensure the vanity's power cord is securely plugged into a working wall outlet. Check if the wall outlet is functional by plugging in another device. Try tapping and holding the touch sensor for a few seconds. If still unresponsive, contact customer support.
Drawers Do Not Close Smoothly or Are Stuck	Obstruction inside the drawer or slide. Improper drawer assembly or alignment. Overloaded drawer.	Remove all contents and check for any items blocking the drawer's path. Verify that the drawer slides are correctly installed and aligned. Re-assemble if necessary. Reduce the weight or volume of items stored in the drawer.
Vanity Feels Unstable/Wobbly	Loose assembly screws. Uneven floor surface.	Check and re-tighten all assembly screws and fasteners. Place the vanity on a level surface. Use shims if necessary to stabilize.
