SETUP AND ASSEMBLY

Assembly typically requires one person and a screwdriver. Follow the numbered steps in the included instruction manual for best results. It is recommended to keep screws loose until all parts are aligned, then tighten securely.

Assembly Tips:

- Clear a spacious area for assembly.
- Identify all parts and hardware using the provided list and diagrams.
- Do not overtighten screws to avoid damaging the wood panels.
- The desk can be configured with the file drawer and printer cabinet on either the left or right side. Decide your preferred orientation before starting.
