## 2. Safety Information

---

To ensure safe use of your desk, please observe the following:

- Keep all assembly hardware out of reach of children.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the desk. Refer to the 'Specifications' section for maximum weight capacity.
- Avoid placing hot items directly on the desktop surface without protective padding.
- Use caution when moving the desk, especially on uneven surfaces, to prevent tipping or damage.

## 3. Package Contents

---

Verify that all components listed below are present before beginning assembly. If any parts are missing or

damaged, please contact customer support.

- Desktop Panel (Engineered Wood, Rustic Brown)
- Side Frames (Metal, Black)
- Cross Bars (Metal, Black)
- Bottom Shelf (Engineered Wood, Rustic Brown)
- Casters with Brakes (4 units)
- Assembly Hardware (Screws, Allen Wrench)
- Instruction Manual

## 4. Setup and Assembly

---

Assembly is designed to be straightforward and typically takes approximately 15 minutes. All necessary hardware and tools are included.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts against the package contents list.
2. **Assemble Side Frames:** Attach the horizontal crossbars to the vertical side frames using the provided screws and Allen wrench. Ensure all connections are snug but do not overtighten initially.
3. **Attach Bottom Shelf:** Secure the bottom shelf to the designated metal supports on one of the side frames. Note that the shelf can be installed on either the left or right side to suit your preference.
4. **Install Casters:** Screw the four casters into the bottom of the desk legs. Ensure they are securely fastened. Each caster includes a locking mechanism for stability.
5. **Attach Desktop:** Carefully place the desktop panel onto the assembled frame, aligning the pre-drilled holes. Secure the desktop using the remaining screws.
6. **Final Tightening:** Once all components are in place, systematically tighten all screws to ensure the desk is stable and secure.

## 5. Operating and Usage

The Mericonia Rolling Computer Desk is designed for versatility and convenience.

- **Mobility:** The desk is equipped with four casters that allow for easy movement across various floor types without scratching. This feature enables you to relocate your workspace as needed.
- **Stability:** Each caster includes a one-touch locking system. Engage the brakes on all four casters to prevent unintended movement and ensure a stable work surface.
- **Storage:** The integrated bottom shelf provides additional space for books, documents, or small office supplies, helping to keep your desktop clear and organized.
- **Versatile Applications:** This desk is suitable for various uses, including a home office desk, study table, gaming station, or a compact writing surface in small spaces.

## 6. Maintenance

Proper care will extend the life and appearance of your Mericonia desk:

- **Cleaning:** The desktop is water-resistant and easy to clean. Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Frame Care:** The powder-coated steel frame is durable. Clean with a soft cloth and mild detergent if necessary.
- **Regular Checks:** Periodically inspect all screws and connections to ensure they remain tight. Retighten as needed to maintain stability.

## 7. Troubleshooting

If you encounter any issues with your desk, please refer to the following common solutions:

- **Desk is Unstable/Wobbly:** Ensure all screws are fully tightened. Check that the casters are properly installed and locked. If on an uneven floor, adjust the leveling feet (if applicable) or reposition the desk.
- **Casters Not Rolling Smoothly:** Check for any debris or obstructions in the caster wheels. Ensure the locking mechanism is disengaged.
- **Missing Parts:** If any parts were missing upon delivery, please contact Mericonia customer support with your product model number and a description of the missing part.
