GRV D3

GRV Smartwatch D3 User Manual

Model: D3 | Brand: GRV

1. INTRODUCTION

Thank you for choosing the GRV Smartwatch D3. This manual provides detailed instructions on how to set up, operate, and maintain your new smartwatch. Please read this manual thoroughly before using the device to ensure proper functionality and to maximize your user experience.

Image: The GRV Smartwatch D3, featuring a sleek black design and a vibrant display showing steps, heart rate, battery, time, and weather.

2. SAFETY INFORMATION

Please observe the following safety precautions to prevent damage to your device or personal injury:

- Do not expose the device to extreme temperatures (hot or cold).
- Avoid using the device in high-pressure water environments, such as hot springs, saunas, or baths, despite its IP68 rating.
- Keep the device away from strong magnetic fields.
- Do not attempt to disassemble, repair, or modify the device yourself.
- Use only the provided charging cable.

3. PACKAGE CONTENTS

Ensure all items are present in the package:

- GRV Smartwatch D3
- Magnetic Charging Cable
- User Manual

4. PRODUCT OVERVIEW

The GRV Smartwatch D3 features a 1.83-inch HD full-touch screen, offering a clear and responsive interface. Its lightweight and slim design ensures comfort for all-day wear.

- **Battery Capacity:** 300mAh
- **Charging Time:** Approx. 2 hours
- **Typical Usage:** 3-5 days
- **Standby Time:** Approx. 30 days

5.2 App Installation and Pairing

The dedicated app for your smartwatch is 'GloryFit'. You can download it from the Google Play Store or Apple App Store. The smartwatch is compatible with smartphones running iOS 9.0/Android 5.0 or higher.

Image: A step-by-step guide to pairing the GRV Smartwatch D3 with a smartphone using the GloryFit app, including app download, account registration, device selection, search, pairing request, and Bluetooth confirmation.

1. Download the 'GloryFit' app from the App Store or Google Play.
2. Register an account if you are a new user.
3. In the app, go to 'GloryFit' > 'Device' > 'Select Smartwatch'.
4. Search for 'D3' and connect.
5. Allow pairing requests and notification permissions.
6. Confirm successful connection in your phone's Bluetooth settings.

Note: Not compatible with tablets, PCs, or basic feature phones.

6. OPERATING INSTRUCTIONS

6.1 Bluetooth Call Function

The GRV Smartwatch D3 allows you to make and receive calls directly from your wrist, and view call history. This feature is especially convenient when your phone is not immediately accessible.

1.83インチ高精細画面

3つのメニューモードを切り替え可能

Image: A user interacting with the GRV Smartwatch D3 to manage calls and view notifications from various social media and messaging apps.

To enable the call function:

1. On your smartwatch, enable the call function.
2. Confirm that your smartphone's Bluetooth settings show the smartwatch as connected for calls.

3. Once confirmed, you can make and receive calls directly from the watch.

6.2 Message Notifications

Receive notifications from various applications directly on your smartwatch. The watch will vibrate to alert you of incoming messages.

Image: A visual guide showing how to set up message notifications for apps like LINE, Instagram, Facebook, and others on the GRV Smartwatch D3 through smartphone settings and the dedicated app.

To set up notifications:

1. In your smartphone's settings, allow notifications for the GloryFit app.
2. In your smartphone's Bluetooth settings, enable 'System Notifications' for the smartwatch.
3. Within the GloryFit app, go to 'App Notifications' and select the apps you wish to receive notifications from (e.g., LINE, X, Facebook).

Note: The watch does not support replying to messages.

6.3 Customizing Watch Faces

Personalize your smartwatch with over 200 available watch faces. You can also upload your favorite photos to create custom DIY watch faces.

- **Weather Forecast:** Get real-time weather updates.
- **Stopwatch & Timer:** For precise timekeeping.
- **Alarm Clock:** Set reminders and wake-up calls.
- **Music Control:** Manage music playback on your smartphone.
- **Voice Assistant:** Interact with your device using voice commands.
- **Find Phone:** Locate your misplaced smartphone.
- **Remote Camera:** Control your phone's camera remotely.
- **Flashlight:** Use the screen as a light source.
- **Calculator:** Perform basic calculations.
- **Mini-games:** Enjoy simple games on your wrist.
- **Multi-language Support:** Supports various languages.

7. MAINTENANCE

7.1 Water Resistance (IP68)

The GRV Smartwatch D3 has an IP68 waterproof rating, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. This allows for safe use during daily hand washing, rain, or light sweating.

IP68生活防水

日常生活の手洗いや洗顔の際はもちろん、
夏に汗だくのトレーニングにも気にせず
使用OK です。

Image: The GRV Smartwatch D3 being splashed with water, illustrating its IP68 water resistance for daily activities like

hand washing and use in rain or sweat.

Important Note: To maintain the waterproof integrity, avoid exposing the watch to hot water, steam, or high-pressure water jets. This includes baths, saunas, hot springs, or showering with the watch on, as high temperatures and pressure can compromise the seals.

7.2 Cleaning

Regularly clean your smartwatch and strap to ensure hygiene and prolong its lifespan. Use a soft, dry cloth to wipe the screen and body. For the strap, you can use a slightly damp cloth and then dry it thoroughly. Avoid using harsh chemicals or abrasive materials.

8. TROUBLESHOOTING

If you encounter issues with your smartwatch, try the following solutions:

Problem	Solution
Cannot pair with smartphone	• Reinstall the GloryFit app. • Clear all previous Bluetooth records for the watch on your phone. • Turn Bluetooth off and on again on your phone. • Reset the smartwatch settings. • Try pairing again within 10 meters of your phone.
Notifications not received	• Ensure the GloryFit app is running in the background. • Check notification permissions for the app in your phone's settings. • Verify that 'System Notifications' are enabled for the watch in Bluetooth settings. • Confirm specific app notifications are enabled within the GloryFit app.
Short battery life	• Reduce screen brightness. • Disable continuous heart rate monitoring if not needed. • Limit the number of active notifications. • Ensure the watch is fully charged (approx. 2 hours).
