OPERATING AND DISPLAY

The Izakaya Shop model features a foldable design, allowing for two distinct display configurations: a compact, closed shop front, and an open, expanded view that reveals the interior details. This flexibility allows you to choose how to best showcase your completed model.

This visual guide illustrates how the Izakaya Shop model can be configured in two ways: a compact, closed shop front, and an open, expanded view revealing the interior details.

MAINTENANCE

To maintain the appearance and integrity of your building block model, follow these guidelines:

- **Cleaning:** Use a soft, dry cloth or a small brush to gently remove dust from the model. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully to avoid dislodging small pieces.

TROUBLESHOOTING

If you encounter any issues during assembly or with the product, consider the following:

- **Missing Pieces:** Double-check all packaging and sorting trays. If pieces are genuinely missing, contact customer support with details of the missing components.
- **Difficulty Assembling:** Refer to the instruction manual carefully. Ensure you are using the correct

pieces and orientation. The mini blocks require precision.

- **Loose Connections:** Ensure blocks are fully pressed together. If a connection remains loose, verify the correct block type is being used.
