ARTPOWER Modern Coffee Bar Cabinet Instruction Manual

MODEL: BBD9425B-3D21-4C19-9618-F2883145F028

For optimal use and longevity of your ARTPOWER cabinet.

Important Safety Information

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always keep hands and fingers away from the pull-out mechanisms to prevent injury.
- Be cautious when handling glass doors to avoid breakage.
- Ensure the cabinet is securely mounted to the wall to prevent tipping.
- Do not overload shelves or drawers. Distribute weight evenly.
- Keep small parts away from children during assembly.

Setup and Assembly

The ARTPOWER coffee bar cabinet is designed for user-friendly assembly. It comes with clear instructions and all necessary hardware. Each component is labeled for easy identification, simplifying the assembly process.

1. Unpacking and Preparation

- Carefully unpack all components from the packaging.
- Verify that all parts listed in the included hardware list are present.
- Place all components on a soft, clean surface to prevent scratches during assembly.

2. Assembly Steps

Follow the step-by-step instructions provided in the separate assembly guide included with your product. Ensure all screws and fasteners are tightened securely, but do not overtighten.

Care and Maintenance

Proper care will ensure the longevity and appearance of your ARTPOWER cabinet.

- **Cleaning:** Wipe the cabinet surfaces with a damp cloth in daily life. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Materials:** The cabinet is constructed from P2-grade MDF with tempered glass cabinet doors and supported by

sturdy metal legs. These materials are designed for long-term use.

- **Environmental Safety:** The cabinet features environmentally friendly, lead-free paint, ensuring it is safe and healthy for your home environment.
- **Glass Care:** For tempered glass doors, use a glass cleaner and a soft cloth to maintain clarity and prevent streaks.

Troubleshooting

If you encounter any issues with your ARTPOWER cabinet, refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all leg connections are tight. The legs are adjustable for uneven flooring; check and adjust as needed to achieve stability.
- **Drawer Not Smooth:** Check for any obstructions in the drawer slides. Ensure the drawer is correctly aligned on its tracks. If issues persist, re-check assembly of the drawer slides.
- **Door Alignment:** If a cabinet door appears to sag or is misaligned, check the hinge screws. Loosen slightly, adjust

the door position, and then re-tighten.

- **Missing Parts:** If any parts were missing during unpacking, contact customer support immediately with your purchase details.
