kudos KDVL15-BN-3 3-Light 18-inch Brushed Nickel Bathroom Vanity Light Fixture Instruction Manual

Model: KDVL15-BN-3

INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your kudos KDVL15-BN-3 3-Light 18-inch Brushed Nickel Bathroom Vanity Light Fixture. Please read all instructions carefully before beginning installation and retain this manual for future reference.

The kudos KDVL15-BN-3 is a modern vanity light fixture featuring a brushed nickel finish and dual glass shades, designed to enhance the aesthetic and illumination of your bathroom, hallway, living room, or dressing room.

SAFETY INFORMATION

- Always turn off the main power supply at the circuit breaker before installing, cleaning, or servicing the fixture.
- Consult a qualified electrician if you are unsure about the installation process.
- Use only the specified bulb type and wattage (E26 base, Max 60W per bulb).
- Do not connect the fixture to an ungrounded electrical system.
- Handle glass components with care to prevent breakage.
- Ensure all electrical connections are secure and comply with local electrical codes.

PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- 1 x 3-Light Bathroom Light Fixture (Brushed Nickel)
- Instruction Manual

- Mounting Hardware

SETUP (INSTALLATION)

Follow these steps to install your kudos vanity light fixture. For visual guidance, please refer to the official installation video provided below.

1. **Prepare for Installation:** Turn off the electricity at the main circuit breaker or fuse box. Ensure the power is off before proceeding.
2. **Remove Old Fixture (if applicable):** Carefully disconnect and remove any existing light fixture from the wall.
3. **Install Mounting Bracket:** Secure the provided mounting bracket to the junction box in the wall using the screws included in the hardware kit.
4. **Connect Wires:** Connect the fixture's wires to the corresponding household wires (black to

black, white to white, ground to ground) using the wire connectors. Ensure all connections are secure.

5. **Attach Fixture:** Carefully align the fixture with the mounting bracket and secure it in place with the provided screws. The fixture can be installed with the lights facing up or down according to your preference.
6. **Install Glass Shades:** Place the dual glass shades onto the fixture's sockets and secure them.
7. **Install Bulbs:** Screw E26 base bulbs (Max 60W, not included) into the sockets.
8. **Restore Power:** Turn the electricity back on at the main circuit breaker.

Video: Official installation guide for the kudos KDVL15 Bathroom Vanity Light. This video demonstrates the step-by-step process of mounting the fixture, connecting electrical wires, and assembling the glass shades and bulbs.

Image: This image illustrates the versatility of the fixture, showing it installed in both an uplight (shades facing upwards) and downlight (shades facing downwards) configuration above a bathroom mirror.

OPERATING INSTRUCTIONS

Once installed, operate the light fixture using your standard wall switch. The fixture is compatible with E26 base bulbs, allowing you to choose incandescent, CFL, or LED bulbs (Max 60W per bulb) to achieve your desired brightness and light color temperature. Bulbs are not included with the fixture.

Clear Glass and Frosted Glass

Image: The kudos KDVL15-BN-3 vanity light fixture is shown installed above a round bathroom mirror, providing ample illumination to the sink area.

MAINTENANCE

- **Cleaning:** To clean the fixture, ensure the power is off. Wipe the metal parts with a soft, dry cloth. For the glass shades, use a soft cloth dampened with a mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the finish.
- **Bulb Replacement:** Before replacing bulbs, turn off the power to the fixture and allow the bulbs

to cool completely. Unscrew the old E26 bulb and replace it with a new E26 bulb, ensuring it does not exceed the maximum 60W rating.

FAMILY SET

Black

Brushed Gold

MODEL: KDVL15-GD-3

Image: A close-up view of the dual glass shade, clearly showing the distinct layers of clear outer glass and frosted inner glass, which contribute to the diffused light output.

TROUBLESHOOTING

- **Light does not turn on:**

- Check that the power supply is on at the circuit breaker.
- Ensure the bulb is screwed in correctly and is not faulty.
- Verify that all wire connections are secure.

- **Light flickers:**

- Check the bulb for damage or loose connection.
- Ensure the fixture's wiring connections are tight.

WARRANTY AND SUPPORT

The kudos KDVL15-BN-3 light fixture comes with a limited warranty. For specific details regarding the warranty period and coverage, please refer to the documentation included with your purchase or contact kudos customer service.

As a professional manufacturer, kudos provides 24-hour customer service. If your brushed nickel vanity light is damaged due to logistics or if you encounter any quality problems, please feel free to contact us for assistance.
