**Nathan James 72504-2**

# Nathan James Paxton Boho Wood TV Stand with Doors, Dark Acacia (Set of 2)

MODEL: 72504-2

## Product Overview

The Nathan James Paxton Boho Wood TV Stand with Doors is a storage cabinet designed for living rooms or kitchens. This set includes two units, each featuring two arched doors with woven rattan details and an adjustable interior shelf. Constructed with wood veneer and solid wood legs, it provides storage for various items.

## Safety Information

- **Weight Limits:** Do not exceed the following weight limits: Cabinet top = 130 lbs, Top interior shelf = 30 lbs, Bottom interior shelf = 50 lbs. Exceeding these limits may cause damage or injury.
- **Stability:** Ensure proper installation with leveling floor protectors to maintain stability. It is recommended to secure the cabinet to a wall to prevent tipping, especially in households with children or pets.
- **Intended Use:** This product is designed for residential use. It is not recommended for commercial use.
- **Assembly:** Follow all assembly instructions carefully. Use the packaging carton as a working surface to prevent damage during assembly.

## Package Contents

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Assembly Guide
- Cabinet Panels (Top, Bottom, Sides, Back)

- Doors with Rattan Details (2 per unit)
- Adjustable Shelves (1 per unit)
- Hardware Pack (Screws, dowels, hinges, handles, leveling floor protectors)
- Pine wood/Rubberwood Legs

## Assembly Instructions

Assembly is required for this product. Please refer to the included Assembly Guide for detailed, step-by-step instructions. The estimated assembly time is approximately 120 minutes per unit. A Philips head screwdriver is required (not included).

1. **Preparation:** Clear a spacious area and lay out all components on the packaging carton to protect surfaces.
2. **Frame Assembly:** Follow the guide to assemble the main frame of each cabinet unit.
3. **Door Installation:** Attach the arched doors using the provided hinges. Ensure doors open and close smoothly.
4. **Shelf Placement:** Install the adjustable interior shelf at your desired height.
5. **Leg Attachment:** Secure the pine wood/rubberwood legs to the base of each cabinet.
6. **Leveling:** Attach the leveling floor protectors and adjust them to ensure the cabinet is stable and level on your floor.
7. **Joining Units (Optional):** If using as a set, position the two units side-by-side. Ensure they sit flush.

## Operating Instructions

The Paxton TV Stand with Doors is designed for functional storage and display.

- **Opening/Closing Doors:** Gently pull the handles to open the doors. Push firmly to close.
- **Adjusting Shelves:** The interior shelf can be adjusted to different heights to accommodate various items. Refer to the assembly guide for instructions on how to reposition the shelf supports.
- **Placement:** This cabinet is suitable for use in bedrooms, dining rooms, entryways, hallways, and living rooms. When placing electronic devices, ensure adequate ventilation.
- **Recommended Uses:** Ideal for storing art & crafts supplies, entertainment media, files & folders, or as a home bar or tea & coffee bar.

Figure 5: Two Paxton cabinets configured as a TV stand, demonstrating how multiple units can sit flush together.

## Maintenance

---

- **Cleaning:** Wipe surfaces with a soft, dry cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the wood veneer and rattan.
- **Spills:** Clean spills immediately with a damp cloth and dry thoroughly.
- **Rattan Care:** The faux rattan doors require minimal maintenance. Avoid excessive moisture or direct sunlight to preserve their appearance.
- **Inspection:** Periodically check all hardware and connections to ensure they remain tight. Retighten if necessary.

## Troubleshooting

- **Wobbly Cabinet:** Ensure the cabinet is placed on a flat, level surface. Adjust the leveling floor protectors on the legs until the cabinet is stable.
- **Doors Not Aligning:** Check that hinges are securely fastened and properly aligned. Minor adjustments can often be made to the hinges to correct door alignment.
- **Missing or Damaged Parts:** If you discover any missing or damaged components during assembly, do not proceed. Contact Nathan James customer support immediately for assistance.
- **Assembly Difficulties:** Review the assembly guide carefully. If you encounter persistent difficulties, consider seeking assistance from another person or contacting customer support.
