## 1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Jocoevol White 7-Drawer Fluted Dresser, Model C-0642. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

### Important Safety Information

To prevent serious injury, it is crucial to install the anti-tip kit provided with your dresser. Always secure the dresser to a wall using the anti-tip hardware. Never allow children to climb on or play with the dresser or its drawers. Heavy items should be placed in lower drawers to reduce the risk of tipping.

### General Assembly Tips:

- Unpack all components and verify against the parts list.
- Work on a soft, clean surface to prevent scratches.
- Ensure all screws are tightened securely, but do not overtighten.

- For optimal alignment, carefully follow the pre-drilled holes.
- Two people are recommended for assembly due to the dresser's weight and size.

### 3. OPERATING INSTRUCTIONS

The Jocoevol 7-Drawer Fluted Dresser is designed for ample storage and easy access. It features seven spacious sliding drawers with metal handles for smooth operation.

#### Drawer Usage:

- **Opening/Closing Drawers:** Gently pull or push the metal handles to open and close the drawers. The high-quality metal glides ensure smooth and quiet movement.
- **Storage Capacity:** The varied drawer sizes allow for organized storage of various items such as clothing, socks, cosmetics, and other personal belongings.
- **Top Surface:** The wide top surface can be used to display decorative items, photos, mirrors, plants, or lamps, helping to keep your space organized and clutter-free.

## 4. MAINTENANCE & CARE

---

Proper care will ensure the longevity and appearance of your Jocoevol dresser.

### Cleaning Instructions:

- **Surface Cleaning:** The thickened top is waterproof and easy to clean. Use a soft, damp cloth to wipe down surfaces. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the engineered wood.
- **Dusting:** Regularly dust with a soft, dry cloth to maintain its appearance.

### General Care:

- Avoid placing extremely hot or cold items directly on the surface without protective coasters.
- Keep the dresser away from direct sunlight and heat sources to prevent warping or fading.
- Periodically check all hardware connections and tighten if necessary to maintain stability.

## 5. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the common problems and solutions below.

### Common Issues:

#### 1. Drawers do not slide smoothly:

- Ensure all drawer slides are correctly installed and aligned.
- Check that all screws securing the slides are tightened properly.
- Verify that the drawer box itself is assembled squarely.

#### 2. Dresser feels unstable:

- Confirm all cam locks and screws throughout the dresser frame are fully tightened.
- Ensure the dresser is placed on a level surface.
- Install the anti-tip kit as described in the safety section to secure the dresser to the wall.

### 3. Missing parts or damaged components:

- Refer to the parts list in the assembly instructions. If any parts are missing or damaged, contact customer support for assistance.
