# NERF Loadout Galactic Commander Blaster G15804S0 Instruction Manual

Model: G15804S0

## 1. INTRODUCTION

This manual provides essential instructions for the safe and effective operation, assembly, and maintenance of your NERF Loadout Galactic Commander Blaster. Designed for customizable play, this blaster features multiple firing modes and interchangeable accessories. Please read all instructions carefully before use.

## 2. SAFETY INFORMATION

**WARNING: For ages 8 and above. To avoid eye injury:**

- Do not aim at eyes or face.
- The use of eyewear is recommended for players and individuals within range.
- Use only official Nerf darts. Other darts may not meet safety standards.
- Do not modify darts or blaster.

### 3. WHAT'S IN THE BOX

---

Your NERF Loadout Galactic Commander Blaster package includes the following components:

- 1x Galactic Commander Blaster
- 1x Sight attachment
- 1x Stock attachment
- 1x Barrel attachment
- 2x 18-dart magazines (clips)
- 48x Nerf N1 darts
- Instruction Sheet

### 4. SETUP AND ASSEMBLY

---

#### 4.1 Battery Installation

The blaster requires 6 AA 1.5V alkaline batteries (not included). To install:

1. Locate the battery compartment on the side of the blaster.
2. Using a Phillips head screwdriver, unscrew the battery compartment cover.
3. Insert 6 AA batteries, ensuring correct polarity (+/-).
4. Replace the cover and secure with the screw.

#### 4.2 Attaching Accessories

The NERF Loadout system allows for interchangeable accessories. To attach the sight, stock, and barrel:

1. Align the sight with the tactical rail on top of the blaster and slide it into place until it clicks.
2. Attach the stock by sliding it onto the rear attachment point of the blaster until it locks securely.
3. Connect the barrel attachment to the front of the blaster by aligning the grooves and twisting or pushing until secure.

## 5. OPERATING INSTRUCTIONS

### 5.1 Loading Darts

To load darts into the magazine:

1. Ensure you are using official Nerf N1 darts.
2. Push darts individually into the magazine until it is full (18 darts per magazine).
3. Insert the loaded magazine into the blaster's magazine well until it clicks into place.

### 5.2 Firing the Blaster

The Galactic Commander Blaster features three firing modes:

1. **Semi-Automatic:** Select mode '1' on the fire selector switch. Pull the trigger to fire one dart per pull.
2. **3-Dart Burst:** Select mode '2' on the fire selector switch. Pull the trigger to fire three darts in a quick burst.
3. **Fully Automatic:** Select mode '3' on the fire selector switch. Hold the trigger to continuously fire darts until the magazine is empty or the trigger is released.

To engage the motor, hold down the acceleration button (usually located below the trigger) before pulling the main trigger to fire.

## 6. CUSTOMIZATION

The NERF Loadout system allows for extensive customization. The included sight, stock, and barrel

attachments are interchangeable with other NERF Loadout blasters (sold separately), offering over 1000 possible combinations to create your unique blaster configuration.

Image 6.1: Example of the Galactic Commander Blaster with different attachment configurations.

## 7. MAINTENANCE

To ensure optimal performance and longevity of your blaster:

- Keep the blaster clean and free from dirt or debris. Use a dry cloth to wipe surfaces.
- Store darts in a cool, dry place to maintain their shape and performance.
- Remove batteries if the blaster will not be used for an extended period to prevent leakage.
- Do not submerge the blaster in water or expose it to extreme temperatures.

## 8. TROUBLESHOOTING

If you encounter issues with your blaster, refer to the following common solutions:

- **Blaster not firing:** Check if batteries are correctly installed and charged. Ensure the magazine is fully inserted and loaded with darts.
- **Darts not firing properly:** Verify that only official Nerf N1 darts are used. Check for any jammed darts in

the barrel or firing mechanism and carefully clear them.

- **Motor not engaging:** Ensure the acceleration button is held down completely before pulling the trigger. Check battery power.

If problems persist, contact customer support.

9. SPECIFICATIONS

Product Dimensions	2.62 x 32 x 13 inches
Item Weight	3.11 pounds
Item Model Number	G15804S0
Manufacturer Recommended Age	4 years and up
Batteries Required	6 AA batteries
Release Date	June 1, 2025
Manufacturer	Hasbro

10. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the contact details provided on the product packaging or visit the official Nerf website. Keep your proof of purchase for any warranty claims.
