SETUP INSTRUCTIONS

- 1. Unboxing:** Carefully remove all components from the packaging. Verify that all items listed in "What's in the Box" are present.
- 2. Charging:** Before first use, fully charge the karaoke machine and both wireless microphones. The microphones charge when placed in their dedicated compartments on top of the speaker.
- 3. Power On:** Press and hold the power button on the main unit to turn it on. The integrated screen will light up.
- 4. Microphone Pairing:** The wireless microphones are typically pre-paired. If not, refer to the "Operating Instructions" for manual pairing.
- 5. Initial Connection:**
 - **Wi-Fi:** Navigate to the settings menu on the integrated screen to connect to your local Wi-Fi network for online content and KaraFun access.
 - **HDMI (Optional):** Connect an HDMI cable from the karaoke machine to your TV for a larger display of lyrics and video.
 - **Bluetooth (Optional):** To use the device as a Bluetooth speaker, activate Bluetooth on your external device and select "Ikarao Shell S2" from the available devices.

OPERATING INSTRUCTIONS

Power On/Off

Press and hold the power button on the main unit for 3 seconds to turn the system on or off.

Microphone Usage

- **Power:** Each microphone has its own power button. Press to turn on/off.
- **Volume & Effects:** Use the controls on each microphone to adjust individual volume, echo, and select from 8 sound effects.
- **Charging:** Place microphones in their designated slots on the main unit to recharge.

Soirée karaoké sur TV – Immersion totale !

Grâce au HDMI, votre salon devient la scène ultime de karaoké.

Connectivity Options

- **Bluetooth:** Pair with smartphones, tablets, or other Bluetooth-enabled devices.
- **HDMI:** Output video and audio to an external display like a TV.
- **USB:** Play media from USB drives.
- **AUX IN/OUT:** Connect external audio sources or output audio to other sound systems.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the unit and microphones. Avoid liquid cleaners.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures. Ensure microphones are stored in their charging compartments.
- **Battery Care:** For optimal battery life, fully charge the unit before long periods of storage and recharge every 3-6 months.

TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Battery drained; Power cable not connected.	Charge the unit; Ensure power cable is securely connected.
Microphones not working	Microphones off; Not paired; Low battery.	Turn on microphones; Re-pair if necessary; Charge microphones.
No sound from speaker	Volume too low; Incorrect input source; Muted.	Increase volume; Select correct input (Bluetooth, AUX, etc.); Unmute.
Wi-Fi connection issues	Incorrect password; Out of range; Router issue.	Verify password; Move closer to router; Restart router.
Echo/feedback from microphones	Microphone too close to speaker; Echo effect too high.	Increase distance between microphone and speaker; Reduce microphone echo level.
