## WHAT'S IN THE BOX

---

Upon opening your FocoMyLord AI Translation Earbuds package, you will find the following items:

- Translator Earbuds (Left and Right)
- Charging Case
- User Manual (this document)

## SETUP

---

### 1. Charging the Earbuds and Case

Before first use, ensure both the earbuds and the charging case are fully charged. Place the earbuds into the charging case. Connect the charging case to a power source using a compatible USB cable (not included). The indicator light on the case will show charging status.

## 2. Pairing with Your Device

1. Ensure the earbuds are in the charging case and the case lid is open.
2. On your smartphone or tablet (Android or iOS), go to the Bluetooth settings.
3. Turn on Bluetooth.
4. Select "FocoMyLord A38-B" from the list of available devices.
5. Once connected, a confirmation sound or message will indicate successful pairing.

## 3. Installing the Translation App

To utilize the real-time translation features, you must download and install the dedicated FocoMyLord translation application on your smartphone. Search for "FocoMyLord Translator" (or similar, as per product instructions) in your device's app store (Google Play Store for Android, Apple App Store for iOS). Follow the on-screen instructions to complete the app installation and initial setup.

Note: The AI translation function requires a mobile app.

## OPERATING INSTRUCTIONS

---

### 1. Wearing the Earbuds

The FocoMyLord A38-B earbuds feature an open-ear design for ultimate comfort and situational awareness. Gently place the earbud over your ear, ensuring the ear hook rests securely behind your ear. Adjust for a comfortable and stable fit. The soft silicone material and ultra-light design ensure prolonged comfort.

## 2. Real-Time Translation

Once the earbuds are paired and the translation app is installed and configured, you can begin real-time translation. The earbuds support 144 languages and offer 98% accuracy with simultaneous translation in approximately 0.5 seconds. Refer to the in-app guide for specific modes of translation (e.g., conversation mode, interpreter mode).

# Natural and Instant Translation

- **Music Playback:** Control playback (play, pause, skip) directly from your connected device.
- **Phone Calls:** Answer or end calls using the controls on your connected device. The earbuds' microphone will pick up your voice.

## MAINTENANCE

To ensure the longevity and optimal performance of your FocoMyLord AI Translation Earbuds, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners, alcohol, or chemical solvents.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place.
- **Water Resistance:** The earbuds are IPX5 waterproof, meaning they are resistant to splashes and sweat. Do not submerge them in water or expose them to heavy rain. Dry them thoroughly if they get wet.
- **Battery Care:** For optimal battery life, avoid fully discharging the earbuds and charging case frequently. Charge them regularly, even if not in constant use.
