YOFUN 52"W x 90"L (Pack of 2)

YOFUN Dark Green Blackout Velvet Curtains

Model: 52"W x 90"L (Pack of 2)

INTRODUCTION

Thank you for choosing YOFUN Dark Green Blackout Velvet Curtains. This manual provides essential information for the proper installation, use, and maintenance of your new window panels. These curtains are designed to enhance your living space with their elegant design, thermal insulation, and sound-reducing properties.

Each package includes two panels, each measuring 52 inches wide by 90 inches long, for a total width of 104 inches. Crafted from super soft and heavyweight velvet, these curtains offer a plush texture and a luxurious drape, suitable for various decor themes.

FEATURES

- **Elegant Design:** Made from heavyweight velvet for a plush feel and vertical drape.
- **Multiple Functions:** Blocks 65-85% of light, provides sound insulation, and ensures privacy.
- **Superior Quality:** Velvet fabric weighing over 280 grams, thick texture, soft touch, bright and fade-resistant colors.
- **Versatile Hanging Options:** Features both back tab and rod pocket styles.

SETUP AND INSTALLATION

Your YOFUN velvet curtains offer two primary hanging methods: rod pocket and back tab. Both methods are designed to fit curtain rods up to 2.5 inches in diameter. Clips are not included for clip ring installation.

Hanging Options:

- **Rod Pocket:** Slide your curtain rod directly through the sewn channel at the top of the curtain panel. This creates a gathered, classic look.
- **Back Tab:** Insert your curtain rod through the fabric loops located on the back of the top hem. This provides a more tailored, pleated appearance.

Measuring for Length:

To choose the correct curtain length, measure from the top of your rod to the desired bottom point (H). For back tab curtains, the length should be approximately H. For ring hooks, the curtain length should be H minus 2 inches.

Different effects of the same length for two hanging ways

How We Measure the Curtain Length?

Our curtain length is measured from the top of the rod to the bottom of the curtain.

How to Choose the Length?

1. Measure the length from the top of rod to where you want, mark as H.
2. Choose the curtain length according to different hanging options.

- a) Ring Hooks: curtain length = H-2 inches approx
- b) Back Tab: curtain length = H

Please Note

1. Fullness has already been made with 1.6x fullness ratio to ensure the optimal hanging effect.
2. Please allow for a slight deviation of 1 inch due to manual measurement.

OPERATING FEATURES

These curtains are designed to provide multiple benefits for your home environment:

- **Light Blocking:** The thick velvet fabric effectively blocks 65-85% of incoming sunlight, creating a darker room ideal for sleeping or media viewing.
- **Thermal Insulation:** The dense material helps to insulate your windows, reducing heat loss in winter and heat gain in summer, potentially leading to energy savings.
- **Sound Reduction:** The heavy fabric contributes to a noticeable reduction in outside noise, fostering a quieter and more peaceful indoor atmosphere.
- **Privacy Protection:** The opacity of the curtains ensures complete privacy, preventing outsiders from seeing into your room.

MAINTENANCE

Proper care will ensure the longevity and beauty of your YOFUN velvet curtains.

- **Washing:** Machine wash or dry clean. Use a gentle cycle with cold water.
- **Spot Cleaning:** For small stains, spot clean with mild soap and water.
- **Drying:** Air dry only. Do not tumble dry.
- **Ironing:** If needed, steam iron from the back of the fabric on a low temperature setting.
- **Bleaching:** Do not bleach.

TROUBLESHOOTING

If you encounter any issues with your curtains, please consider the following:

- **Wrinkles/Creases:** Due to packaging, curtains may arrive with creases. These can typically be removed by steaming from the back on a low setting or by hanging the curtains for a few days, allowing gravity to smooth them out.
- **Light Leakage:** Ensure curtains are properly installed and cover the entire window frame. Adjusting the rod placement or adding a valance can help minimize light gaps.
- **Color Variation:** Please note that colors may appear slightly different depending on lighting conditions (sunny, normal, cloudy) and screen settings.

SPECIFICATIONS

Attribute	Detail
Brand	YOFUN
Model	52"W x 90"L (Pack of 2)
Color	Dark Green
Material	Super Soft Velvet Curtains
Product Dimensions (per panel)	90"L x 52"W
