Transformers TF-T26PRO

Transformers TF-T26 Pro Wireless Earbuds

USER MANUAL

Introduction

Thank you for choosing the Transformers TF-T26 Pro Wireless Earbuds. These earbuds are designed to provide a high-quality audio experience for both gaming and music, featuring Bluetooth 5.4 technology for stable connectivity. This manual will guide you through the setup, operation, and maintenance of your new earbuds to ensure optimal performance.

What's in the Box

- User Manual
- Charging Case
- Ear Cushions (various sizes)
- Type-C Charging Cable

Product Overview

The Transformers TF-T26 Pro earbuds feature an ergonomic design with earhooks for a secure fit, making them suitable for sports and active use. The charging case includes an LED digital display to show battery status.

Setup

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided Type-C charging cable to the charging port on the case and a power source. The LED digital display on the case will indicate the charging status and battery level.

- **Charging Time:** Approximately 1.5 hours for both earbuds and case.
- **Earbud Playtime:** Up to 8 hours on a single charge.

- **Total Playtime with Case:** Up to 65 hours.

2. Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for available devices and select "TF-T26 Pro" from the list.
4. Once connected, you will hear an audible confirmation, and the device will show "Connected".

The earbuds utilize Bluetooth 5.4 technology for a fast and stable connection.

Touch Controls

The TF-T26 Pro earbuds feature intelligent touch controls for easy management of audio playback and calls.

Intelligent Touch Control

Image: Intelligent Touch Control functions.

- **Single Tap (L/R):** Volume + (R), Volume - (L)
- **Double Tap (L/R):** Pause/Play, Answer/Hang Up Call
- **Triple Tap (L):** Previous Song
- **Triple Tap (R):** Next Song
- **Long Press (2s) (L/R):** Reject Call
- **Long Press (2s) (L):** Voice Assistant
- **Long Press (2s) (R):** Game Mode / Music Mode Switch

Audio Modes

Switch between two distinct audio modes:

- **Gaming Mode:** Provides ultra-low latency audio synchronization, ideal for mobile gaming and video playback.
- **Music Mode:** Delivers rich HiFi sound with deep bass, clear mids, and crisp highs for an immersive listening experience.

Sound Quality

The earbuds are equipped with 13mm magnetically levitated drivers, providing rich and detailed audio

across all frequencies.

ENC Call Clarity

Advanced Environmental Noise Cancellation (ENC) technology reduces ambient noise during calls, ensuring your voice is heard clearly.

Maintenance

Cleaning

Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials. Ensure the charging contacts are free of debris.

Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place.

Water Resistance

The earbuds feature an IPX5 waterproof rating, making them resistant to splashes, sweat, and rain. They are suitable for workouts and outdoor activities but should not be submerged in water.

Troubleshooting

- **Earbuds not pairing:** Ensure both earbuds are in the charging case, then open the lid to activate pairing mode. Check your device's Bluetooth settings and try reconnecting.
- **No sound:** Verify the earbuds are connected to your device and the volume is turned up on both the earbuds and your device.
- **Charging issues:** Clean the charging contacts on both the earbuds and the case. Ensure the Type-C cable is securely connected to a working power source.
- **Poor call quality:** Ensure the earbuds are properly seated in your ears. The ENC feature works best when the microphone is not obstructed.

Specifications
