## 5. OPERATING INSTRUCTIONS

1. **Extend Retractable Cables:** Gently pull the desired retractable cable (USB-C or Lightning) to extend it to the required length. The cable will lock at various lengths.

2. **Connect Device:** Plug the extended cable into your smartphone, tablet, or other compatible device.
3. **Use Additional Ports:** For additional devices, use the available USB-C (PD45W) or USB-A (QC15W) ports with your own charging cables.
4. **Retract Cables:** To retract a cable, gently pull it slightly further until it unlocks, then release it to allow it to retract smoothly back into the charger.
