VERMESS SCCBDSG

VERMESS TV Stand with Power Outlets and LED Light

Model: SCCBDSG | Brand: VERMESS

1. PRODUCT OVERVIEW

The VERMESS TV Stand is designed to accommodate televisions up to 65 inches, providing a stable and functional platform for your entertainment setup. It features integrated power outlets, adjustable LED lighting, and four fabric storage drawers, making it a versatile media console or storage unit for various rooms.

Image 1.1: VERMESS TV Stand with TV and decor.

- **TV Accommodation:** Supports TVs up to 65 inches with a sturdy desktop.
- **Storage:** Features open shelves and four fabric drawers for organizing media devices, books, and other items. The middle shelf is adjustable.
- **Power Outlets:** Includes 3 AC and 2 USB power outlets for convenient charging of electronic devices.
- **LED Lighting:** Built-in RGB LED lights with remote and smartphone app control, offering over 60,000 color options.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use to prevent injury or damage.

- Avoid placing heavy objects on the open shelves to prevent tip-over.
- Be cautious of sharp edges during assembly and use.
- Always follow proper electrical safety guidelines when using the power outlets.
- Ensure the TV stand is placed on a level surface to maintain stability.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Top Panel
- Side Panels (2)
- Middle Shelf Panels (2)
- Bottom Panel

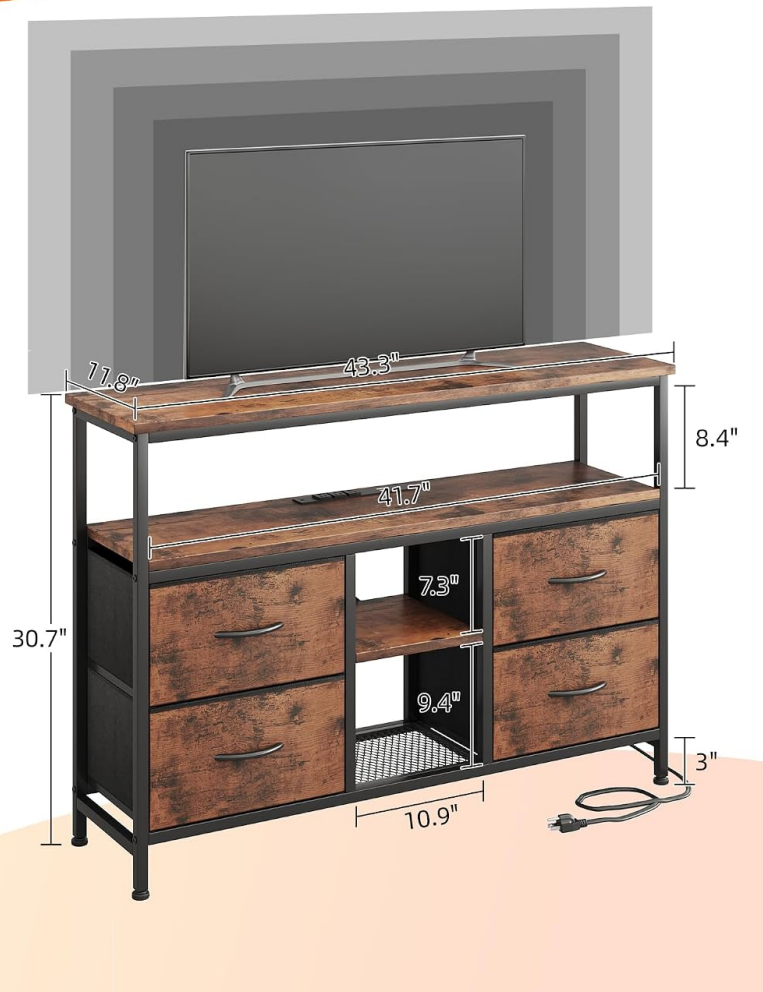

Image 4.1: Product dimensions and component breakdown.

1. **Unpack:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in your assembly guide to identify each component.
3. **Assemble Frame:** Begin by assembling the metal frame structure according to the step-by-step instructions.
4. **Attach Panels:** Secure the wooden panels to the frame using the provided hardware.
5. **Install Power Strip:** Ensure the power outlet strip is correctly installed and secured.
6. **Install LED Lights:** Attach the LED light strip as indicated in the manual.
7. **Insert Drawers:** Assemble the fabric drawers and insert them into their designated slots.
8. **Final Check:** Tighten all screws and ensure the stand is stable before placing any items on it.

Adjustable feet are included to help level the stand on uneven floors.

5. OPERATING INSTRUCTIONS

5.1 Power Outlets

The TV stand is equipped with a built-in power strip for convenient charging and powering of your devices.

- **AC Outlets:** 3 standard AC outlets (120V/12A) are provided for larger electronics like TVs, Wi-Fi routers, or gaming consoles.
- **USB Ports:** 2 USB ports (5V/2A) are available for charging smartphones, tablets, and other USB-powered devices.
- **Usage:** Simply plug your devices into the appropriate outlets. The vertical insertion design helps maintain a neat appearance.

Built-in Power Strip

5.2 LED Lighting

Enhance your room's ambiance with the integrated RGB LED lights.

- **Control:** The LED strip lights can be controlled via the included wireless remote or a dedicated smartphone application.
- **Color Options:** Choose from over 60,000 DIY color options to match your mood or decor.
- **Modes:** Various lighting modes and effects are available through the remote/app.

VERMESS

Built-in charging Station

The built in charging station, equipped with 3 Ac outlets, 1 USB port, and 1 Type-C port, offers an incredibly convenient and versatile solution to meet all your charging needs.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your TV stand.

- **Cleaning Surfaces:** Wipe wooden and metal surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fabric Drawers:** For fabric drawers, spot clean with a mild detergent and allow to air dry. Do not machine wash.
- **Electrical Components:** Ensure power cords and LED light connections are secure and free from damage. Unplug from the wall outlet before cleaning electrical components.
- **Hardware:** Periodically check and tighten all assembly hardware to maintain structural integrity.

7. TROUBLESHOOTING

If you encounter issues with your VERMESS TV Stand, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Stand is wobbly after assembly.	Loose hardware; uneven floor.	Ensure all screws are tightened. Adjust the leveling feet on the bottom of the stand.
LED lights are not working.	Power connection issue; remote battery dead; app not connected.	Check if the LED strip is properly plugged into the power source. Replace remote battery. Ensure smartphone app is correctly paired.
Power outlets are not providing power.	Power strip not plugged in; circuit breaker tripped.	Ensure the main power cord of the stand is securely plugged into a wall outlet. Check your household circuit breaker.
Drawers do not slide smoothly.	Drawer not assembled correctly; obstruction.	Re-check drawer assembly. Ensure nothing is obstructing the drawer's path.

For issues not covered here, please contact VERMESS customer support.
