Yaheetech Foldable Ironing Board User Manual

Model: 593054Gray

Brand: Yaheetech

1. INTRODUCTION

This manual provides essential information for the safe and efficient use of your Yaheetech Foldable Ironing Board. Please read these instructions carefully before initial use and retain them for future reference.

The Yaheetech Foldable Ironing Board is designed for home laundry use, featuring a heavy-duty construction, adjustable height settings, and a compact, space-saving design. It includes a 4-layer cover for optimal ironing performance and a safety iron rest.

2. SAFETY INFORMATION

- Always ensure the ironing board is stable and fully locked in position before use.

- Do not overload the ironing board or the iron rest beyond their specified weight capacities.

- Keep children and pets away from the ironing board during use and when hot.

- Place the iron securely on the designated iron rest when not actively ironing.

- Avoid placing hot irons directly on the ironing board cover for extended periods, except on the iron rest.

- Ensure the ironing board is completely cool before folding and storing.

3. SETUP AND ASSEMBLY

The Yaheetech Foldable Ironing Board requires minimal assembly, primarily involving unfolding and adjusting its height.

3.1 Unfolding the Ironing Board

1. Place the folded ironing board on a flat, stable surface.
2. Gently lift the board until all four legs are off the ground. This action helps to disengage the folding mechanism.
3. Extend the legs outwards until the board is fully open and stable. Ensure the legs are securely locked into place.

3.2 Adjusting the Height

The ironing board features 9 adjustable height settings, ranging from 21 inches to 36 inches, to accommodate various user preferences and tasks.

1. Locate the safety lock/handle mechanism underneath the ironing board, typically near the center of the leg structure.
2. Press the handle to release the height adjustment lock.
3. Raise or lower the ironing board to your desired height.
4. Release the handle to engage the safety lock, ensuring the board is securely fixed at the chosen height.

3.3 Folding for Storage

To fold the ironing board for compact storage:

1. Ensure the board is cool.

2. Press the height adjustment handle to release the lock.

3. Lower the board to its lowest setting, then gently push the legs together until the board is fully folded.

4. The board can then be stored upright against a wall or in a closet.

4. OPERATING INSTRUCTIONS

4.1 Ironing Surface

The ironing board provides a spacious 43" L × 14" W surface, suitable for various garments. The 4-layer cover

structure ensures efficient heat distribution and a smooth ironing experience:

- **Top Layer:** Removable & Washable Cover (Fabric)
- **Second Layer:** 7mm Soft Foam Padding
- **Third Layer:** 5mm Knitted Fabric
- **Bottom Layer:** Heat-Resistant Metal Mesh

5. MAINTENANCE

5.1 Cleaning the Top Cover

The top cover of your ironing board is removable and washable to ensure a clean ironing surface for your garments.

1. Allow the ironing board to cool completely.
2. Carefully remove the top fabric cover from the board.
3. Wash the cover according to its care label instructions (typically machine wash cold, gentle cycle, and air dry).
4. Ensure the cover is completely dry before placing it back on the ironing board.

5.2 General Care

- Wipe the metal frame and legs with a damp cloth as needed. Avoid abrasive cleaners.
- Regularly check all connections and moving parts to ensure they are secure.

6. TROUBLESHOOTING

If you encounter any issues with your ironing board, please refer to the following common solutions:

Problem	Possible Cause	Solution
Board is wobbly or unstable.	Legs not fully extended or locked.	Ensure all legs are fully extended and the safety lock is engaged. Check that the board is on a flat, even surface.
Difficulty adjusting height.	Safety lock not fully disengaged.	Press the adjustment handle firmly to release the lock before attempting to change height.
Iron rest feels loose.	Mounting screws may be loose.	Check and tighten any visible screws securing the iron rest to the board frame.
