# Yaheetech Foldable Ironing Board Instruction Manual

MODEL: 593054

## Introduction

Thank you for choosing the Yaheetech Foldable Ironing Board. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new ironing board. Please read these instructions carefully before first use and retain them for future reference.

## Product Features

- **Foldable & Portable Design:** Lightweight and easy to fold, ideal for small spaces like closets or tight corners.
- **Adjustable Height:** Features nine adjustable height settings, ranging from 21 inches to 36 inches, for comfortable use. A safety lock mechanism ensures stability at desired height.
- **Spacious Ironing Surface:** A full-size surface measuring 43 inches L × 14 inches W provides ample space for various garments.
- **Compact Storage:** The ironing stand collapses to a compact thickness of 2.5 inches for convenient storage in narrow gaps or closets.
- **Removable & Washable Top Cover:** The fabric top cover can be easily removed and washed, ensuring a clean ironing surface.
- **Integrated Iron Rest:** A sturdy, multifunctional iron rest is included for safe and convenient placement of your iron.
- **Heavy-Duty Steel Frame:** Constructed with durable metal legs for stability and longevity.

# Product Size

**Maximum  
Weight Capacity**

**Ironing Board : 55 lb  
Iron Rest : 11 lb**

## Package Contents

Upon unpacking, ensure all components are present and undamaged. The package typically includes:

- Ironing Board with Cover
- Leg Assembly (folded)
- Iron Rest (may require attachment)
- Assembly Hardware (bolts, nuts, washers)
- Assembly Tools (wrench, Allen key)
- Instruction Manual

Refer to the assembly instructions provided in the packaging for a detailed list and visual guide.

# Product Details

Image: Close-up views of various product details, including the iron rest, breathable and heat-resistant cover, safety lock, silent and anti-slip foot caps, and heavy-duty steel frame.

## Setup and Assembly

The Yaheetech Ironing Board requires minimal assembly. Follow these steps:

1. Carefully remove all components from the packaging.
2. Unfold the main leg assembly.
3. Attach the iron rest to the designated area on the board using the provided hardware and tools. Ensure all connections are secure.
4. Verify that the safety lock mechanism for height adjustment is functioning correctly.

For a visual guide on assembly, please watch the official product video below:

## Operating Instructions

To use your ironing board:

1. **Unfold the Board:** Gently pull the legs apart until the board is stable.
2. **Adjust Height:** Lift the board until all four legs are slightly off the ground. Locate the handle or lever underneath the board and press it to release the safety lock. Adjust the board to your desired height (between 21" and 36") and release the handle to lock it into place. Ensure it is securely locked before use.
3. **Place Iron:** Use the integrated iron rest to safely place your hot iron when not in use. The iron rest is designed for flat and angled iron placement and includes a cut-out for heat dissipation.
4. **Ironing:** Place garments on the spacious ironing surface and proceed with ironing as usual.

Image: A visual guide demonstrating how to lift the board and press the handle to adjust its height or fold it for storage, highlighting the safety lock feature.

## Folding and Storage

To fold your ironing board for compact storage:

1. Ensure the iron is removed from the iron rest and safely stored.
2. Lift the board slightly to disengage the safety lock for height adjustment.
3. Press the handle or lever to fully collapse the legs.

4. Once folded, the board has a compact thickness of 2.5 inches, allowing it to be stored by a wall or slipped into narrow spaces like closets.

Image: Illustrations demonstrating the compact folding size of the ironing board, showing it stored upright against a wall and neatly tucked away inside a closet.

## Maintenance

- **Cleaning the Cover:** The top cover is removable and washable. Detach it from the board and follow the care instructions on the label for cleaning. Ensure the cover is completely dry before reattaching.
- **Frame Care:** Wipe the metal frame with a damp cloth as needed. Avoid abrasive cleaners that may damage the finish.
- **Regular Checks:** Periodically inspect all bolts and connections to ensure they remain tight and secure.

# 4-Layer Thick Heat-Resistant Structure

Image: A cross-section diagram detailing the four layers of the ironing board's heat-resistant structure: a removable and washable cover, 7mm soft foam padding, 5mm knitted fabric, and a heat-resistant metal mesh base.

## Troubleshooting

- **Board is Unstable:** Ensure the legs are fully extended and the height adjustment safety lock is engaged. Check that all assembly bolts are tightened.
- **Difficulty Adjusting Height:** Make sure the safety lock handle is fully pressed before attempting to adjust the height. If stiff, apply a small amount of lubricant to the moving parts.
- **Ironing Marks on Clothes:** Ensure the cover is properly padded and smooth. The 4-layer cover is designed to prevent marks, but excessive pressure or an uneven surface can still cause issues.

## Specifications

Feature	Detail
Brand	Yaheetech
Model Number	593054

Material	Steel, Foam, Fabric
Color	Gray & White
Product Dimensions (L x W x H)	52" x 14" x 36"
Adjustable Height Range	21" to 36" (9 settings)
Folded Thickness	2.5"
