Yaheetech Foldable Ironing Board User Manual

Model: 593054

Introduction

This manual provides essential information for the safe and efficient use of your Yaheetech Foldable Ironing Board. Please read these instructions carefully before initial use and retain them for future reference. This ironing board is designed for household laundry tasks, offering convenience and stability.

Setup

1. Unboxing and Initial Inspection

Carefully remove all components from the packaging. Verify that all parts listed in the assembly instructions are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

2. Assembly

The ironing board requires minimal assembly. Attach the leg frames to the main board using the provided hardware. Ensure all bolts are securely tightened. Refer to the included assembly diagram for detailed steps.

3. Unfolding and Adjusting Height

To unfold the ironing board, lift the board until all four legs are off the ground. Locate the safety lock mechanism (a handle or lever) underneath the board. Press this handle to release the legs and extend them. The board features 9 adjustable height settings, ranging from 21 inches to 36 inches. Select your desired height by pressing the handle and guiding the legs into the corresponding notches. Ensure the legs are securely locked into place before use to prevent accidental collapse.

Operating

1. Using the Ironing Surface

The ironing board provides a spacious 43" L × 14" W surface, suitable for various garments and sewing projects. Ensure the garment is laid flat and smooth on the surface before ironing.

2. Using the Safety Iron Rest

The integrated iron rest is designed to safely hold most iron models. It features a cut-out design for heat dissipation, preventing heat buildup. Place your hot iron on this rest when not actively ironing to avoid scorching the board cover or garments.

3. Utilizing the Clothes Hanger

The iron rest also includes a temporary clothes hanger. Use this feature to hang freshly ironed garments or items awaiting ironing, keeping them wrinkle-free and organized.

Figure 3: Steady & Multifunctional Iron Rest

Maintenance

1. Cleaning the Top Cover

The ironing board features a removable and washable top cover made of fabric. To clean, simply remove the cover and wash it according to its care instructions. This ensures a clean ironing surface for your garments.

Figure 4: 4-Layer Thick Heat-Resistant Structure

2. General Care

Keep the ironing board dry and clean. Avoid exposing it to excessive moisture or direct sunlight for prolonged periods. The heavy-duty steel frame and anti-slip foot caps are designed for durability; inspect them periodically for any signs of wear.

Storage

The Yaheetech ironing board is designed for compact storage. After use, fold the board by pressing the height adjustment handle and collapsing the legs. It folds to a compact thickness of 2.5 inches, allowing it to be stored in narrow spaces, such as behind a door or in a closet.

Troubleshooting

1. Board Instability

If the ironing board feels unstable, ensure that the legs are fully extended and securely locked into one of the height adjustment notches. Check that all assembly bolts are tightened. Ensure the anti-slip foot caps are intact and making full contact with the floor surface.

2. Difficulty Adjusting Height

If you encounter difficulty adjusting the height, ensure the adjustment handle is fully pressed to disengage the locking mechanism. Check for any obstructions in the leg channels. Do not force the mechanism.

Specifications

Feature	Detail
Brand	Yaheetech

Model Number	593054
Material	Steel, Foam, Fabric
Color	Beige
Product Dimensions (L x W x H)	52"L x 14"W x 36"H
Adjustable Height Range	21" to 36" (9 settings)
Folded Thickness	2.5"
Item Weight	9.85 Pounds
Maximum Weight Capacity (Ironing Board)	55 lb
Maximum Weight Capacity (Iron Rest)	11 lb
Assembly Required	Yes
