UNCLE BRICK 10624

UNCLE BRICK Lamb AVENTTAOR Technic Car Model Building Kit Instruction Manual

Model: 10624

INTRODUCTION

This manual provides detailed instructions for assembling and understanding the features of your UNCLE BRICK Lamb AVENTTAOR Technic Car Model Building Kit. This 1:8 scale model is designed for enthusiasts aged 8 and above, offering a challenging and rewarding building experience.

ASSEMBLY INSTRUCTIONS

The UNCLE BRICK Lamb AVENTTAOR Technic Car Model Building Kit contains 4106 pieces. Successful assembly requires careful attention to detail and following the provided step-by-step building guide.

1. **Unpack and Sort:** Carefully unpack all components. It is highly recommended to sort pieces by type, size, or color before beginning assembly to streamline the building process.
2. **Follow the Manual:** Refer to the dedicated assembly manual included in your kit for detailed, illustrated, step-by-step instructions. Each step is designed to guide you through the construction of the model.
3. **Verify Connections:** Ensure all connections are secure and pieces are firmly attached as per the instructions to maintain structural integrity.
4. **Missing Pieces:** In the rare event of missing components, please refer to the "Troubleshooting" section for guidance on how to proceed.

OPERATING FEATURES

Once assembled, your UNCLE BRICK Lamb AVENTTAOR model features several interactive elements designed to enhance its realism and display value.

- **2WD/4WD Switching Mechanism:** This model incorporates a mechanism allowing for the visual representation of switching between 2-wheel drive and 4-wheel drive modes. Locate the designated control on the model to engage this feature. This simulates the flexibility of real-world vehicle dynamics.
- **Classic Scissor Doors:** The model features functional scissor doors. Gently lift the doors upwards and outwards to open them, mimicking the iconic design of the full-scale vehicle.

MAINTENANCE

To ensure the longevity and appearance of your UNCLE BRICK Lamb AVENTTAOR model, follow these simple maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. Avoid using abrasive cleaners or solvents, as these can damage the plastic components and finish.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause discoloration of the plastic.
- **Handling:** Handle the model carefully, especially when moving it, to prevent accidental detachment of pieces.

TROUBLESHOOTING

If you encounter any issues during assembly or with the completed model, please refer to the following common solutions:

- **Missing Pieces:**

Carefully re-check all packaging materials and the sorting area. Sometimes small pieces can be overlooked. If a piece is genuinely missing, please contact UNCLE BRICK customer support (if available) with the specific part number from the assembly manual for assistance.

- **Difficulty Assembling:**

Ensure you are following the assembly manual step-by-step. Double-check the orientation of pieces and the correct connection points. Some steps may require firm but gentle pressure to secure components.

- **Loose Connections:**

If parts feel loose, verify that they are fully pushed together and correctly aligned according to the instructions. Disassemble and reassemble the problematic section if necessary.

SPECIFICATIONS

Brand	UNCLE BRICK
Model Number	10624
Number of Pieces	4106
Material	Plastic
Color	Stellar Deep Blue
Product Dimensions (L x W x H)	61.98 x 29.21 x 15.24 cm
Item Weight	3.93 kg
