## 3. PACKAGE CONTENTS

Upon opening the package, please ensure all items are present:

- 1 x OYOSUOGG Magic Keyboard Case
- 1 x Type-C Charging Cable
- 1 x User Manual (this document)

**Note:** The iPad tablet and Apple Pencil are NOT included with this product.

## 4. FEATURES

- **Precision Multi-Touch Trackpad:** Navigate your iPad with ease using multi-touch gestures for enhanced productivity.
- **Easy-Set Magnetic Floating Stand:** Securely attach your iPad magnetically for a stable, adjustable viewing angle, transforming your device into a laptop-like setup. The cantilever design allows smooth angle adjustments up to 135 degrees.
- **3-Zone Rainbow Backlight:** Customize your typing experience with three levels of brightness adjustment and a vibrant rainbow color scheme, ideal for low-light environments.
- **Large-capacity Rechargeable Battery:** Equipped with a 750mAh battery, providing up to 2 weeks of working time or 3 months of standby time on a single charge.
- **Thin & Light Design:** At approximately 0.67 inches thin and 1.54 pounds (for the case), it offers a compact and portable solution.
- **Durable Aluminum Alloy Hinge:** Engineered for longevity, the hinge is tested for over 20,000 open/close cycles.
- **Auto Sleep/Awake Function:** Automatically puts your iPad to sleep when closed and wakes it upon opening, conserving battery life.

**Multi-touch  
Trackpad**

**Manage  
Files**

**Browse  
the web**

**Switch  
Apps**

## 5. SETUP

### 5.1 Initial Charging

Before first use, fully charge the keyboard. Connect the provided Type-C cable to the keyboard's charging port and a compatible USB power adapter (not included). The charging indicator light will show charging status and turn off when fully charged.

### 5.2 Attaching Your iPad

The keyboard case features a strong magnetic attachment. Simply align your compatible iPad with the magnetic back panel of the case. The magnets will securely snap the iPad into place, allowing it to "float" above the keyboard.

Image: Illustration of the magnetic attachment mechanism.

### 5.3 Bluetooth Pairing

1. Ensure the keyboard is charged and powered on. The power switch is typically located on the side or back of the keyboard.
2. On your iPad, go to **Settings > Bluetooth**.
3. Turn on Bluetooth.

4. The iPad will search for discoverable devices. Look for "OYOSUOGG Keyboard" or a similar name in the list of devices.
5. Tap on the keyboard name to pair. A pairing request may appear; confirm it.
6. Once paired, the keyboard will show as "Connected" in your iPad's Bluetooth settings.

## Instant Connection & Easy to Use

Image: The keyboard case's auto sleep and auto awake functionality.

## 6. OPERATING INSTRUCTIONS

### 6.1 Using the Keyboard

The keyboard functions like a standard laptop keyboard. You can type directly into any text field on your iPad. It supports standard iOS shortcuts.

### 6.2 Trackpad Usage

The integrated multi-touch trackpad allows for precise cursor control and gesture navigation on your iPad. Common gestures include:

- **Single Finger Tap:** Click/Select
- **Two Finger Scroll:** Scroll up/down or left/right
- **Pinch to Zoom:** Zoom in/out on content
- **Three Finger Swipe Up:** Go to Home Screen
- **Three Finger Swipe Left/Right:** Switch between open apps
- **Three Finger Swipe Down:** Access App Switcher

### 6.3 Adjusting the Floating Stand

The floating cantilever design allows you to smoothly adjust the viewing angle of your iPad. Gently push or pull the iPad screen to achieve your desired angle, up to 135 degrees.

### 6.4 Backlight Control

To control the rainbow backlight:

- Press **Fn + Command (lightbulb logo)** to turn the backlight on or off.
- Press **Fn + Option** to cycle through different backlight colors.
- Use the dedicated brightness keys (if available, typically F5/F6 or similar) to adjust backlight intensity.

Image: User actively using the keyboard case with the backlit keys illuminated.

## 7. MAINTENANCE

Proper care will extend the life of your keyboard case:

- **Cleaning:** Use a soft, lint-free cloth slightly dampened with water or a mild cleaning solution to wipe the exterior. Avoid harsh chemicals or abrasive materials.
- **Battery Care:** To maintain battery health, avoid fully discharging the battery frequently. Charge the keyboard regularly, especially if not used for extended periods.
- **Storage:** When not in use, store the keyboard case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Avoid dropping the case or exposing it to excessive force, which could damage the hinge or internal components.

## 8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Keyboard not connecting via Bluetooth.	Low battery; Bluetooth off on iPad; not in pairing mode; interference.	Charge the keyboard. Ensure iPad Bluetooth is on. Put keyboard in pairing mode (refer to setup). Move closer to iPad. Forget device on iPad and re-pair.
Keys are unresponsive or delayed.	Low battery; Bluetooth connection issue; software glitch.	Charge the keyboard. Reconnect Bluetooth. Restart iPad and keyboard.
Trackpad not working.	Trackpad disabled (if applicable); Bluetooth issue; software glitch.	Ensure trackpad is enabled in iPad settings (Accessibility > Touch > AssistiveTouch, if applicable). Reconnect Bluetooth. Restart iPad and keyboard.
Backlight not turning on/off or changing color.	Incorrect key combination; low battery.	Ensure keyboard is charged. Use <b>Fn + Command (lightbulb logo)</b> to toggle backlight. Use <b>Fn + Option</b> to change colors.
iPad does not go to sleep/wake automatically.	iPad not properly seated; Smart Cover Lock/Unlock setting disabled.	Ensure iPad is correctly aligned and fully seated in the magnetic case. Check iPad settings: <b>Settings &gt; Display &amp; Brightness &gt; Lock/Unlock</b> (ensure it's enabled).
