COMFIER CF-5425

COMFIER CF-5425 Shiatsu Foot Massager Instruction Manual

Model: CF-5425

Thank you for choosing the COMFIER Shiatsu Foot Massager. Please read this manual thoroughly before use and retain it for future reference.

1. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before operating this device. Incorrect operation may lead to injury or damage.

- Always unplug the massager from the power outlet immediately after use and before cleaning.
- Do not use this appliance near water or in damp environments.
- Do not operate the massager if it has a damaged cord or plug, if it is not working properly, or if it has been dropped or damaged.
- Keep the power cord away from heated surfaces.
- This appliance is not intended for use by persons with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety.
- Children should be supervised to ensure that they do not play with the appliance.
- Consult your doctor before using this massager if you are pregnant, have a pacemaker, suffer from diabetes, or have any other medical conditions.
- Do not use the massager for more than 30 minutes at a time. Allow the device to cool down between uses.
- Do not stand on the massager. Use only while seated.

Note: This product is intended for general relaxation and comfort. It is not a medical device. Always consult a healthcare professional for medical advice regarding any health conditions or before starting any new treatment.

2. PRODUCT OVERVIEW

The COMFIER CF-5425 Shiatsu Foot Massager is designed to provide a comprehensive foot massage experience, combining Shiatsu kneading, rolling, heat, and air compression functions. It accommodates larger foot sizes up to men's size 15.

Image: Diagram illustrating the internal mechanisms for air compression, kneading, and rolling massage functions.

3. SETUP INSTRUCTIONS

- Unpack the Device:** Carefully remove the foot massager from its packaging. Retain packaging for storage or return if necessary.
- Placement:** Place the massager on a flat, stable, and dry surface. Ensure there is enough space around the device for proper ventilation.
- Power Connection:** Plug the power adapter into the massager's power port, then plug the other end into a standard electrical outlet (110-240V).
- Foot Covers:** Ensure the detachable foot covers are properly installed before use. These covers are designed for hygiene and comfort.

4. OPERATING INSTRUCTIONS

The control panel is located on the top of the massager. It features intuitive buttons for each function.

Image: Close-up of the control panel, showing buttons for Shiatsu, Power, Compression, Heat, and Timer.

4.1 Power On/Off

- Press the **Power button**  to turn the massager on. The default settings will activate.
- Press the **Power button** again to turn the massager off.

4.2 Shiatsu & Kneading Massage

This function provides deep kneading and rolling motions to target pressure points on your feet.

- Press the **Shiatsu button**  to cycle through 3 intensity levels: Low (L), Medium (M), and High (H).
- Adjust the intensity to your comfort level.

Shiatsu & Deep Kneading & Rolling Massager

3 Intensity levels

L
Gentle massage

M
Relaxing massage

H
Deep massage

4.6 Proper Foot Positioning

For optimal massage experience, ensure your feet are comfortably placed inside the foot chambers. It is recommended to wear socks during use for hygiene and to reduce direct friction with the massage nodes.

5. MAINTENANCE AND CARE

Proper maintenance ensures the longevity and hygienic operation of your foot massager.

- **Cleaning the Exterior:** The massager features waterproof material. Wipe the exterior with a soft, damp cloth. Do not use abrasive cleaners or immerse the unit in water.
- **Cleaning Foot Covers:** The foot covers are detachable and washable. Unzip and remove them, then hand wash with mild soap and water. Allow them to air dry completely before reattaching.
- **Storage:** Store the massager in a cool, dry place away from direct sunlight when not in use. Avoid placing heavy objects on top of the device.
- **Cool-down Period:** After each use, allow the massager to rest for at least 15-30 minutes before another session to prevent overheating and prolong motor life.

6. TROUBLESHOOTING GUIDE

If you encounter any issues with your foot massager, please refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Massager does not turn on.	Not plugged in; power outlet issue; power button not pressed.	Ensure the power cord is securely plugged into both the massager and a working electrical outlet. Press the power button firmly.
Massage intensity feels weak or too strong.	Incorrect intensity setting; feet not positioned correctly.	Adjust the Shiatsu or Compression intensity levels using their respective buttons. Reposition your feet for better contact with massage nodes.
Heat function is not noticeable.	Heat setting is too low; insufficient warm-up time.	Increase the heat setting. Allow 3-5 minutes for the heating elements to reach their full temperature.
Massager stops unexpectedly.	Timer elapsed; overheating protection activated.	Check the timer setting. If the unit feels warm, unplug it and allow it to cool down for at least 30 minutes before resuming use.

If the problem persists after trying these solutions, please contact COMFIER customer support.

7. SPECIFICATIONS

Model Number	CF-5425
Product Dimensions	17 x 13.18 x 7.59 inches
Item Weight	4.4 Pounds
