SETUP AND FIRST USE

The ERBA BLISS FRAGRANCES OF Erba Pura Unisex Perfume is ready for immediate use upon unboxing.

1. **Unpack:** Carefully remove the perfume bottle from its packaging.
2. **Inspect:** Before first use, inspect the bottle for any signs of damage or leakage. The bottle is designed to be leak-proof.
3. **Remove Cap:** Gently pull off the protective cap from the spray nozzle.
4. **Prime Sprayer (Optional):** If the sprayer does not dispense immediately, pump it a few times until a fine mist appears.

OPERATING INSTRUCTIONS

To achieve the best and most lasting fragrance experience, follow these application guidelines:

- **Application Areas:** Apply the perfume to pulse points where the blood vessels are close to the skin surface, as these areas generate heat and help diffuse the fragrance. Common pulse points include:
 - Wrists
 - Neck (behind the ears or at the base of the throat)
 - Inner elbows
 - Behind the knees
- **Spraying Technique:** Hold the bottle approximately 6-8 inches (15-20 cm) away from your skin and press the spray nozzle firmly to release a fine mist.
- **Avoid Rubbing:** After applying, avoid rubbing the perfume into your skin, as this can break down the fragrance molecules and diminish its longevity.
- **Frequency:** The ERBA BLISS FRAGRANCES OF Erba Pura is a concentrated Eau de Parfum designed for long-lasting wear. A few sprays are typically sufficient. Reapply as desired throughout the day.

MAINTENANCE AND STORAGE

Proper care and storage will help preserve the quality and longevity of your perfume.

- **Storage Conditions:** Store the perfume bottle in a cool, dry place, away from direct sunlight and extreme temperature fluctuations. High heat and light can degrade the fragrance over time.
- **Keep Cap On:** Always replace the cap securely after each use to prevent evaporation and protect the nozzle from dust and debris.
- **Cleaning:** If the bottle or nozzle becomes dusty, gently wipe it with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- **Travel:** The perfume is designed to be pocketsize and portable. Ensure the cap is firmly in place when traveling to maintain its leak-proof integrity.

TROUBLESHOOTING

If you encounter any issues with your ERBA BLISS FRAGRANCES OF Erba Pura Unisex Perfume, refer to the following common solutions:

- **Scent Not Lasting:**
 - Ensure application is to pulse points.
 - Avoid rubbing the applied area.
 - Consider skin hydration; well-moisturized skin can help fragrance last longer.
 - Store the perfume correctly to prevent degradation.
- **Sprayer Malfunction:**
 - If the sprayer is clogged, gently wipe the nozzle with a damp cloth. Do not use sharp objects to clear it.
 - If the sprayer is not dispensing, pump it several times to re-prime the mechanism.
- **Skin Irritation:**
 - As per safety information, this product is for external use only.
 - If skin irritation occurs, discontinue use immediately.
 - Consult a healthcare professional if irritation persists.
- **Leakage:**
