SAFETY INFORMATION

Prior to assembly and use, please read and understand all safety instructions. Failure to follow these guidelines may result in injury or damage to the product.

- Always ensure the desk is **level and stable** before use. Use the adjustable feet to compensate for uneven flooring.
- Do not exceed the weight limit of **97 pounds per person** on the desktop to maintain stability and prevent accidents.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Avoid placing hot items directly on the desktop surface. Use coasters or protective pads.
- Do not stand or climb on the desk.

SETUP AND ASSEMBLY

Assembly of the Tribesigns Two Person Computer Desk requires basic tools and can be completed by following the included instructions. It is recommended to have two people for assembly due to the size of the components.

Tools Required:

- Screwdriver (Phillips head recommended)

Assembly Steps:

1. Unpack all components and verify against the package contents list.
2. Identify all hardware pieces and separate them for easy access.
3. Assemble the central drawer cabinet according to the detailed instructions provided in the separate assembly guide. Ensure all drawer slides are correctly installed for smooth operation.
4. Attach the metal legs to the desktop panels using the provided hardware. Ensure all connections are secure.
5. Connect the desktop panels to the central drawer cabinet. This forms the complete desk structure.
6. Install the adjustable feet onto the bottom of the metal legs.
7. Carefully place the assembled desk in its desired location. Adjust the feet to ensure the desk is level and stable on the floor.

MAINTENANCE AND CARE

Proper maintenance will extend the lifespan and preserve the appearance of your Tribesigns desk.

- **Cleaning:** Wipe the desk surface and legs with **dry cloth** regularly to remove dust and debris. For stubborn marks, use a slightly damp cloth and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Immediately wipe up any liquid spills to prevent damage to the engineered wood surface.
- **Stability Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain desk stability.
- **Weight Distribution:** Distribute weight evenly across the desktop and within the drawers to prevent strain on the structure.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which can cause fading or discoloration of the finish.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns Two Person Computer Desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk wobbles or is unstable.	Uneven floor; loose fasteners; incorrect assembly.	Adjust the leveling feet at the bottom of the legs. Ensure all assembly screws are tightened securely. Review assembly instructions to confirm correct setup.
Drawers do not slide smoothly.	Drawer slides misaligned; debris in tracks; overloaded drawer.	Check if drawer slides are properly aligned and installed. Clean any dust or debris from the tracks. Reduce the weight in the drawer.
Missing parts during unboxing.	Packaging error; parts overlooked.	Carefully re-check all packaging materials. If still missing, contact Tribesigns customer support with your purchase details.
