# Devoko Dressing Table with LED Lights (Model 0530-PK) User Manual

Your guide to assembly, operation, and maintenance.

## 1. INTRODUCTION

---

Thank you for choosing the Devoko Dressing Table with LED Lights. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new dressing table. Please read these instructions thoroughly before use and retain them for future reference.

## 2. SAFETY INFORMATION

---

- **Assembly:** Ensure all components are present and undamaged before beginning assembly. Follow the provided assembly instructions carefully. Do not overtighten screws.
- **Stability:** Place the dressing table on a flat, stable surface. If applicable, use wall anchoring devices to prevent tipping, especially in households with children or pets.
- **Weight Capacity:** Do not overload shelves or drawers. Refer to the specifications for maximum weight limits.
- **Electrical Safety:** The LED lighting system requires an electrical connection. Ensure the power source matches the product's requirements. Keep electrical components away from water.
- **Children:** Keep small parts and packaging materials away from children during assembly. This product is not a toy.

## 3. PACKAGE CONTENTS

---

Before assembly, carefully unpack all components and verify against the included parts list. If any parts are missing or damaged, contact customer support immediately.

## 4. SETUP AND ASSEMBLY

---

Assembly of the Devoko Dressing Table is required. A detailed, step-by-step assembly guide with diagrams is included in the product packaging. Please follow these instructions precisely. Typically,

assembly involves:

1. Identifying all parts and hardware.
2. Assembling the main desk frame.
3. Installing the drawers and drawer slides.
4. Attaching the upper storage unit and mirror.
5. Connecting the LED lighting system to a power source.

Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the engineered wood. Two people are recommended for assembly.

**Figure 1:** The fully assembled Devoko Dressing Table. This image displays the pink vanity with a large mirror featuring integrated LED lighting, two spacious drawers, and multiple open shelves for organized storage of cosmetics, skincare products, and jewelry. The lower section includes an additional shelf for larger items.

## 5. OPERATING INSTRUCTIONS

### 5.1 LED Lighting System

The mirror is equipped with an adjustable LED lighting system to provide optimal illumination for makeup

application. The system offers three color modes and adjustable brightness.

- **Power On/Off:** Locate the touch sensor on the mirror surface. Tap once to turn the lights on or off.
- **Change Color Mode:** With the lights on, tap the touch sensor repeatedly to cycle through the three available color temperatures (e.g., cool white, natural daylight, warm yellow).
- **Adjust Brightness:** With the lights on, press and hold the touch sensor to gradually increase or decrease the brightness. Release when the desired brightness level is achieved.

## 5.2 Storage Features

The dressing table is designed with various storage options to help organize your items:

- **Open Shelves:** Utilize the multiple open compartments in the upper unit for frequently used cosmetics, skincare products, perfumes, or decorative items.
- **Drawers:** The two spacious drawers are ideal for storing smaller items, makeup palettes, or personal belongings to keep them out of sight and protected from dust.
- **Jewellery Storage:** Hooks located behind the mirror are provided for hanging necklaces, bracelets, and other jewelry, preventing tangles and making them easily accessible.
- **Lower Shelf:** The shelf beneath the main desk surface offers additional space for larger items such as bags or storage boxes.

## 6. MAINTENANCE

---

### 6.1 Cleaning

- **Engineered Wood Surfaces:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish. Dry immediately with a clean cloth.
- **Mirror:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first to prevent liquid from seeping into the LED components.

### 6.2 General Care

- Periodically check all fasteners and tighten if necessary to maintain stability.
- Avoid exposing the dressing table to direct sunlight or extreme temperature changes, which can cause warping or discoloration.
- Do not place hot items directly on the surface without protection.

## 7. TROUBLESHOOTING

---

- **LED Lights Not Working:**
  - Ensure the power cable is securely plugged into both the mirror and a working electrical outlet.
  - Check if the outlet is receiving power (test with another device).
  - Verify the touch sensor is clean and unobstructed.
- **Drawers Not Sliding Smoothly:**
  - Check for any obstructions in the drawer slides.
  - Ensure the drawer slides are properly aligned and securely attached.
  - Do not overload the drawers.
- **Table Wobbles:**

- Ensure the dressing table is on a level surface.
- Check and tighten all assembly screws.

## 8. SPECIFICATIONS

---

<b>Brand</b>	Devoko
<b>Model Number</b>	0530-PK
<b>Product Dimensions</b>	15.75"D x 35.43"W x 53.46"H (40cm D x 90cm W x 135.8cm H)
<b>Item Weight</b>	57.6 pounds (26.1 kg)
<b>Material</b>	Engineered Wood
