

## Devoko MW-0501-PL

# Devoko LED Vanity Table User Manual

Model: MW-0501-PL

Brand: Devoko

## 1. SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all parts and hardware are present before beginning assembly.
- Assemble the vanity table on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly to avoid damaging the material.
- Keep small parts and packaging materials away from children.
- Always use the provided anti-tipping hardware to secure the vanity to a wall, especially if children are present.
- Ensure the electrical connection for the LED mirror is properly installed and away from water.
- Do not sit or stand on the vanity table.

## 2. PACKAGE CONTENTS

Verify that all components listed below are included in your package:

- Vanity Table Panels (Numbered 1-29 as per assembly guide)
- LED Mirror Unit
- Assembly Hardware (Screws, dowels, cam locks, drawer slides, anti-tip kit, power adapter)
- Assembly Manual

If any parts are missing or damaged, please contact customer support.

## 3. SETUP AND ASSEMBLY

Assembly is required for this Devoko LED Vanity Table. An electric screwdriver is recommended for faster assembly. Please follow the detailed steps provided in the official installation video below.

Your browser does not support the video tag.

Official Devoko LED Vanity Table Installation Video. This video provides step-by-step visual guidance for assembling your vanity table.

### Assembly Overview:

1. **Step 1-3:** Assemble the upper side shelf units.
2. **Step 4:** Attach the LED mirror unit to the assembled upper shelves.
3. **Step 5-7:** Assemble the lower side cabinet unit.
4. **Step 8-10:** Install the drawer slides onto the main table frame.
5. **Step 11-12:** Attach the lower side cabinet to the main table frame.
6. **Step 13-14:** Secure the upper mirror and shelf unit to the main table frame.
7. **Step 15:** Install anti-tipping hardware to secure the vanity to the wall.
8. **Step 16:** Connect the LED mirror power adapter.
9. **Step 17-19:** Assemble the drawers.
10. **Step 20:** Insert the assembled drawers into the vanity table.

Refer to the video for specific part numbers and hardware usage for each step.

## 4. OPERATING INSTRUCTIONS

---

### LED Mirror Operation:

The integrated LED mirror features adjustable brightness and three color temperature settings to optimize your makeup application.

- **Power On/Off:** Lightly touch the power icon on the mirror surface to turn the LED lights on or off.
- **Adjust Brightness:** Press and hold the power icon to cycle through brightness levels. Release when desired brightness is reached.
- **Change Color Temperature:** Briefly touch the color temperature icon (usually adjacent to the power icon) to switch between cold white, warm white, and warm yellow light modes.

### Storage Features:

The vanity table is designed with ample storage to keep your cosmetics and accessories organized.

- **2 Large Drawers:** Located under the tabletop, these provide concealed storage for larger items.
- **4 Open Shelves:** Positioned on either side of the mirror, ideal for displaying perfumes, lotions, and frequently used items.
- **Side Cabinet:** A versatile storage unit that can be installed on either the left or right side under the table, offering additional space for various accessories.

## 5. MAINTENANCE

To ensure the longevity and appearance of your Devoko LED Vanity Table, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a dry, soft cloth. For stubborn marks, use a slightly damp cloth with mild soap, then dry immediately. Avoid abrasive cleaners or harsh chemicals.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Hardware:** Periodically check all screws and fittings to ensure they are tight. Retighten if necessary.
- **Spills:** Immediately wipe up any spills to prevent damage to the engineered wood surface.

## 6. TROUBLESHOOTING

If you encounter any issues with your Devoko LED Vanity Table, refer to the following common troubleshooting tips:

- **LED Mirror Not Lighting Up:**
  - Check if the power adapter is securely plugged into both the mirror unit and a working electrical

outlet.

- Ensure the power outlet is functional by testing it with another device.
- Verify that the power button on the mirror is being pressed correctly.

- **Drawers Not Sliding Smoothly:**

- Check that the drawer slides are correctly installed and aligned on both the drawer and the vanity frame.
- Ensure no objects are obstructing the drawer's path.
- Lubricate the drawer slides with a silicone-based lubricant if necessary.

- **Vanity Table Wobbles:**

- Confirm that all assembly screws and cam locks are fully tightened.
- Ensure the vanity is placed on a flat, level surface. Adjust furniture levelers if applicable.

- **Missing or Damaged Parts:**

- If you discover any missing or damaged parts during assembly, do not proceed. Contact customer support for assistance.

## 7. SPECIFICATIONS
