IAMJOY P200

IAMJOY Language Translation Earbuds User Manual

Model: P200

Introduction

Thank you for choosing the IAMJOY Language Translation Earbuds. This device is designed to break down language barriers, offering real-time translation, high-quality audio for music and calls, and advanced noise cancellation. This manual provides detailed instructions to help you get the most out of your new earbuds.

What's in the Box

- 1 × Wireless Translator Earbuds
- 1 × Charging Cable (USB-C)
- 3 × SML Ear Tips (Small, Medium, Large)
- 1 × User Manual (this document)

Setup

1. Download the IAMJOY App

To utilize the full translation capabilities, download the dedicated IAMJOY app from your smartphone's app store (compatible with iOS and Android). You can typically find a QR code in the included user manual to quickly access the download link.

2. Bluetooth Pairing

1. Ensure your earbuds are charged and inside the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your smartphone, go to Bluetooth settings and enable Bluetooth.
4. Select "IAMJOY P200" from the list of available devices to connect.
5. Once connected, open the IAMJOY app to begin using the translation features.

Operating the Earbuds

Translation Modes

The IAMJOY earbuds offer multiple translation modes to suit various communication scenarios:

- **Free Talk Mode:** Ideal for natural conversations. Each person speaks in their native language, and the earbuds provide real-time translation.

- **Translation Machine Mode:** One person speaks into the earbud, and the translation is played through the other earbud or a connected speaker.
- **Speaker Mode (Audio and Voice/Photo Mode):** Allows for translation through your phone's speaker, useful for group conversations or when you need to show translated text from images.
- **AI Chat Mode:** Engage in AI-powered conversations for practice or information retrieval.

Language Support

The earbuds support 163 languages and 85 accents for comprehensive global communication. A partial list of supported languages includes Arabic, Chinese, Czech, Dutch, English, French, German, Italian, Japanese, Korean, Malay, Portuguese, Russian, Spanish, and Thai.

Offline Translation

For situations without internet access, the earbuds offer offline translation for 13 key languages. These include Chinese, English, Japanese, French, Vietnamese, Spanish, German, Russian, Portuguese, Korean, Thai, Arabic, and Italian. Ensure you download the necessary language packs within the app beforehand.

Music Listening & Phone Calls

Beyond translation, these earbuds function as high-quality audio devices for music and phone calls. The Bluetooth 5.4 standard ensures stable connectivity and real-time audio synchronization.

Noise Cancellation

The IAMJOY earbuds feature 42dB Hybrid Dual Noise Cancelling technology. Equipped with 6 microphones, they effectively reduce ambient noise, including wind, ensuring crystal clear sound quality for both translation and audio playback in various environments.

Battery Life & Charging

The earbuds offer impressive battery endurance:

- Up to 6 hours of continuous translation.
- Up to 35 hours of total battery life with the charging case.

The charging case can be fully charged via its Type-C port in approximately 120 minutes (2 hours).

Manufacturer	IAMJOY

Troubleshooting

Earbuds not pairing:

- Ensure earbuds are charged.
- Make sure Bluetooth is enabled on your device.
- Try resetting the earbuds by placing them in the case, closing it, and reopening after a few seconds.

- Forget the device in your phone's Bluetooth settings and try pairing again.

Translation not working or inaccurate:

- Ensure you have a stable internet connection for online translation.
- Check if the correct source and target languages are selected in the app.
- Speak clearly and at a moderate pace.
- Update the IAMJOY app to the latest version.
- For offline translation, verify that the required language packs are downloaded.

No sound from earbuds:

- Check the volume level on your connected device.
- Ensure the earbuds are properly connected via Bluetooth.
- Confirm the earbuds are placed correctly in your ears.

Warranty & Support

IAMJOY provides a **1-year warranty** for after-sales service on your Language Translation Earbuds. Additionally, you receive a **lifetime free translation application** with your purchase, ensuring continuous access to translation features and updates.
For further assistance, please refer to the support section within the IAMJOY app or visit the official IAMJOY website for contact information.
