TinyGlow 4-in-1 Baby Bassinet, Pack and Play, Bedside Crib Sleeper, Diaper Changer Instruction Manual

Model: B0DQ73NNZG | Brand: TinyGlow

INTRODUCTION

This instruction manual provides detailed guidance for the safe and proper use, assembly, maintenance, and care of your TinyGlow 4-in-1 Baby Bassinet. This versatile product functions as a bassinet, playard, bedside crib sleeper, and includes a diaper changing station. Please read this manual thoroughly before assembly and use, and retain it for future reference.

IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- Always ensure all locking mechanisms are engaged before placing a child in the bassinet or playard.
- Never leave a child unattended.
- Discontinue use of the bassinet feature when the infant begins to push up on hands and knees, or reaches 20 lbs (9 kg), or is 5 months old, whichever comes first.
- Discontinue use of the changing table when the infant begins to roll over or reaches 25 lbs (11.3 kg).
- The playard is intended for children unable to climb out, less than 35 inches (89 cm) tall, and weighing less than 30 lbs (13.6 kg).
- Always provide the supervision necessary for the continued safety of your child.
- Do not modify the product or use accessories not approved by the manufacturer.
- Keep all small parts out of reach of children during assembly.
- Ensure the product is placed on a flat, level surface.
- Check for loose hardware, worn parts, or torn material regularly. Replace or repair as needed.
- Keep the product away from open flames, heaters, and other heat sources.
- To prevent strangulation, do not place items with a string around a child's neck, such as hood strings or pacifier cords. Do not suspend strings over a playard or attach strings to toys.
- Never use plastic shipping bags or other plastic film as mattress covers not sold by the manufacturer. They can cause suffocation.
- Never use a water mattress with this product.

This product is designed and manufactured to meet safety standards. It is ASTM Certified.

3. Attaching the Diaper Changing Station

The detachable changing table provides a convenient and safe area for diaper changes.

1. Align the changing table attachment points with the designated slots on the top rail of the playard.
2. Press down firmly until the changing table clicks securely into place.
3. Ensure the changing table is stable before use.
4. Utilize the side storage box for easy access to diapers, wipes, and other essentials.

OPERATING MODES

1. Bassinet Mode

The bassinet mode is suitable for newborns and infants who cannot yet push up on their hands and knees. It provides an elevated sleeping surface designed for comfort and safety.

- Ensure the bassinet liner is securely attached and the mattress is placed flat.
- The included mosquito net canopy provides protection against insects while allowing for proper airflow.
- The mattress is designed to be soft, breathable, and supportive for the baby's spine.
- Breathable mesh sides ensure optimal ventilation and visibility.

2. Bedside Crib Sleeper Mode

To use as a bedside sleeper, adjust the side panel to allow close proximity to your bed.

1. Lower one side panel by disengaging its locking mechanism (refer to specific product mechanism for details).

2. Position the bassinet next to your bed, ensuring there is no gap between the bassinet and your mattress.
3. Always ensure the bassinet is securely attached to your bed using the provided straps (if applicable) to prevent movement.

3. Playard Mode

Once your child outgrows the bassinet, the playard provides a safe and enclosed space for play.

1. Remove the bassinet liner and changing table.
2. Ensure the mattress pad is placed on the lowest level of the playard.
3. Always supervise your child during playtime.

MAINTENANCE AND CARE

- **Cleaning Fabric:** Use a damp cloth and mild soap to clean fabric surfaces. Do not use bleach or harsh detergents. Allow to air dry completely.
- **Cleaning Frame:** Wipe the metal and plastic parts of the frame with a damp cloth.
- **Mattress Pad:** The mattress pad can be wiped clean with a damp cloth. Ensure it is completely dry before re-use.
- **Storage:** When not in use, fold the bassinet according to the folding instructions and store it in its carry bag in a cool, dry place.
- **Inspection:** Regularly check for loose screws, worn parts, or damaged fabric. Contact customer support for replacement parts if needed.

TROUBLESHOOTING

Problem	Solution
Product does not lock into place during setup.	Ensure the center base is not pushed down before locking the side rails. Pull the side rails upwards firmly until they click into position. Then, push the center base down.
Changing table feels unstable.	Verify that both attachment points of the changing table are fully engaged and clicked into the playard rails. Remove and reattach if necessary.
Difficulty folding the product.	Ensure the mattress pad and any accessories are removed. Pull the center base upwards first, then disengage the side rail locks (usually buttons on the underside of the top rail) to fold the sides.
Strong odor upon unpacking.	This is normal for new products. Allow the product to air out in a well-ventilated area for several days before use.
