WOLTU MB6124ws

WOLTU Dressing Table with LED Mirror User Manual

Model: MB6124ws

1. INTRODUCTION

Thank you for choosing the WOLTU MB6124ws Dressing Table. This product is designed to provide a functional and elegant solution for your beauty and storage needs. Featuring an adjustable LED mirror, ample storage with 7 drawers, and an integrated power strip, this dressing table combines convenience with modern design. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

This product is shipped in two separate packages. Please ensure you have received both packages before beginning assembly.

2. SAFETY INFORMATION

To prevent injury or damage to the product, please adhere to the following safety guidelines:

- Ensure the vanity is correctly assembled and stable before use.
- Utilize the provided anti-tipping strap to secure the dressing table to the wall, preventing accidental tipping.
- The anti-slip feet should be properly installed to enhance stability.
- Do not place excessively heavy objects on the dressing table that could compromise its stability or cause it to tip over. The maximum weight capacity is 50 kg.
- Keep all small parts and packaging materials away from children to prevent choking hazards.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. Refer to the assembly instructions provided in the box for a detailed list of parts and hardware. All parts are numbered for easy identification.

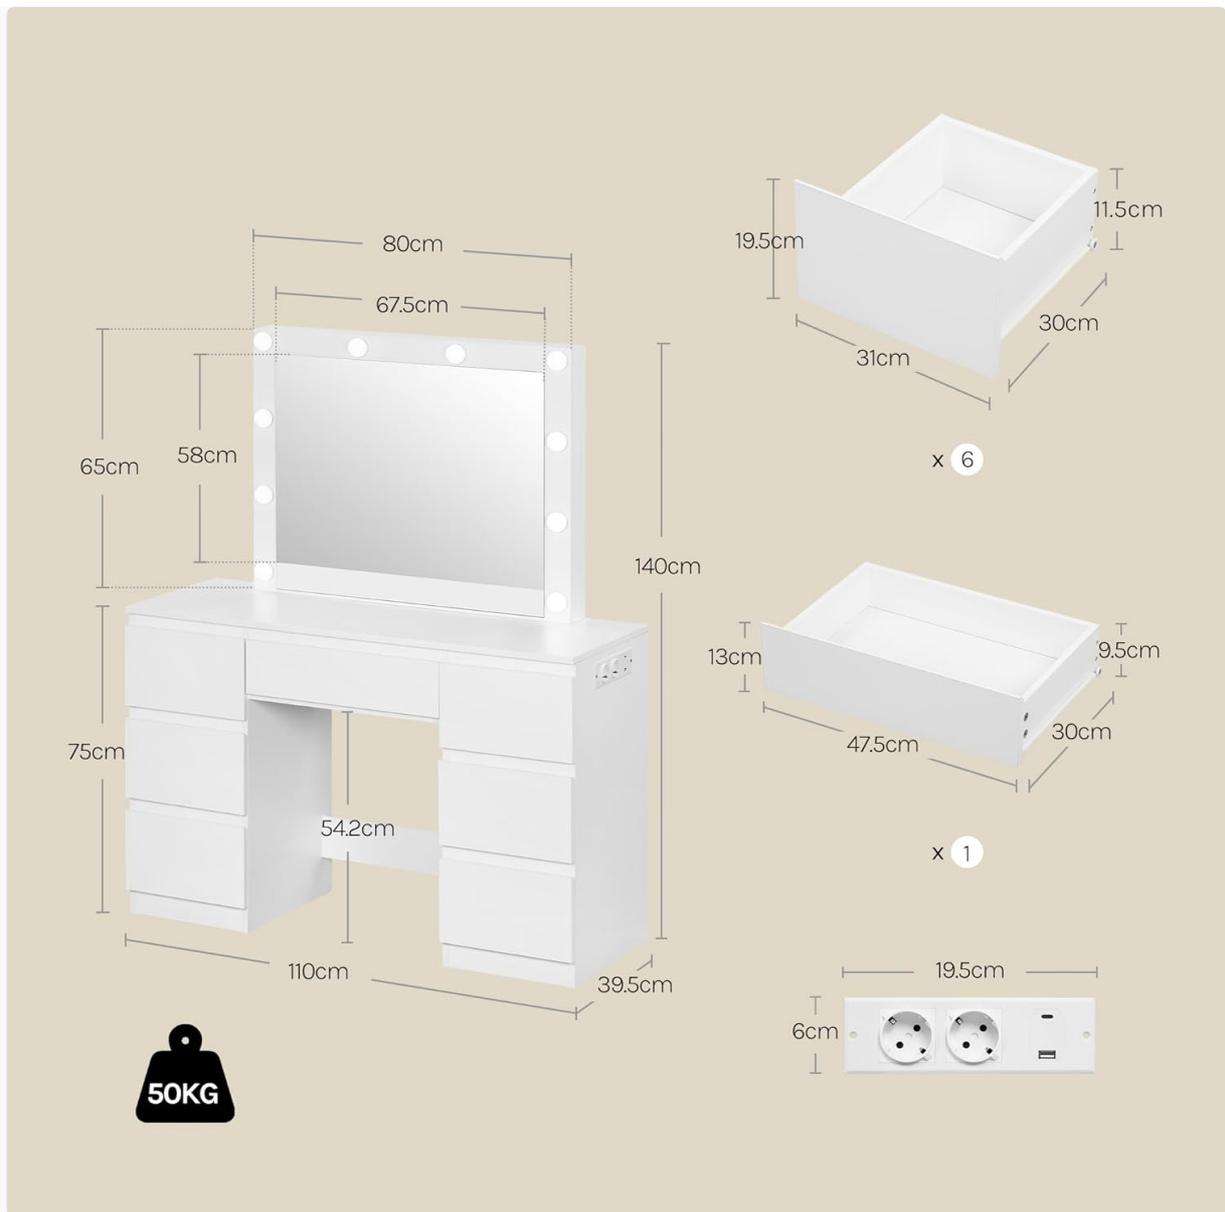

Figure 3.1: Detailed dimensions and component overview. This diagram illustrates the overall dimensions of the dressing table, including the mirror, tabletop, and drawer sizes, along with the power strip dimensions and the 50kg weight capacity.

4. ASSEMBLY INSTRUCTIONS

Assembly of the WOLTU Dressing Table is designed to be straightforward. Clear instructions and all necessary tools are included in the packaging. Follow the step-by-step guide provided with your product for a satisfactory DIY experience.

1. **Unpack and Identify:** Carefully unpack all components from both packages. Lay them out and identify each part using the numbered labels.
2. **Follow the Manual:** Refer to the detailed assembly manual included in your package. Each step is illustrated and clearly described.
3. **Secure Connections:** Ensure all screws and fasteners are tightened securely to guarantee the stability and durability of the dressing table.
4. **Install Anti-Tipping Device:** For safety, install the anti-tipping strap as instructed in the manual to secure the table to the wall.

Note: Some customers have found assembly to be time-consuming due to the number of parts. Patience and careful adherence to the instructions will ensure a successful build.

Figure 4.1: Fully assembled WOLTU Dressing Table. This image shows the complete white dressing table with its LED mirror, seven drawers, and integrated power strip, ready for use.

5. OPERATING INSTRUCTIONS

5.1. LED Mirror Operation

The rectangular LED mirror (64x57 cm) features adjustable brightness and three color temperatures to suit your needs. The LED strip is powered via a USB interface.

- **Power On/Off:** Press the touch switch on the mirror surface to turn the LED lights on or off.
- **Adjust Color Temperature:** A short press on the switch cycles through three color temperatures: cold light, natural light, and warm light.
- **Adjust Brightness:** A long press on the switch allows you to continuously adjust the brightness level. Release the switch when the desired brightness is reached.

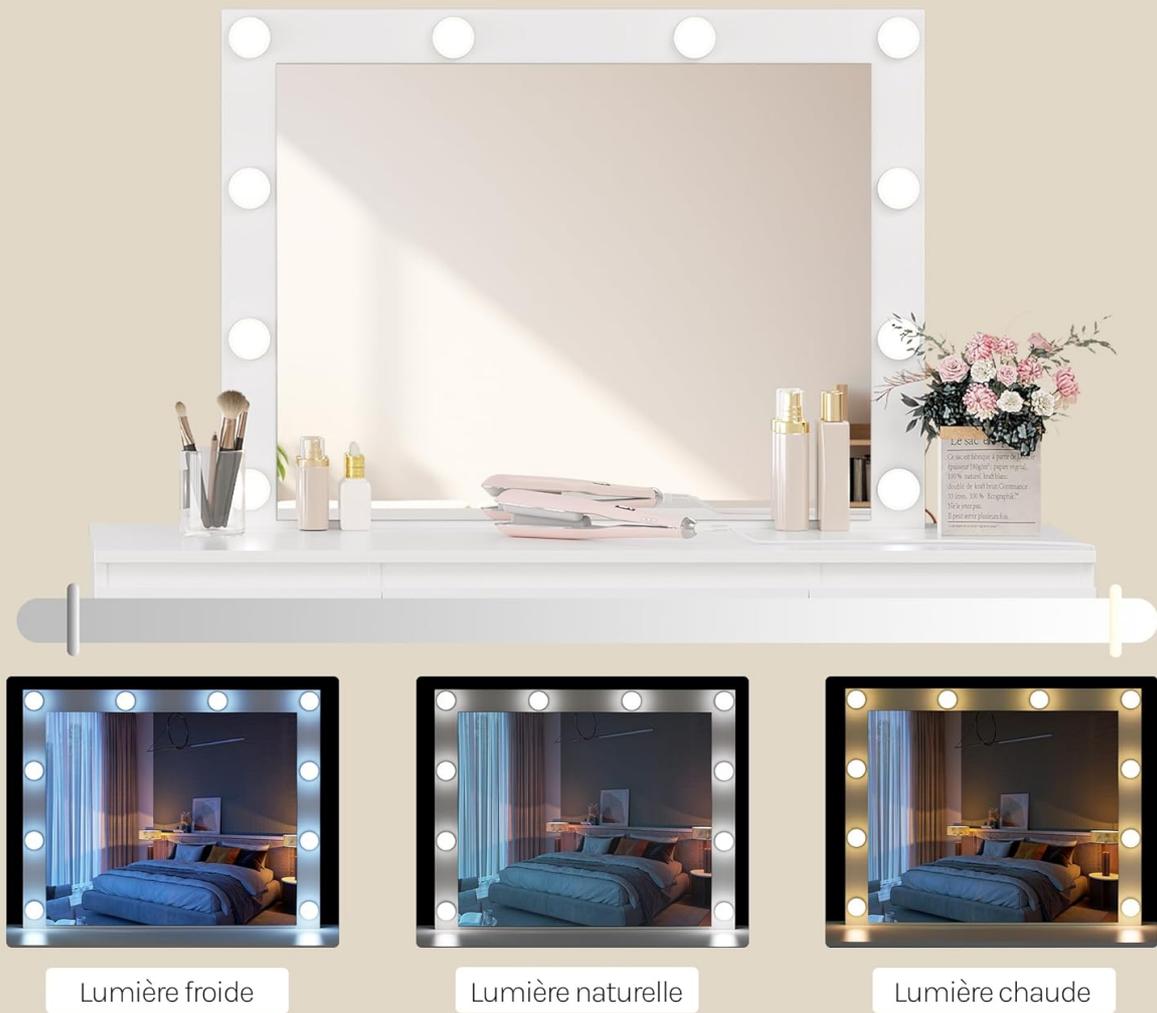

Figure 5.1: LED Mirror Controls. This image demonstrates the touch switch for the LED mirror, explaining that a short press adjusts color temperature (cold, natural, warm) and a long press adjusts brightness.

5.2. Integrated Power Strip

The dressing table includes a convenient power strip on the right side of the tabletop, equipped with a 1.5m cable. This allows for easy access to power for various devices.

- **Outlets:** The power strip features two standard 250V/16A power outlets for appliances like curling irons, straighteners, or hair dryers.
- **USB Ports:** It also includes one USB-A port and one USB-C port for charging electronic devices such as laptops, iPads, mobile phones, or wireless headphones.

5.3. Storage Features

The dressing table offers extensive storage with a large tabletop (110x39.5cm) and seven drawers.

- **Drawers:** The seven drawers are equipped with silent metal slides for smooth opening and closing. Hidden handles provide a sleek appearance and easy access.
- **Organization:** Utilize the various drawer sizes to categorize and store cosmetics, jewelry, and other personal items efficiently.

Figure 5.3: Extra-Large Storage Capacity. This image provides a top-down view of the dressing table with all seven drawers open, showcasing the ample storage space for various items and highlighting the 110cm tabletop width.

Espace de stockage extra-large

Figure 5.4: Storage Efficiency. This comparison image illustrates the effectiveness of the dressing table's storage, showing a cluttered surface (Before) transformed into an organized space with items neatly stored in the drawers (After).

6. MAINTENANCE

Proper care will extend the life and maintain the appearance of your WOLTU Dressing Table.

- **Cleaning:** The melamine veneer surface is smooth, water-resistant, and wear-resistant, making it easy to clean. Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Promptly wipe up any spills to prevent water damage or staining.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the LED strip or electrical components.
- **Drawer Slides:** Periodically check the metal drawer slides for smooth operation. If needed, a small amount of silicone spray can be applied to maintain fluidity.
- **General Inspection:** Regularly check all screws and connections to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your WOLTU Dressing Table, please refer to the following common problems and solutions:

- **Assembly Difficulties:** If you find assembly challenging or parts do not align, double-check the part numbers against the manual. Ensure you are using the correct hardware for each step. If a part appears defective (e.g., misaligned holes), contact customer support.
- **LED Mirror Not Lighting Up:**
 - Ensure the USB cable for the LED strip is securely connected to a power source (e.g., the integrated USB port or a separate USB adapter).
 - Check if the power strip itself is receiving power.
 - Verify that the touch switch on the mirror is clean and responsive.
- **Power Strip Not Working:**
 - Ensure the power cable for the dressing table is fully plugged into a functional wall outlet.
 - Test the wall outlet with another device to confirm it has power.
 - Check the power strip's cable for any visible damage.
- **Drawers Sticking or Not Sliding Smoothly:**
 - Verify that the drawer slides are correctly installed and aligned.
 - Ensure no objects are obstructing the drawer's path.
 - Apply a small amount of lubricant (e.g., silicone spray) to the metal slides if friction is present.
- **Table Instability/Wobbling:**
 - Check that all assembly screws are tightened.
 - Ensure the anti-tipping strap is securely fastened to both the table and the wall.
 - Verify that the anti-slip pads are properly attached to the bottom of the table legs.

If these steps do not resolve the issue, please contact WOLTU customer support for further assistance.
