Bestier B701113SUS-ANCA

Bestier Queen Size Bed Frame User Manual

Model: B701113SUS-ANCA

1. Safety Information

Please read and understand all safety information before assembly and use of the Bestier Queen Size Bed Frame.

- Exercise caution around sharp edges and potential pinch points during assembly.
- Ensure the bed frame is fully assembled, all fasteners are securely tightened, and the structure is stable before placing a mattress or using the bed.
- Do not exceed the recommended weight capacity of 300 pounds (136 kg) for this bed frame.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not use power tools for assembly unless specifically instructed, as overtightening can damage components.

2. Product Overview

The Bestier Queen Size Bed Frame is designed for comfort and convenience, featuring a sturdy metal and wood construction, an integrated headboard with LED lighting, a charging station, and practical foldable bedside shelves.

Figure 2.1: Overall view of the Bestier Queen Size Bed Frame, showcasing its modern design, integrated headboard, and side features.

Key Features:

- **Integrated Headboard:** Features a stylish design with a built-in shelf for storage and display.
- **LED Lighting:** The headboard includes LED strips with 20 static colors, RGB options, and 19 dynamic modes for customizable ambiance.
- **Charging Station:** Conveniently located on the headboard, providing 2 AC outlets, 2 USB ports, and 1 Type-C connector for charging devices.
- **Foldable Bedside Shelves:** Two integrated shelves on either side of the headboard can be folded out for use as nightstands or folded away when not needed.
- **Side Pockets:** Additional storage pockets are attached to the headboard for small items like remotes or books.
- **Sturdy Construction:** A combination of metal and wood ensures durability and stability.

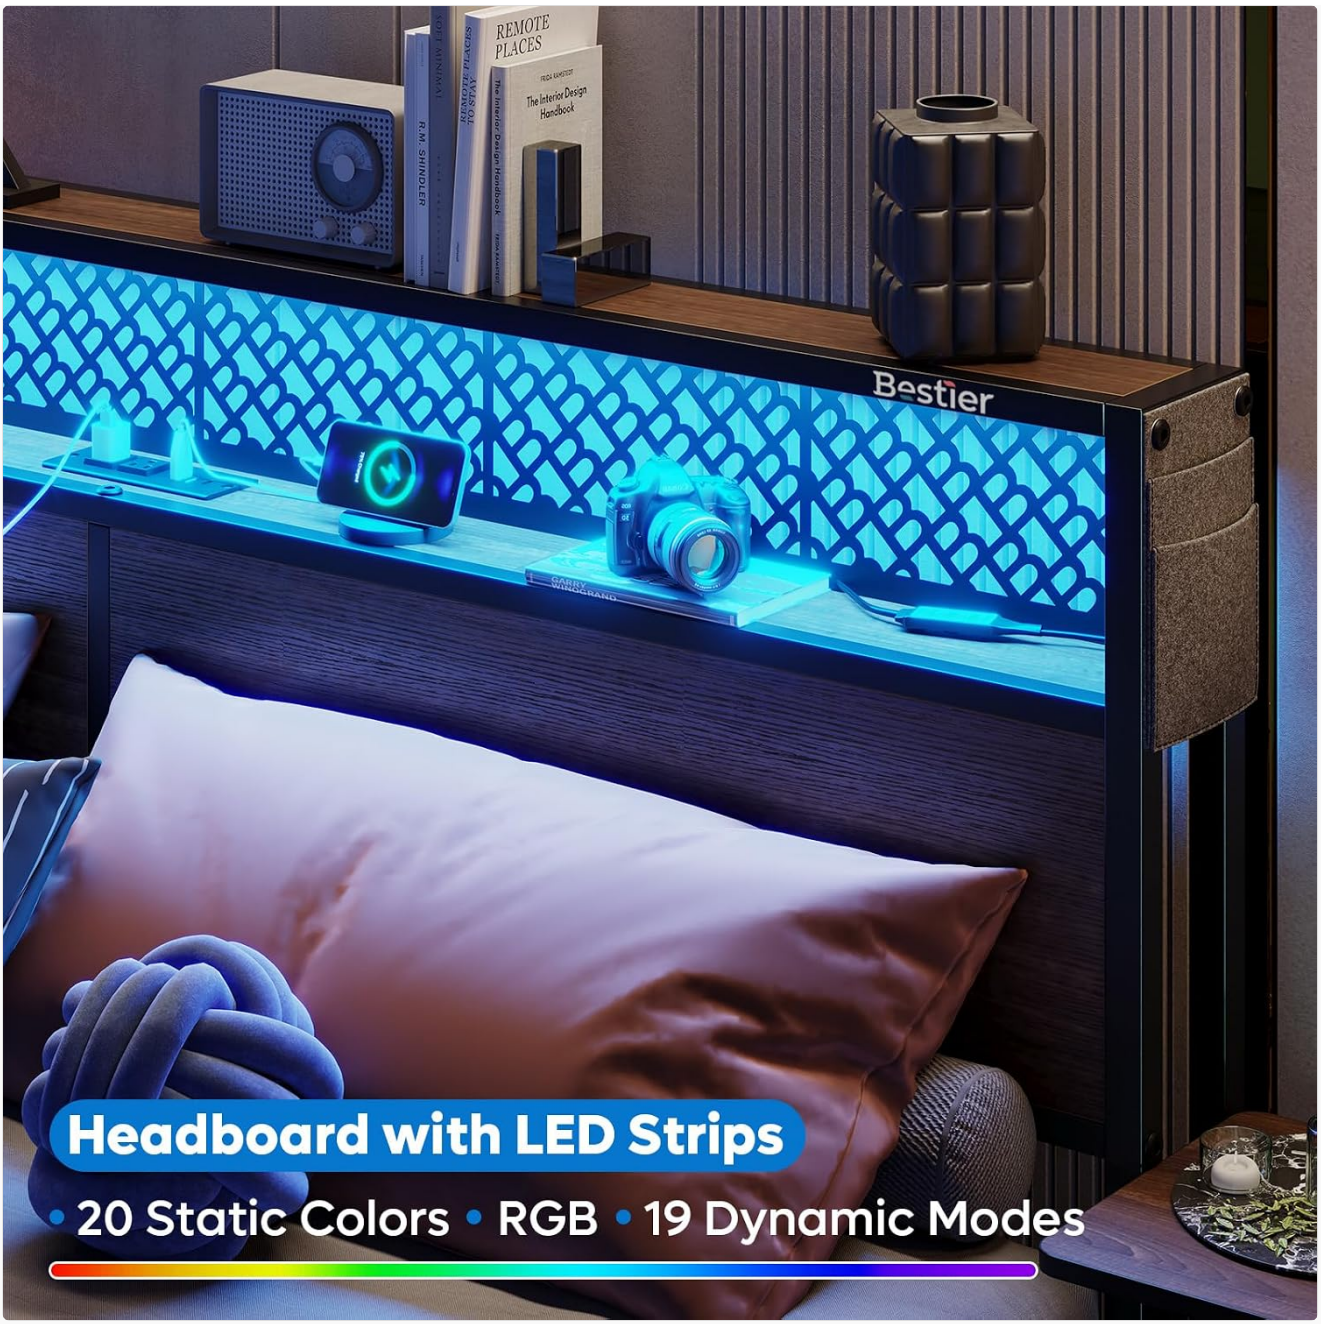

Figure 2.3: Detailed view of the headboard, showing the integrated LED strips illuminating the storage shelf and the accessible charging station with power outlets and USB ports.

3. Assembly Instructions

Assembly of the Bestier Queen Size Bed Frame is required. Please follow the detailed instructions provided in the separate assembly guide included with your product. The following general steps and tips will assist you:

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out. Compare them against the parts list in your assembly guide to ensure all pieces are present.
2. **Prepare Your Workspace:** Assemble the bed frame in the room where it will be used. Ensure you have enough space and a clean, flat surface.
3. **Follow Step-by-Step Diagrams:** Refer to the numbered diagrams in your assembly guide. Each step will show which parts and fasteners are needed.
4. **Hand-Tighten First:** For most connections, hand-tighten screws initially. This allows for minor adjustments

before fully tightening.

5. **Secure All Fasteners:** Once all components are in place, go back and fully tighten all screws and bolts using the provided Allen wrench. Do not overtighten.
6. **Install Anti-Noise Tape:** Apply the included anti-noise tape to the metal slats or frame sections as indicated in the assembly guide to prevent squeaking.
7. **Check Stability:** After assembly, gently shake the frame to ensure it is stable and all connections are secure.

Figure 3.1: Visual guide illustrating key assembly aspects such as easy component fitting, the application of anti-noise tape for a quiet frame, and features designed to keep the mattress securely in place.

4. Operating Instructions

4.1 LED Headboard Lights

The integrated LED strips in the headboard offer customizable lighting options:

- **Power On/Off:** Use the remote control or the button on the headboard to turn the LED lights on or off.
- **Color Selection:** Choose from 20 static colors to match your mood or room decor.
- **RGB Mode:** Activate RGB mode for a spectrum of color changes.
- **Dynamic Modes:** Explore 19 different dynamic lighting modes, such as fade, jump, or strobe effects.
- **Brightness Adjustment:** Adjust the brightness level to your preference using the remote control.

4.2 Charging Station

The headboard features a built-in charging station for your electronic devices:

- **Power Connection:** Ensure the bed frame's power cord is securely plugged into a functional wall outlet.
- **AC Outlets:** Use the two standard AC outlets for devices requiring wall power.
- **USB Ports:** Connect your devices to the two USB-A ports for charging.
- **Type-C Connector:** Utilize the Type-C port for compatible devices.
- **Safety Note:** Do not overload the charging station. Avoid plugging in high-power appliances.

4.3 Foldable Bedside Shelves

The bedside shelves provide convenient surface area:

- **To Deploy:** Gently pull the shelf outwards and rotate it until it locks into a horizontal position.
- **To Fold:** Lift the shelf slightly, disengage the locking mechanism (if present), and fold it inwards against the headboard.
- **Weight Limit:** Do not place heavy items on the foldable shelves. Refer to the assembly guide for specific weight limits.

5. Maintenance

Proper maintenance will ensure the longevity and appearance of your Bestier Bed Frame.

- **Cleaning:** Wipe down metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Dusting:** Regularly dust the headboard and frame to prevent buildup.
- **Fastener Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary, but do not overtighten.
- **LED Care:** If the LED strips become dusty, gently wipe them with a dry, soft cloth. Do not use liquids directly on the LED components.
- **Charging Station:** Keep the charging ports free of dust and debris. Do not insert foreign objects into the ports.

6. Troubleshooting

Refer to this section for solutions to common issues.

6.1 LED Lights Not Working or Flickering

- **Check Power Connection:** Ensure the bed frame's main power cord is securely plugged into a functional wall outlet.

- **Remote Control:** Verify the remote control batteries are working and that there are no obstructions between the remote and the LED receiver.
- **Cable Connections:** Inspect all LED strip connections to the power source and controller within the headboard. Ensure they are firmly seated.
- **Power Cycle:** Unplug the bed frame from the wall outlet for 30 seconds, then plug it back in.
- If flickering persists, the LED strip or power unit may be faulty. Contact customer support.

6.2 Charging Station Not Functioning

- **Verify Power:** Confirm the bed frame is plugged into a live wall outlet.
- **Test with Different Devices/Cables:** Try charging a different device or using a different charging cable to rule out device/cable issues.
- **Check for Overload:** Ensure you are not attempting to charge too many high-power devices simultaneously.
- **Inspect Ports:** Check for any visible damage or debris in the AC outlets or USB/Type-C ports.
- If the issue persists, the charging station unit may be faulty. Contact customer support.

6.3 Bed Frame is Squeaking or Unstable

- **Tighten All Fasteners:** Go through all assembly points and ensure every screw and bolt is securely tightened. Loose connections are a common cause of squeaking.
- **Check Anti-Noise Tape:** Verify that the anti-noise tape (if applicable) is correctly applied to the metal slats where they contact the frame. Reapply or replace if worn.
- **Level Surface:** Ensure the bed frame is on a flat, level surface. Uneven flooring can cause stress on the frame and lead to noise.
- **Mattress Placement:** Ensure the mattress is properly seated on the frame and not causing uneven pressure.

6.4 Missing Parts or Damaged Components Upon Arrival

- **Review Parts List:** Double-check the included parts list against what you received. Sometimes smaller parts are packaged within larger components.
- **Contact Customer Support:** If parts are genuinely missing or components are damaged, do not attempt to assemble the product. Contact Bestier customer support immediately with your purchase details and a list of missing/damaged items.

7. Specifications

The following specifications apply to the Bestier Queen Size Bed Frame (Model B701113SUS-ANCA):

Figure 7.1: Detailed product size diagram, indicating the dimensions for Queen, King, and Full size variants. This manual specifically refers to the Queen size.

Feature	Detail
Brand	Bestier
Model Number	B701113SUS-ANCA
Size	Queen
Product Dimensions (L x W x H)	87.3" x 60.2" x 41.2" (approximate, based on Queen size diagram)
Material	Metal frame, Wood headboard
Color	Walnut
Style	Modern Platform Bed

Feature	Detail
Special Features	LED Headboard (20 Static Colors, RGB, 19 Dynamic Modes), Charging Station (2 AC, 2 USB, 1 Type-C), Foldable Bedside Shelves, Side Pockets, Squeak Resistant Design
