# Domi 12x16FT Hardtop Gazebo Instruction Manual

Model: LGMF1671-BR-12x16

## 1. INTRODUCTION

This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your Domi 12x16FT Hardtop Gazebo. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This gazebo is designed to provide a comfortable and protected outdoor living space, featuring a durable galvanized steel roof and a robust metal frame.

## 2. SAFETY INFORMATION

Adherence to the following safety guidelines is crucial for preventing injury and damage to the product.

- Ensure all components are securely fastened before use. Regularly check for loose connections.
- Do not attempt to assemble the gazebo during strong winds or adverse weather conditions.
- Clear the assembly area of any obstructions and ensure sufficient space for construction.
- Always use appropriate safety gear, such as gloves and eye protection, during assembly.
- This gazebo is designed for outdoor use only.
- In case of severe weather warnings (e.g., hurricanes, blizzards), it is recommended to disassemble the gazebo or take additional precautions to secure it.
- Do not hang heavy objects from the gazebo frame or roof structure beyond its intended capacity.

## 3. SETUP AND ASSEMBLY

The Domi Hardtop Gazebo is designed for straightforward assembly. It is recommended that at least two adults participate in the assembly process. Refer to the separate assembly guide for detailed step-by-step instructions and part identification.

### 3.1 Key Assembly Features

- **Sturdy Metal Frame:** The gazebo features a robust powder-coated metal frame with triangular support structures for enhanced stability. The reinforced base includes pre-drilled holes for secure anchoring.
- **Double Galvanized Steel Roof:** The innovative double-layer roof design promotes airflow and provides protection from UV rays and precipitation.

## 4. OPERATING INSTRUCTIONS

Your Domi Hardtop Gazebo is designed to enhance your outdoor experience. Here's how to utilize its key features:

### 4.1 Detachable Curtains and Netting

The gazebo includes detachable curtains and netting for privacy, insect protection, and weather shielding. These can be easily installed or removed as needed.

- Netting:** Use the mesh netting to keep insects out while maintaining an open view and airflow.
- Curtains:** Deploy the curtains for increased privacy or protection from sun and light wind.

# DETACHABLE CURTAIN and NETTING

## 4.2 Ceiling Hooks

Three integrated hooks are located on the gazebo's ceiling. These hooks can be used to hang lightweight decorative items such as lights or fans to enhance the ambiance of your outdoor space.

# Excess Ceiling Hooks

There are three hooks on the ceiling available for hanging fans, lights, decorations, and more.

Image 4.2: Ceiling hooks provide options for hanging lights, fans, or other decorations.

## 5. MAINTENANCE

Regular maintenance will prolong the life and appearance of your gazebo.

- **Cleaning:** Clean the metal frame and roof panels with a mild soap and water solution. Rinse thoroughly and dry to prevent water spots. Avoid abrasive cleaners.
- **Fabric Care:** The curtains and netting can be spot cleaned with mild detergent. For deeper cleaning, follow care instructions on the fabric tags. Ensure they are completely dry before storing to prevent mildew.
- **Fasteners:** Periodically check all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary.
- **Drainage System:** Ensure the water gutter system is free from debris (leaves, twigs) to allow for efficient rainwater runoff.

## Water Gutter Design

The slope design allows water to flow down quickly, ensuring the drainage ditch is clog-resistant and improving overall drainage efficiency.

Image 5.1: The integrated water gutter system ensures proper drainage from the roof.

## 6. TROUBLESHOOTING

This section addresses common concerns you might encounter with your gazebo.

Problem	Possible Cause	Solution
Gazebo feels unstable.	Loose fasteners; uneven ground; insufficient anchoring.	Ensure all bolts are tightened. Verify the gazebo is on level ground. Use appropriate anchors (not included) to secure the base to the ground.
Water pooling on the roof.	Debris in gutters; improper roof panel installation.	Clear any leaves or debris from the roof and gutters. Check that roof panels are correctly aligned and secured according to assembly instructions.

Problem	Possible Cause	Solution
Curtains/Netting not closing properly.	Obstruction; damaged zippers/ties; improper installation.	Check for any obstructions. Ensure zippers and ties are functional. Re-install curtains/netting if necessary, ensuring proper alignment.

## 7. SPECIFICATIONS

---

Key technical details for the Domi 12x16FT Hardtop Gazebo.

**Brand:** domi outdoor living

**Model Number:** LGMF1671-BR-12x16

**Product Dimensions:** 190.39" L x 142.76" W x 120.92" H

**Item Weight:** 453 Pounds

**Frame Material:** Metal, Alloy Steel, Galvanized Steel, Aluminum

**Roof Material:** Galvanized Steel

**Water Resistance Level:** Waterproof

**Shape:** Rectangular

**UV Protection:** 99% UV-proof, UPF 50+
