JARHETUN Night Stand Set with Charging Station and LED Lights, Model B0DQ86NFTS Instruction Manual

Model: B0DQ86NFTS | Brand: JARHETUN

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your JARHETUN Night Stand Set. Please read these instructions carefully before assembly and use to ensure proper function and safety. Keep this manual for future reference.

IMPORTANT SAFETY INFORMATION

- Ensure all components are present and undamaged before assembly.
- Do not overtighten screws during assembly to prevent damage to materials.
- Place the nightstand on a stable, level surface to prevent tipping.
- Do not overload drawers or shelves.
- Keep liquids away from the charging station outlets and USB ports.
- Unplug the power cord from the wall outlet before cleaning or moving the nightstand.
- Do not attempt to modify the electrical components. Contact qualified personnel for repairs.

SETUP AND ASSEMBLY

The JARHETUN Night Stand is designed for straightforward assembly. All necessary tools and numbered components are included. Please follow the step-by-step instructions provided in the packaging.

Assembly Steps Overview:

- Unpack all components and verify against the parts list.
- Assemble the metal frame structure using the provided screws and tools.
- Attach the top wooden panel, ensuring the charging station is correctly oriented.
- Insert the fabric drawers into their designated slots.

5. Connect the LED light strip and charging station power cord.
6. Adjust the leveling feet to ensure stability on uneven surfaces.

CARE AND MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the nightstand to prevent buildup.
- **Spills:** Immediately wipe up any spills to prevent staining, especially on the wooden top.
- **Electrical Components:** Ensure the charging station and LED lights are unplugged before cleaning. Do not immerse electrical components in water.
- **Drawer Care:** The fabric drawers can be spot cleaned with a mild detergent and water. Allow to air dry completely.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Charging station not working.	Power cord not fully plugged in; wall outlet not active.	Ensure the power cord is securely plugged into both the nightstand and a functional wall outlet. Test the wall outlet with another device.
LED lights not turning on or flickering.	Loose connection; power issue; app synchronization error.	Check the connection of the LED strip to the power source. Ensure the nightstand is powered. If using the app, try restarting the app or re-pairing the device.
LED lights not syncing with each other (if using a set).	App synchronization issue.	Ensure both nightstands are connected to the same app instance. Try restarting the app and re-syncing the lights.
Nightstand is wobbly.	Uneven floor; adjustable feet not properly set.	Adjust the leveling feet at the bottom of the nightstand until it is stable.
