5. Maintenance

Regular maintenance ensures the longevity and safe operation of your ride-on truck.

- **Charging:** Charge the 12V 7AH battery for 8-12 hours before first use and after each play session. Playing time is approximately 50-80 minutes per charge.
- **Cleaning:** Wipe the vehicle with a soft, damp cloth. Do not use abrasive cleaners or submerge the vehicle in water.
- **Storage:** Store the vehicle in a dry, cool place away from direct sunlight and moisture. If storing for extended periods, charge the battery monthly.
- **Inspection:** Periodically check all screws, nuts, and electrical connections to ensure they are secure. Inspect wheels for wear and tear.
