# Rolanstar Full Bed Frame with LED Light and Charging Station

Model: hq-chj019-05

## 1. INTRODUCTION

---

Thank you for choosing the Rolanstar Full Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read these instructions carefully before beginning assembly and retain them for future reference.

This bed frame features an upholstered velvet design with a high headboard and footboard, integrated RGB LED lighting, and a convenient charging station. It is designed for durability and a noise-free sleeping experience.

## 2. SAFETY INFORMATION

---

- **Do not use without a mattress.** The bed frame is designed to support a mattress.
- **Do not exceed the maximum weight capacity of 1200 pounds.** Overloading may cause damage or injury.
- **Be cautious of sharp edges** during assembly and use.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten fasteners.
- Keep small parts and packaging materials away from children to prevent choking hazards.

## 3. PACKAGE CONTENTS

---

Before assembly, verify that all components listed below are present. If any parts are missing or damaged, please contact customer support.

- Headboard
- Footboard
- Side Rails
- Wood Slats
- LED Light Strip (pre-installed or separate)

- USB & Type-C Charging Station (pre-installed or separate)
- Assembly Hardware (screws, bolts, Allen wrench, etc.)
- Instruction Manual

## 4. SETUP AND ASSEMBLY

---

The Rolanstar bed frame is designed for easy assembly. Detailed, step-by-step instructions with diagrams are included in your product packaging. Please follow those instructions carefully.

1. **Unpack All Components:** Lay out all parts on a clean, soft surface (like a carpet) to prevent scratches.
2. **Identify Parts:** Match each component with the corresponding labels in the included instruction manual.
3. **Assemble the Headboard and Footboard:** Attach the side rails to the headboard and footboard using the provided hardware.
4. **Install the Wood Slats:** Secure the wood slats across the frame to create a stable mattress support. The design ensures a noise-free sleep experience.
5. **Connect LED Lights and Charging Station:** If not pre-installed, follow the specific instructions for connecting the LED light strips and the charging station. Ensure all cables are routed safely and securely.

**Tip:** Having a second person assist with assembly can make the process quicker and easier.

## 6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Rolanstar bed frame, follow these care guidelines:

- **Cleaning the Frame:** For general cleaning, wipe the frame with a damp cloth. For tougher spots, use a mild soap solution and then wipe with a dry cloth.
- **Upholstery Care:** The velvet upholstery can be gently spot cleaned with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the bed frame with a soft, dry cloth to prevent dust buildup.
- **Fastener Checks:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause the upholstery fabric to fade.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your bed frame, refer to the following common problems and solutions:

- **LED Lights Not Working:**
  - Check if the power adapter is securely plugged into a working wall outlet.
  - Ensure all connections between the LED strip and the controller/power source are firm.
  - Verify the remote control batteries are functional and correctly inserted.
- **Charging Station Not Functioning:**
  - Confirm the bed frame's main power cord is plugged into a live electrical outlet.
  - Test with a different device and charging cable to rule out device-specific issues.
- **Bed Frame is Noisy/Wobbly:**
  - Inspect all bolts and screws. Tighten any loose fasteners.
  - Ensure the wood slats are correctly seated and secured in their positions.
  - Verify the bed frame is on a level surface.

If these steps do not resolve the issue, please contact Rolanstar customer support for further assistance.
