Safety Information

To prevent tipping and ensure the safety of your household, it is crucial to securely anchor the dresser to the wall using the provided anti-tipping device. Always follow the installation instructions for the anti-tipping device carefully. Keep children away from the dresser during assembly. Do not allow children to climb on or play with the dresser. The raised edges on the tabletop are designed to prevent items from sliding off, and anti-slip foot pads provide stability and protect your floors.

Package Contents

Before beginning assembly, ensure all parts and hardware are present and undamaged. Refer to the parts list in your included paper manual. If any parts are missing or damaged, please contact customer service.

1. **Unpack and Identify:** Carefully unpack all components and hardware. Match each piece to the parts list in your manual.
2. **Assemble Frame:** Begin by assembling the main frame of the dresser according to the diagrams. Ensure all connections are secure.
3. **Install Drawer Slides:** Attach the drawer slides to the inner sides of the dresser frame, ensuring they are level and aligned.
4. **Assemble Drawers:** Construct each of the 5 rattan drawers. Attach the golden handles to the drawer fronts.
5. **Insert Drawers:** Carefully slide the assembled drawers into their respective slots on the dresser frame.
6. **Attach Anti-Tipping Device:** Securely install the anti-tipping device to the back of the dresser and to a wall stud, following the specific instructions provided.

OPERATING INSTRUCTIONS

Your SICOTAS dresser features 5 wider and deeper drawers designed for smooth operation. The premium metal guide rails ensure drawers can be pulled out and closed effortlessly. The engineered wooden tabletop provides a stable surface for various items such as lamps, alarm clocks, books, or decorative pieces.

MAINTENANCE

To maintain the appearance and longevity of your dresser, wipe it with a damp cloth as needed. Avoid using harsh chemicals or abrasive cleaners, as these may damage the wood grain finish or rattan accents. Regularly check all screws and connections to ensure they remain tight.

TROUBLESHOOTING

- **Drawers not sliding smoothly:** Check that the metal guide rails are correctly installed and free from obstructions. Ensure all screws on the rails are tightened.
- **Dresser feels wobbly:** Verify that all assembly screws are securely tightened. Confirm the anti-tipping device is properly installed and anchored to the wall.
- **Minor color variations:** Slight color variations may occur due to material batches, manufacturing processes, or display settings. These are normal and do not impact quality.
