Care and Maintenance

To maintain the quality and appearance of your 4D Build Squirtle model, follow these guidelines:

- **Environment:** Keep the model in a dry environment, away from direct sunlight and extreme temperatures, which can cause material degradation or fading.
- **Cleaning:** Dust gently with a soft, dry cloth. Avoid using liquid cleaners, solvents, or abrasive materials, as these can damage the EPS foam and printed details.

Troubleshooting

Missing or Damaged Pieces

If you encounter any missing or damaged pieces upon opening your kit, please contact 4D Build customer support for assistance. Provide your product model number and details of the issue.

Difficulty Assembling

Refer to the step-by-step instructions carefully. Ensure all pieces are oriented correctly and firmly pressed into place. Do not force pieces if they do not fit easily; re-check the instructions for proper alignment.
