PRODUCT OVERVIEW

The 4D Build Pokémon Charmander 3D Model Kit allows you to construct a detailed replica of the iconic fire-type Pokémon. This kit features 241 durable EPS foam punch-out pieces designed for easy assembly without the need for glue or additional tools. Once completed, the model stands approximately 9.8 inches tall, making it an ideal display piece for desks, shelves, or any collection.

PACKAGE CONTENTS

Your 4D Build Pokémon Charmander 3D Model Kit includes the following:

- 16 EPS Foam 3D Puzzle Sheets
- Instruction Manual

Image: A stack of 16 EPS foam sheets, showing the various punch-out pieces that form the Charmander 3D model. These sheets contain all 241 components required for assembly.

ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your 4D Build Pokémon Charmander 3D Model Kit. No glue or tools are required for assembly.

1. Step 1: Unpack Components

Carefully remove the 16 EPS foam sheets from the packaging. Ensure all sheets are present and undamaged.

2. Step 2: Punch Out Pieces

Refer to the included instruction manual for a detailed guide on punching out the 241 intricate pieces from the foam sheets. Take care to punch out pieces gently to avoid tearing or damaging them.

3. Step 3: Assemble the Model

Follow the step-by-step instructions provided in the manual to connect the pieces and assemble your Charmander model. The pieces are designed to interlock securely.

Durable Pieces Are Easy to Assemble for Teens & Adults

General Care

- Keep the model away from direct sunlight and extreme temperatures to prevent material degradation.
- To clean, gently wipe with a dry, soft cloth. Avoid using abrasive cleaners or excessive moisture.
- Handle with care to maintain the integrity of the assembled pieces.
