4D Build 6074724

4D Build Pokémon Bulbasaur 3D Model Kit - Instruction Manual

Brand: 4D Build | Model: 6074724

Introduction

This manual provides comprehensive instructions for assembling your 4D Build Pokémon Bulbasaur 3D Model Kit. Designed for enthusiasts aged 12 and up, this kit allows you to construct a detailed replica of Bulbasaur, the grass-type Pokémon from Kanto. The model features 195 punch-out pieces made from high-quality EPS foam, requiring no glue or additional tools for assembly. Once completed, your Bulbasaur model measures approximately 9.3"x11.4"x9.4" and is perfect for display.

Safety Information

- **Age Recommendation:** This product is recommended for ages 12 years and up.
- **Small Parts:** The kit contains small parts which may pose a choking hazard for children under 3 years. Keep out of reach of young children.
- **Handling:** Handle pieces with care during assembly to prevent damage.

Package Contents

Your 4D Build Pokémon Bulbasaur 3D Model Kit includes the following:

- 16 EPS Foam 3D Puzzle Sheets
- 1 Set of Assembly Instructions

Figure 2: The 16 sheets of high-quality EPS foam pieces included in the kit, ready for punching out.

Setup and Assembly

Follow these steps to assemble your Bulbasaur 3D Model Kit. No glue or tools are required for this process.

1. **Preparation:** Carefully remove all 16 EPS foam sheets from the packaging.
2. **Punch Out Pieces:** Refer to the included instruction booklet. Gently punch out the required pieces for each step from the foam sheets. Ensure not to force pieces to avoid damage.
3. **Follow Instructions:** The instruction booklet provides detailed, step-by-step visual guides for assembling the model. Each step indicates which pieces are needed and how they connect.
4. **Connect Pieces:** Align the tabs and slots on the foam pieces and gently press them together. The durable design ensures a secure fit.
5. **Assemble Sections:** Build the model section by section, typically starting with the base or core structure and then adding details like the head, body, bulb, and vines.
6. **Final Assembly:** Once all sections are complete, connect them according to the final steps in the instruction booklet to form the complete Bulbasaur figure.

Operating and Display

Your 4D Build Bulbasaur model is designed for display and features articulated elements for enhanced interaction:

- **Articulated Mouth:** Bulbasaur's mouth can be gently opened and closed.
- **Movable Bulb:** The green bulb on Bulbasaur's back can be adjusted.
- **Poseable Vines:** The vines extending from the bulb are poseable, allowing for dynamic display options.

Place your finished model on a flat, stable surface as a decorative piece for your desk, shelf, or game room.

Maintenance

To keep your 4D Build Bulbasaur model in excellent condition:

- **Cleaning:** Gently wipe the model with a dry, soft cloth to remove dust. Avoid using liquid cleaners or abrasive materials.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss or damage.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause colors to fade over time.

Troubleshooting

- **Missing Pieces:** Carefully check all packaging and foam sheets. If a piece is genuinely missing, contact customer support.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and aligned with their corresponding tabs and slots. Apply gentle, even pressure. Do not force pieces.
- **Damaged Pieces:** If a piece is damaged during assembly, assess if it can be repaired with a small amount of craft glue. If not, contact customer support for possible replacement options.

Specifications

Product Dimensions	9.3" x 11.4" x 9.4" (23.5 x 29 x 23.9 cm)
Item Weight	12 ounces
Model Number	6074724
