### 3. Package Contents

Before beginning assembly, ensure all components are present and undamaged. Refer to the included parts list in your assembly guide. Typically, the package includes:

- Dresser panels (top, bottom, sides, back)
- Drawer panels (front, back, sides, bottom)
- Metal legs and adjustable feet
- Metal drawer slides

- Drawer handles
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tipping device kit
- Assembly instructions manual

## 4. Assembly Instructions

---

This product requires self-assembly. Follow the detailed, step-by-step instructions provided in the separate assembly guide included in your package. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

### 4.1 Key Assembly Points:

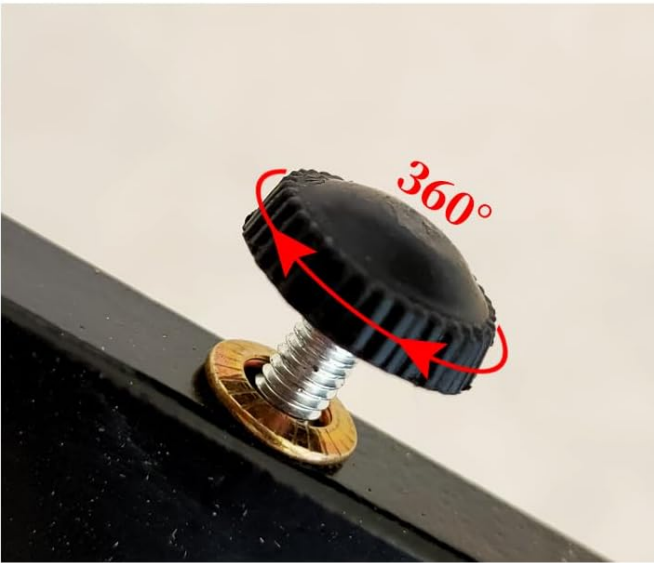

- **Component Identification:** Carefully identify all parts using the provided diagrams before starting.
- **Frame Assembly:** Securely attach the top, bottom, and side panels. Ensure all connections are tight.
- **Back Plate:** The dresser features a 0.47 inch thickened back plate for enhanced stability. Ensure it is correctly installed.
- **Leg Installation:** Attach the sturdy metal legs using the through-hole mounting method for stable load-bearing. Install the adjustable feet to level the dresser on uneven surfaces.
- **Drawer Slide Installation:** Install the ball-bearing drawer slides onto both the dresser frame and the drawer sides. Ensure they are aligned correctly for smooth operation.
- **Drawer Assembly:** Assemble each drawer, ensuring the bottom panel is securely seated and the handles are firmly attached.
- **Anti-Tipping Device: Crucial Safety Step:** Always install the anti-tipping device to prevent accidental tipping, especially in households with children or pets. Follow the specific instructions for wall mounting.

## 5. Usage Guidelines

This 9-drawer dresser is designed for organizing clothes, accessories, and various household items. Its versatile design allows it to be used in a living room, bedroom, children's room, hallway, entryway, closet, home office, or nursery.

- **Drawer Operation:** The drawers are equipped with ball-bearing slides for smooth and quiet opening and closing. Avoid forcing drawers if they feel stiff.
- **Weight Capacity:** Each drawer has a maximum load capacity of 30 lbs (13.6 kg). Do not exceed this limit to prevent damage to the drawer slides or structure.
- **Top Surface:** The spacious top surface can hold decorative items, lamps, books, or a television up to 70 inches in size, provided its base fits within the dresser's dimensions.

## 6. Care and Maintenance

To maintain the appearance and longevity of your dresser, follow these care instructions:

- **Cleaning:** Wipe the surface with a dry, soft cloth. For minor spills, a lightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Moisture Protection:** The MDF boards are moisture-resistant, but prolonged exposure to liquids should be avoided.
- **Scratch Prevention:** While the material is scratch-resistant, use coasters or protective pads under items placed on the top surface to prevent potential damage.
- **Hardware Check:** Periodically check and tighten all screws and fasteners to ensure the dresser remains stable.

## 7. Troubleshooting

If you encounter any issues with your dresser, consider the following common solutions:

- **Drawers Not Closing Smoothly:** This is often due to incorrect installation of the drawer slides. Carefully re-check the alignment and attachment of the ball-bearing slides on both the drawer and the dresser frame. Ensure no obstructions are present in the slide mechanism.
- **Wobbly Dresser:** Ensure all assembly hardware is securely tightened. Use the adjustable feet at the bottom of the metal legs to level the dresser on uneven floors.
- **Missing Parts or Damaged Components:** If you find any parts missing or damaged upon unboxing, do not proceed with assembly. Contact customer support immediately for assistance.

## 8. Safety Information

---

Your safety is important. Please adhere to the following guidelines:

- **Anti-Tipping Device:** Always install the included anti-tipping device. This is critical to prevent the dresser from tipping over, which can cause serious injury or death. Follow the specific instructions for proper wall attachment.
- **Weight Distribution:** Place heavier items in lower drawers to improve stability.
- **Climbing Hazard:** Do not allow children to climb on the dresser or open multiple drawers simultaneously, as this can destabilize the unit.
- **Assembly:** Ensure all assembly steps are completed correctly and all fasteners are tightened before using the dresser.

## 9. Customer Support

---

Chrangmay is committed to providing excellent after-sales service. If you have any questions, require assistance with assembly, or encounter any product problems, please contact our customer support team. Refer to your purchase documentation for contact details or visit the Chrangmay brand store on Amazon.
