› Bellemave Full Over Full Bunk Bed with Slide and Stair (Model FST00171-F-AK1) Instruction Manual

Bellemave FST00171-F-AK1

Bellemave Full Over Full Bunk Bed with Slide and Stair

Model: FST00171-F-AK1

1. IMPORTANT SAFETY INFORMATION

Read all instructions carefully before assembly and use. Keep this manual for future reference.

- **Adult Supervision:** Always supervise children while using the slide and bunk bed.
- **Proper Assembly:** Ensure the bed is assembled correctly and all connections are secure to prevent instability.
- **Pinch Points:** Be cautious of pinch points and sharp edges during assembly.
- **Guardrails:** The upper bunk is equipped with full-length guardrails to prevent accidental falls. Ensure they are always properly installed.
- **Ladder Safety:** The inclined ladder features safe and wide steps. Always use the ladder for accessing the upper bunk.
- **Structural Integrity:** The bed structure is crafted from high-quality solid pine wood and MDF, with solid pine legs and a strong, durable frame. The bunk bed is constructed with 14 slats per bed platform and a central lengthwise strengthened slat for strong stability.
- **Mattress Requirements:** Use only mattresses that comply with the recommended dimensions for full-size bunk beds.

2. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. Refer to the packing list provided with your product for a complete inventory. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

Typical components include:

- Upper and Lower Bed Frames
- Bed Slats (14 per bunk)
- Ladder
- Slide

- Stair Unit with Shelves
- Hardware Pack (screws, bolts, nuts, etc.)

3. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly requires two adults. Follow the clear assembly instructions provided in the included manual. Ensure you have adequate space for assembly.

3.1 Overview of Components

Image: Overview of the bunk bed frame, showing the upper and lower bunks, ladder, slide, and integrated storage shelves.

3.2 Assembly Steps (General Guide)

1. **Prepare Area:** Clear a spacious area for assembly. Lay out all components and hardware.
2. **Assemble Bed Ends:** Connect the headboards and footboards for both the upper and lower bunks using the provided hardware.
3. **Attach Side Rails:** Secure the side rails to the assembled bed ends for both bunks.
4. **Install Slats:** Place and secure the wooden slats onto the support rails for both the upper and lower bunks. Ensure all 14 slats per bunk are evenly spaced and firmly attached.
5. **Assemble Stair Unit:** Construct the stair unit, ensuring the shelves are correctly integrated.
6. **Attach Ladder and Slide:** Securely attach the ladder to the upper bunk and the slide to the designated opening on the upper bunk.
7. **Connect Stair Unit:** Attach the assembled stair unit to the bunk bed frame.
8. **Final Check:** Double-check all bolts, screws, and connections to ensure they are tight and secure. Do not overtighten.

4. OPERATING INSTRUCTIONS

This bunk bed is designed for safe and comfortable use by children. Adhere to the following guidelines:

- **Upper Bunk Access:** Always use the provided ladder to access the upper bunk. Do not climb on the guardrails or other parts of the bed.
- **Slide Usage:** The slide is intended for single-person use at a time. Ensure the area around the slide exit is clear. Always slide feet first.
- **Weight Limits:** Adhere to the maximum weight capacity for each bunk (refer to specifications or product labeling if available).
- **Storage Shelves:** Utilize the integrated shelves for storing books, toys, and other small items. Do not overload shelves.

5. MAINTENANCE

Regular maintenance will ensure the longevity and safety of your bunk bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections. Tighten any loose hardware to maintain structural integrity. Do not overtighten.
- **Structural Inspection:** Regularly check for any signs of wear, damage, or instability in the wood frame, slats, ladder, or slide.

6. TROUBLESHOOTING

If you encounter any issues with your bunk bed, refer to the following common solutions:

- **Squeaking Noises:** Squeaking often indicates loose hardware. Identify the source of the noise and tighten all bolts and screws in that area.

- **Instability/Wobbling:** If the bed feels unstable, re-check all connections to ensure they are fully tightened. Ensure the bed is placed on a flat, level surface.
- **Difficulty with Assembly:** If you experience difficulty during assembly, review the assembly instructions carefully. Ensure all parts are oriented correctly. Do not force parts together.

7. SPECIFICATIONS

Feature	Detail
Model Number	FST00171-F-AK1
Size	Full over Full
Color	White
Material	Wood (Solid Pine Wood and MDF)
Product Dimensions (L x W x H)	95.5" x 76.7" x 58.3"
Item Weight	87 Pounds
Included Components	Slat, Slide
